Camp Day Opens Season With Banquet; Special Events Held On Holiday

Ball Game, Water Carnival, and Fireworks Are Highlights of July 4th Celebration; Counselors Appointed For Activities

More than one hundred and forty enthusiastic boys were greeted by Director Clyde G. Hess as Camp Frank A. Day opened its twenty-fourth season on Wednesday, June 28th, in the newly cleared acres of the traditional site, bordering the "Lake of the Great White Goose." The counselors for the current season had been present for one week prior to Camp opening, and had prepared the equipment for use on the opening day.

Perhaps the most striking improvement on the campus was the large central building housing the large craft shop, grocery reserve room on the first floor, and dramatic quarters, music room, administration office and dormitory dividing the second floor.

On the waterfront two new sailboats enlarged the camp flotilla to seven of that craft. Classes held so far are greater in number and enthusiasm than in the past which will give Richard Hess of New York City, chairman of the committee on sailing, a busy summer. The twenty canoes were newly-painted during the spring, as well as the twelve rowboats, giving an appearance of freshness. One of the innovations of last year which made of the swimming area a safe as well as an attractive feature was renewed this year by setting a lifeline of bobbins about the enclosed section. The two large rafts were in use from the first swim as the campers of the past swam easily to the locations.

The damage to the grounds caused by the loss of trees during the hurricane of last Fall was fairly well cleared up during the months preceding camp opening. The typical reaction of the camper to the loss of trees was one of thankfulness that plenty of sunshine would now result, and a deep nut-brown would be the prevailing color of the Camp Day camper in the season of 1939.

Opening banquet on Wednesday night was attended by many guests including Mr. C. D. Kepner, chairman of the Camp Committee; Mr. Harry W. Bascom, General Secretary of the Newton Y. M. C. A.; Col. Lewis E. Moore, Frank A. Day, Jr., and Richard H. Lee of the Camp Committee. Three representatives of the Civilian Conservation Corps, were present by invitation of the Camp Director as a gesture of thanks for the remarkable work of clearing the camp grounds of forest fire dangers. Personal introductions of each camper by his counselor and a brown-roasted turkey were the highlights of the evening.

The first day of the 1939 season passed into history with a promise to the full enrollment that this season would take its place as another banner year for Camp Frank A. Day. Twenty-six counselors, four directors, and five members of the kitchen staff are ready to make this an enjoyable season for the campers as individuals and as a camp.

Committees Selected

The many and varied activities conducted by Camp Frank A. Day during the camping season are organized and carried on by selected committees, the chairman of each carefully chosen by Director Clyde G. Hess previous to Camp opening. Responsibility for these activities is assumed by the respective chairmen and their assistants. (Continued on page 6)

Elected V. P. By Vets

ROY S. EDWARDS
Well-Known Newton Man Chosen At Disabled Vets Convention

Newton Invited To Participate In Teacher-Education Study

Supt. Warren, Dr. Hooper and Mr. Green To Attend Aug. Conference

At the meeting of the Newton School Committee on June 25th, Supt. of Schools Warren gave the information that the public schools of this city have been selected by the Commission on Teacher Education of the American Council on Education as one of the thirteen public school systems in this country to cooperate in a study of teacher education which will be conducted in various parts of the U. S. A. In addition about a score of universities, colleges and teachers' colleges will also cooperate.

The commission is endeavoring to have school teachers become more effective in their work and to be better able to handle the problems of their own schools. The study will continue for about 3 1/2 years, and in connection with it Newton will send three representatives to an August planning conference at Bennington College, Bennington, Vermont, at the expense of the commission. These representatives will be Supt. Warren, Raymond Green, assistant principal of the high school, and Miss Laura Hooper, Director of Elementary Education. This conference will consider how school systems can plan the most valuable demonstrations of in-service education of teachers.

The Rockefeller Foundation has given the commission a \$500,000 fund for this work and there will be no cost to Newton for its participation in the study. This city was selected primarily because of the work it is already doing in teacher education through teachers' clubs and conference programs. Other reasons for the choice of Newton and the other cities

Edwards Elected Vice President Of Disabled Vets

At the convention of the Disabled American War Veterans of the World War which adjourned last Monday, a signal honor was conferred on Roy S. Edwards of Newton in his election as one of the Vice Presidents of the State Department of that organization.

Captain Edwards served with the Canadian forces overseas during the world war. This is the first time that a Canadian has been elected to a high state office in any veteran's organization.

Captain Edwards was commander of the Father Farrell Chapter, D. A. V., of Newton and has long been active in Veteran's Welfare Activities. He is president and treasurer of the Basley Lumber Company of Newton.

Mrs. Marshall Is New Chairman

Mrs. Theresa Marshall of Newton Highlands, senior member of the Newton Playground Commission, was appointed acting chairman of the commission last Saturday by Mayor Childs to succeed Ralph Henry, who recently resigned. Mrs. Marshall will serve as chairman until the new Recreation Commission will be organized.

This commission will consist of six members, one of whom will be Recreation Commissioner and head of the Recreation Department. F. Ewing Wilson is now acting Superintendent of Playgrounds, succeeding Ernst Hermann.

No False Alarms On 4th In Newton

Youths and boys of Newton deserve praise for orderly conduct during the July 4th period. From 5 p. m. July 3rd until 12:45 a. m. July 5th there were no false alarms pulled in this city. And during that period only 3 box alarms were pulled, and 8 telephone calls received at fire alarm headquarters. In contrast was the neighboring city of Waltham where the firemen had to answer 50 calls, including seven false alarms.

WPA Orchestra to Play at Hawthorn

The Newton Federal Orchestra, a WPA project, will give concerts every Tuesday night at 8 o'clock at the Hawthorn Playground, Hawthorn st., near Watertown st., Nonantum. Last year the orchestra gave its series of summer concerts at the Auburndale playground. It is believed that the concerts at the Hawthorn playground will be largely attended. Albert H. Webster is supervisor of the Newton Federal Orchestra and Robert P. Kelley, conductor.

The following program has been arranged for Tuesday evening, July 11.

March, "Semper Fidelis" — Sousa
Overture, "Light Cavalry" — Suppe
Intermezzo, "Cavalleria Rusticana" — Mascagni
Arkansas Traveller — Arr. by Gulon
Waltz, "Tales from the Vienna Woods" — Strauss
Pomp and Circumstance — Elgar
Intermission
Overture, "Russian and Ludmilla" — Glinka

"Turkey in the Straw" — Arr. by Gulon
Flight of the Bumblebee — Rimsky-Korsakoff
Prelude to "Carmen" — Bizet
American Fantasia — V. Herbert
Star Spangled Banner.

Resign As Read Fund Trustees

Last Friday Mayor Childs announced that Thomas Fox of 99 Sargent st., Newton, and William Foster of 109 Sargent st., Newton, had resigned as trustees of the Read Fund. Mr. Fox was appointed a trustee in 1933, and Mr. Foster in 1932. The Read Fund was established about 55 years ago when Charles Read of Washington st., Newton, left a large amount of money as a fund for the benefit of Newton citizens. The income from this fund was to be used for four purposes: to provide an annual picnic for the children of Newton Corner, to finance an annual course of lectures on scientific subjects, to benefit the Newton Free Library, and to provide for donations to worthy widows in Newton.

For several years the picnic was held at Spy Pond, Arlington, and later at Norumbega Park. The Read Fund lectures were for many years a popular Newton institution. They have not been held for several years because the income from the fund ceased to be sufficient to finance the lectures. For the same reason the other benefits, formerly derived from the fund, have also been curtailed.

Forbid Bathing In Charles River

Last Friday the Newton Playground Department issued an order prohibiting bathing in the Charles River at Allison Playground, Nonantum. This order came as a result of analysis of water made at the place by Inspector Robertson of the Newton Health Department. The water was found to be dangerously polluted. The bathing place at Allison playground is only about a quarter mile distant from the bathing beach recently completed at Watertown by the Metropolitan District Commission at a large cost, part of which was paid by Newton taxpayers, and if the water is polluted at Allison playground, it certainly must be polluted at the Watertown bathing beach, a short distance down the river.

Analyses of water made by the Newton Health Department at Crystal Lake and at Ware's Cove, Auburndale, show that it is safe to bathe at these two public beaches.

McKay Predicts Newton Tax Rate \$31 for 1939

At the special meeting of the Board of Aldermen on Wednesday night, Alderman McKay, chairman of the Finance Committee, predicted that the tax rate for this year will be \$39; an increase of 80 cents over that of 1938. McKay had previously predicted a much larger increase in the 1939 tax rate. He said that the two largest contributing factors which made the increase lower than expected were the \$200,000 decrease from the Mayor's budget recommendations made by the Aldermen, and an allotment of \$215,000 received by the city from the State distribution of highway funds. McKay commented that the Board of Aldermen had done its utmost to keep the tax rate down. Alderman Rawson profusely praised Alderman McKay. (Continued on page 8)

Newton Hlds. Boy Severely Cut

Leslie Lowry, 18, of 21 Royce rd., Newton Highlands, received severe injuries to his left arm on Wednesday afternoon when he accidentally thrust it through a window in a door at his home. Five tendons and the main nerve in the arm were severed. Dr. C. A. Thompson was called and operated on young Lowry at the Newton Hospital after giving first aid to the youth at his home and applying a tourniquet. Policemen and firemen went to the Lowry home in response to emergency calls and used an inhalator on the youth, who was very weak from loss of blood.

Bishop Cushing Begins Duties Sunday at Sacred Heart Church

Greets Parishioners At Masses — Pays Tribute To Bishop Spellman

Bishop Richard J. Cushing, who was appointed to succeed Archbishop Francis J. Spellman as auxiliary bishop of the Boston archdiocese, and also as pastor of Sacred Heart Church, Newton Center, assumed his duties at the Newton Center parish on Sunday. He arrived at Sacred Heart rectory on Saturday night, and was greeted by the clergy there, including Rev. Donald Whalen, who has been acting pastor; Rev. Bernard Winn and Rev. John Reynolds.

At the several masses on Sunday, Bishop Cushing addressed the congregations. He said:

"For years I have been speaking in behalf of struggling missionaries in every corner of the world. This morning, however, I must speak in behalf of myself. I am profoundly grateful to His Eminence, the Cardinal, for appointing me pastor of the Sacred Heart Parish. I do not come to you as a stranger. On two former occasions I have spoken here as a representative of the Society For the Propagation of the Faith. The first was some seventeen years ago when I was welcomed by Father Curtin, whose memory lives in the parish schools and in the grateful hearts of those whom he served. The other occasion was only a few weeks ago when I was welcomed by His Excellency, Bishop Spellman. On assuming his new duties as Archbishop of New York, His Excellency left to his successor a model parish, free of debt, well equipped materially and well organized spiritually. My one desire is to continue the good traditions and, if possible, to give added glory to God by bringing you a little nearer to His Adorable Heart. That is the primary aim of every priest.

"In the past, all my efforts have been given to the world wide extension of God's Kingdom. But now, without ever forgetting the struggling priests and Sisters on the missions, it is my first responsibility and happy privilege to pray and work especially for the spiritual welfare of the devoted people in this particular parish."

Bartlett Rules Cullen Is Out of Police Dept.; Aldermen Win Battle

Refuse Mayor's Recommendation to Recreate Sergeantcy and Appropriation For Salary At Special Meeting On Wednesday

New Football Coach

OWEN McDOWELL
Columbia Star Coming To Newton High In September

Sergeant-Mechanic Bart Cullen of the Newton police department, the center of a controversy for the past few years between the Board of Aldermen and Mayor Childs, is no longer a member of the Newton police department, according to a ruling given to the Aldermen by City Solicitor Bartlett at a special meeting of the Board held on Wednesday night. The meeting was called by Mayor Childs so that the Board might act on his recommendations to amend the police department ordinance by providing for an additional sergeant, and also appropriate \$1225 for the salary of this additional sergeant for the balance of this year. The Aldermen, after hearing a report from Alderman Rawson, as chairman of the Claims & Rules Committee, voted to reject both of these recommendations of the Mayor.

The controversy between the Mayor and the Aldermen over Cullen started a few years ago when the Mayor asked the Aldermen to provide for the promotion of Cullen from the rank of sergeant to that of lieutenant. The Aldermen refused to do this, contending that the duties of the mechanic did not warrant such a promotion, and that to make Cullen a lieutenant, thus advancing him over sergeants who preceded him in seniority and on the eligible list for promotion to lieutenant, would disrupt the morale of the department. The rift between the Mayor and the Aldermen over Cullen, was widened because the Mayor authorized the sergeant-mechanic to make purchases of equipment and supplies for the motor vehicles used by the department independent of Chief Hughes. The Mayor answered this criticism by saying he was only continuing a custom originated by Mayor Weeks, who first authorized the sergeant-mechanic to serve as purchasing agent for the automotive equipment and supplies of the department.

A couple of years ago Alderman Frank McCabe started to severely criticize Cullen, and as a result the Board of Aldermen appointed a special committee to investigate the duties of the sergeant-mechanic. This committee, after lengthy deliberations, made a report adversely criticizing the sergeant-mechanic and advocated the abolition of the office. Although the committee intimated that publicity would be given at a meeting of the Aldermen to the conduct of the sergeant-mechanic's office, this did not materialize, and Cullen demanded that a public hearing be given to air the matter. This hearing was not held.

The recommendation of the special committee, which had investigated the office of sergeant-mechanic, was that the office be abolished because it is unnecessary, and its abolition would effect an economy. The Board of Aldermen accepted this recommendation this year when it voted to appropriate in the budget only enough money to pay the sergeant-mechanic's salary until July 1. Mayor Childs then communicated with the Civil Service Commission to ascertain Sergeant-

(Continued on page 8)

Impaled on Fence At West Newton For 30 Minutes

Dominic Barberio, 40, of 84 River st., West Newton, was impaled on a picket fence at the estate of William Richardson, 228 Highland ave., West Newton, for 30 minutes on Monday morning before his plight was discovered. Barberio was the caretaker at the estate, and the Richardson family is away for the summer. He was picking cherries from a tree, when he fell off a ladder and fell about 15 feet onto the fence. He was discovered impaled on the fence, with a picket through his left arm by Cornelius Duggan, Jr., of 233 Highland ave. Young Duggan pulled Barberio's arm away from the picket, and applied a tourniquet. He notified the police and Barberio was taken to the Newton Hospital in the police ambulance. It was found that his left leg and left arm had been broken.

Rotary Club

Gaylord W. Douglas, N. E. Secretary National Council for Prevention of War and a member of Springfield, Mass. Rotary Club spoke on "The Importance of an International Mind." He declared that, due to rapid development of science and the creative skill of mankind, the world has changed more in the last thirty-nine years than in the previous ten thousand years. With advancement in fields of communication and transportation, our need for thinking internationally, increases. Fellowship and friendship are parts of Rotary's creed. We must have an understanding of other people regardless of their race, language and customs and keep in mind our objective of peace and its advancement. Often we are long on

opinions and short on information. One way to peace is international trade to the benefit of both parties and not at each other's expense. Let us see to it that, as Rotarians, we are not international in name only.

Gaylord Douglas is speaking at the N. E. Institute of International Relations now holding its 8th annual session at Wellesley College and was introduced at the meeting by Dr. Frank Clark his classmate at Wellesley.

Next week President Norman Needy will report on his recent trip to the Cleveland convention.

Plans are made for the joint inter-club picnic on July 19th with Brookline, Waltham and Watertown. Golf, softball, tennis, horse-shoes, etc. will occupy the afternoon. Dinner served at 6:30 to be followed by interesting program.

THE ABC of USA

A Series of Miniature Essays on Democracy
NATIONAL LEAGUE OF WOMEN VOTERS

1. INTRODUCTION

DEMOCRACY has become almost overnight the subject of spirited discussion among Americans. At banquet tables and across lunch counters, in limousines and on trolley cars, over radios and from pulpits, "democracy" is defined and defended and disagreed about. Just what do we American people mean by our democracy? For generations we have relaxed in the warm knowledge that our country has it and that it's a great thing. Now we have been hearing it decided. We have heard it called a futile neutral thing compared to other forms of government. We have even recently witnessed the surrender of democracies not unlike our own to the avowed enemies of democracy. We want desperately to cling to our democracy, and so we try to analyze it, and so we ask our friends, "What do you think is essential to a political democracy? Checks and balances? The rule of majority? Emphasis on the individual? A written constitution? Consent of the people? Civil liberties? Separation of powers? The federal system? Universal suffrage? . . . What things must we defend and cling to in order to preserve our democracy?" And our friends say, "Well, I haven't thought about it much in those terms. All I know is we must hang onto it." We all know that, but our democracy is no longer an institution to be taken for granted. It's time to take stock of the most precious possession we have.

MIDDLESEX SOUTH OSTEOPATHIC SOCIETY

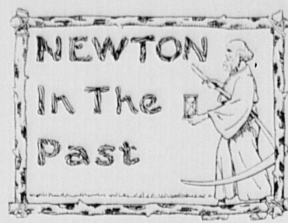

The June meeting of the Middlesex South Osteopathic Society was held at the Hotel Commander, Cambridge.

After dinner the conference was addressed by Dr. K. G. Tomajian of Boston, who was introduced by Dr. Nelson King of Cambridge, vice-president and chairman of the Program Committee.

Dr. Tomajian spoke on "Varicose Veins and Their Treatment." Newton was represented by Drs. Harry E. Cash, Walter N. Keene, Albert Leach, Ernest Marroux, Everett Pierce, C. O. Mooney.

Fireman Hurt At Newton Ctr. Fire

George McIntosh of Churchill st., Newtonville, a ladderman on Ladder 2 of the Newton fire department was injured on July 4th while fighting a roof fire at the residence of Gaetano Spezzano, 97 Florence st., Newton Center. A ladder he was handling fell onto him, injuring his ribs. He was taken to the Newton Hospital in the police ambulance. The fire started on the roof from a spark, worked into the attic, and caused damage estimated at about \$1000.

55 YEARS AGO

Newton Graphic, June 28, 1884
The concreting on the depot grounds at Newton goes on rapidly.

Centre st. from Vernon st. has been macadamized this week.

A fresh stock of fireworks, crackers and torpedoes at the lowest prices at the Newton Bazaar.

The legacy of \$50,000 left by Charles A. Read of Washington st., Newton, toward paying the national debt, has been paid to the Boston sub-treasury. (Mr. Read also left funds for the Read Fund Picnic and Read Fund lectures in Newton.—Ed.)

The milk wagon of Edward Jennings of Weston was badly smashed on Wednesday morning; the horse running away and depositing the vehicle all in a heap in front of Cole's Block.

John Irving, the florist, has taken part of John McCammon's store in Nonantum sq. and will keep a stock of plants and cut flowers there; also taking orders at his Pearl st. greenhouse.

The Boston Young Men's Christian Union ask all who are willing to assist in "Country Week" by inviting one or more poor children from the city for a visit in their homes.

Copley st. and Grasmere st. are the signs which now mark the two new, unaccepted streets running northward from Washington st. above Hunnewell "Grasmere" has an early English flavor and will be an acceptable addition to the list of highway names.

The most sensible fence we have ever seen is that on Wesley st., Newton, opposite the Methodist chapel. It does not disfigure the landscape, and is a neat, pretty fence, all iron except the corner posts, which are of wood.

At the meeting of the Board of Aldermen on Monday night the petition of Thomas Blanchard to keep his bakery store open on Sunday morning to sell brown bread and beans, was granted.

Newton High School sent out its 24th class of graduates into the world on Tuesday. The hall was crowded to overflowing at the graduation exercises. There was a fine display of greenhouse plants and the chandeliers were trimmed with vines. A handsome Howard clock was presented to the school by the graduating class. It bore the class motto—"Nunc tempus, nunc hora." The exercises were the shortest in many years, only 11 out of 31 members of the class giving orations or essays.

The "Jolly Club," a club of children, will hold a fair in aid of Pomroy Home on the grounds of J. Sturgis Potter, Walnut pk., Newton, next Monday afternoon.

50 YEARS AGO

Newton Graphic, June 28, 1889
Ice cream soda is now the popular drink at Paxton's.

Richardson st., Newton, is now nearing completion and has a road bed that ought to last 100 years, judging by the amount of stone that has been put into it.

The bottom of a glass carboy in the cellar of Arthur Hudson's drug store containing about 300 pounds of sulphuric acid, fell out Saturday afternoon. John Davis, the prescription clerk, and Dr. Hudson's son, both received burns on their arms and limbs, and their clothing was practically destroyed.

The Newton Street Railway Company has staked out the locations for the iron poles along the line of its proposed route, and the poles will be set in a few days. The rails have been ordered from the Cambria Iron works, and will probably be ready in a few weeks. The foundry at which the switches for the railroad were cast, was washed away recently in the Johnstown flood, and this may cause some delay.

St. Bernard's Roman Catholic Church at the corner of Washington and Prospect sts., West Newton, was almost totally destroyed by fire on Sunday evening, little being left above the basement but the brick walls. When the fire was first discovered at 6:35 Sunday evening, the flames were raging fiercely. It started, it is supposed in the boy's sanctuary and went up through the partitions to the roof, spreading through the rafters to the steeple, which was in flames soon after the arrival of the chemical from the firestation nearby. The cause of the fire is not definitely known, but it is supposed that a spark from the charcoal used in the censer, set fire to the boys' robes in the vestry. There are those who believe that the fire was of incendiary origin, but there is little to support this theory.

Although the firemen worked hard, there was criticism of the Fire Chief because he did not call out reserve Steamer 2, located nearby at West Newton. It is the generally expressed opinion that the chemical engine is useless at such a blaze. St. Bernard's parish was organized about 20 years ago through the efforts of Father Flood, who was its first pastor and Rev. Lawrence O'Toole is the

EDWARD H.

Powers' Paragraphs

If a type of crime or disorder becomes so frequently or regularly committed in a locality as to become associated with it, the reputation of that locality suffers accordingly. For instance—Charlestown is looked down on because of the practice of youths in that section stealing automobiles and "loping" over streets in a thickly populated district; a practice that has wrecked many cars and seriously injured a number of pedestrians. A disorderly practice which has been growing in Waltham, in connection with July 4th, is that of placing combustibles (including wood) on public streets, and burning them. We were not aware of this practice until we had to speed an automobile we were driving on a Waltham street last Tuesday night, past a blazing bonfire on a street. Later, we read in the Waltham News-Tribune of July 3rd, an article which contained a warning from the police chief of Waltham that anyone caught setting a fire on a street, would be arrested.

One day last week a woman came into the GRAPHIC office with two

present pastor. The first mass was said in a tent, and a collection taken up at that time for a church building, resulted in \$1500 being collected. The church was erected in 1871 and cost \$45,000, which was paid for in a few years. The steeple was 170 feet high.

The hearing about locating the new almshouse on Cherry st., West Newton, brought the major portion of the voters of that Ward to city hall on Monday evening, and they are unanimously opposed to this plan.

Newton Girls Summering At Quanset Sailing Camp

When the Quanset Cape Cod Sailing Camps for Girls, South Orleans, opened July 1st for the 1939 summer season, campers came from ten states. It was from the Newtons, however, that the largest group of campers went to enjoy a summer of sailing, swimming, riding and camping.

Miss Jean Roberts, daughter of Dr. and Mrs. Ben Roberts, 39 Forest ave., Newton Highlands, has been elected Chairman of the Regatta Committee of the Quanset Yacht Club. Miss Roberts will have charge of both the closed and open series of races sponsored by the club.

The Misses Louise, Virginia, and Carolyn Coleman are also attending Camp Quanset for the summer. Miss Louise Coleman is a counselor, while her two sisters are campers. The Misses Coleman are the daughters of Mr. and Mrs. George A. Coleman, 44 Bowdoin st., Newton Highlands.

Also included in the Newtons contingent at Camp Quanset are Miss Elizabeth Ann Dasey, daughter of Mr. and Mrs. Charles C. Dasey, 344 Lake ave., Newton Highlands; Miss Elizabeth Martz, daughter of Mr. and Mrs. F. L. Martz, 12 Rockledge rd., Newton Highlands; Miss Caroline Close, daughter of Mr. and Mrs. Frank D. Close, 26 White Oak rd., Waban; Miss Maurine Helms, daughter of Mr. and Mrs. W. P. Helms, 60 Oldham rd., West Newton; Miss Roberta Ann Irvine, daughter of Mrs. Walter H. Irvine, 59 Oldham rd., West Newton; and Miss Arlene Miller, daughter of Mr. and Mrs. John S. Miller, 52 Oldham rd., West Newton.

Newton Students On Honor Roll at Bryant & Stratton

Among those from this vicinity who are on the honor roll at Bryant & Stratton Commercial School in Boston for the last marking period, according to Llewellyn O. White, principal, are John Blodgett, 136 Melrose st., Auburndale, secretarial course; Miss Helene Carrier, 11 Frederick st., Newtonville, college graduate course; Miss Frances DiMurro, 107 Charles st., Waltham, secretarial course; Miss Marjorie J. Healey, 16 Hibbard rd., Newton, stenographic course; Miss Dorothy Kelly, 38 Lawrence st., Waltham, secretarial course; A. Van Cleave Meyer, 80 Beaumont ave., Newtonville, business administration; Miss Dorothy O'Toole, 58 Rochester rd., Newton, stenographic course; Miss Frances Phillips, 60 Pembroke rd., Newton, secretarial course; Robert Symonds, 75 Crofton rd., Waban, business administration; Eldredge Welton, 180 Park st., Newton, business administration; Thomas West, Kendall Green, business administration.

To be named on the principal's list at Bryant & Stratton, a student must have received grades of 90 or over in every subject but one.

petitions which she asked us to sign. One was a petition asking the Legislature to pass a bill authorizing a State lottery. The other petition asked the Legislature to have all moneys obtained from such a lottery used to pay "old age pensions," and that anyone receiving such a pension be given a minimum of \$10 a week. We told the woman that we would sign the pension for the State lottery, as we had several times advocated this means of raising badly needed revenue, and that such a method would solve to a large degree the need of additional taxes. We also told the woman that we would not sign the petition asking that all moneys received from such a lottery be used for old age pensions, at a \$10 weekly minimum. The woman circulating the petitions replied—"Good God, man, do you think \$10 a week is too much to give to an old person to live on?" We answered that we do not believe \$10 a week is too much to pay to anyone who properly should receive old age assistance, but that so many men and women are now receiving such assistance, and who have children well able to support them, that we do not believe in further encouraging this imposition on taxpayers. If the present law which specifies that children able to do so, shall contribute to the support of their parents, were enforced as it should be, we would be more inclined to further liberality in old age assistance.

We have been asked to comment on the condition of Farlow Park. This former beauty spot at Newton was created about 55 years ago, partly through the beneficence of John S. Farlow, a former public-minded Newton citizen and benefactor, and partly through heavy assessments levied on property owners in Wards 1 and 7. Through many years it was kept in a quite attractive condition by the city. It should receive proper attention now.

Recently the police department prohibited the use of public sidewalks at Newton Centre for the display and sale of merchandise, mostly fruit and vegetables. This action followed complaints by citizens and merchants who confined their business activities to their own premises. Members of the city engineering staff made surveys of the sidewalks to determine that the offenders were using public sidewalks. Similar illegal use of sidewalks in business districts in other villages of Newton should also be prohibited by the police. A certain chain-store at Nonantum Square, Newton Corner, has for several years been using much of a sidewalk needed in its entirety for the heavy pedestrian traffic at this place. Not only has this market been occupying much of the sidewalk for the display of fruit and vegetables, but employees at the store have stood on the sidewalk at times, hawking the merchandise for sale. Last week a tonic stand was placed on the sidewalk and bottles of tonic sold to persons passing by, to be drunk while the customers stood on the sidewalk. Only a small number of Newton storekeepers have resorted to such misappropriation of public sidewalks for the conduct of their business. They all should be prohibited from doing so.

It frequently happens that someone not involved to the slightest degree in a controversy, becomes the goat. Such a thing occurred the past couple of months in the case of the differences between the Mayor and the Board of Aldermen regarding Sergeant Mechanic Cullen. As a result of communications between the Mayor and the Civil Service Commission regarding the status of Cullen, following the action of the Aldermen in abolishing the office of sergeant-mechanic, it was announced that Cullen would remain as a sergeant, and that the last sergeant appointed would be demoted to the rank of patrolman. This sergeant is Daniel Cleary of California st., Nonantum; a man of high character and with an excellent record as a police officer. Cleary, thrice commended for courageous performance of duty, and the father of three small children, naturally did some worrying at the prospect of a considerable decrease in his income. The ruling of City Solicitor Bartlett regarding Cullen, serves to lessen Cleary's worries.

We have been informed by the committee of the Women's Clubs in charge of the campaign to eradicate ragweed in the Newtons, that the Braeburn and Woodland Golf Clubs are giving excellent co-operation, and that the staff of the Newton Community Chest has also been assisting in clerical work. All Newton residents should co-operate in this campaign.

Recent Weddings

PIPER—STEPHEN

On Saturday, the first of July, Miss Mary Catherine Stephen, daughter of Mrs. Alexander L. Stephen of Waban, was married to Mr. William S. Piper, Jr., of Shaker Heights, Ohio, son of Mr. and Mrs. William S. Piper of Worcester. The Rev. Joseph C. MacDonald officiated at the 4 o'clock ceremony, which was held in the garden of the bride's mother.

The bride, who was escorted by Mr. Louis O. Tilton of Waban, wore a gown of white lace and net. Her heirloom veil, belonging to the bridegroom's mother, was caught to a cap of rosepoint lace, and she carried a bouquet of white gladioli and lilies-of-the-valley. The honor attendants, Mrs. Kirkwood B. Brown of Waban, and Miss Elsie Stephen, sister of the bride, were gowned in frocks of turquoise mousseline de soie with which they wore leghorn picture hats and carried yellow gladioli and blue delphinium. The bridesmaids, Miss Virginia R. Owen of Waban and Miss Elizabeth Stephen of Waban, another sister of the bride, wore similar dresses of yellow mousseline de soie with leghorn hats and also carried yellow gladioli and blue delphinium.

Mr. James E. Spellman of Worcester was best man for Mr. Piper, and the ushers were Randall H. Piper of Holden, Joseph G. Kraetzer of Lexington, and Henry N. Deane of Holden.

Following a wedding trip to England, Scotland and France, the couple will make their home in Cleveland, Ohio, where Mr. Piper is a member of the faculty of the University School. Mrs. Piper was graduated from Mount Holyoke College in 1934. Mr. Piper attended Deerfield Academy and was graduated from Bowdoin College in 1931. He is a member of the Delta Upsilon fraternity.

KERIS—SHARPE

Miss Florence Hilda Lillian Sharpe, daughter of Mr. and Mrs. Frank H. Sharpe of 472 Dedham st., Newton Centre, was married to Stephen Joseph Keris of Needham on Friday evening, June 30, at eight o'clock in the Newton Centre Methodist Church. Rev. John C. Winget performed the ceremony.

The bride wore a princess gown of white lace over satin and tulle veil trimmed with orange blossoms and pearls. She carried a bouquet of gardenias, sweet peas and baby's breath. Miss Mary Sharpe of Newton Centre, sister of the bride, was the maid of honor. She wore a princess style gown of pink lace and net with a heart shaped headress and short veil. Her bouquet was of pink roses and white sweet peas. The bridesmaids were Miss Anna Baldwin Sharpe, sister of the bride of Newton Centre, Miss Helen Boyd of Waltham, Miss Harriet Raynes of Middleboro, Conn., Miss Rhoda Barnicote of Quincy and Miss Claudia Clark of Rochester. They wore gowns of aquamarine in princess style with heart shaped headress and short veils to match and carried roses and sweet peas.

John Joseph Keris, brother of the groom of Needham, was the best man. The ushers were Ernest C. Sharpe, brother of the bride of Newton Centre, who was the head usher, Joseph Keris, brother of the groom of Needham, Alfred Sumner Sharpe and George Herbert Sharpe, brothers of the bride of Newton Centre, and William Arnold Lawless of New York.

A reception was held at the home of the bride's parents following the ceremony.

On their return from a wedding trip to Maine, Mr. and Mrs. Keris will reside in Newton.

The bride is a graduate of the Framingham Normal School. The groom is employed by the Sherman Paper Products Co.

MILLER—DUNN

Miss Sabina Margaret Dunn of 15 Hamilton st., Newton Lower Falls, daughter of Mrs. Sabina B. Dunn and the late Patrick Dunn, was married to Walter F. Miller of Nevada st., Newtonville, at four o'clock on Saturday afternoon, July 1, in St. John's rectory, Wellesley Hills. Rev. Henry Reardon performed the ceremony.

The bride wore a gown of white mousseline de soie with panels of princess lace, and hat to match. She carried a bouquet of delphinium and lilies of the valley. Miss Anne Dunn, sister of the bride, was the maid of honor. She wore a gown of aqua lace and net with a large hat to match, and a corsage of Columbia roses.

Martin Glavin of Jersey City, New Jersey, was the best man.

A reception was held at the home of the bride.

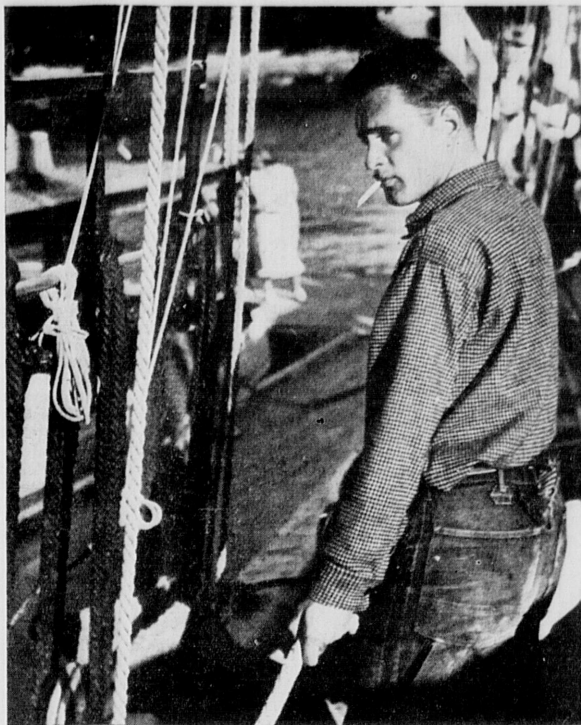

On their return from a wedding trip to the White Mountains, Mr. and Mrs. Miller will make their home in Newtonville.

ENGEL—VIOLE

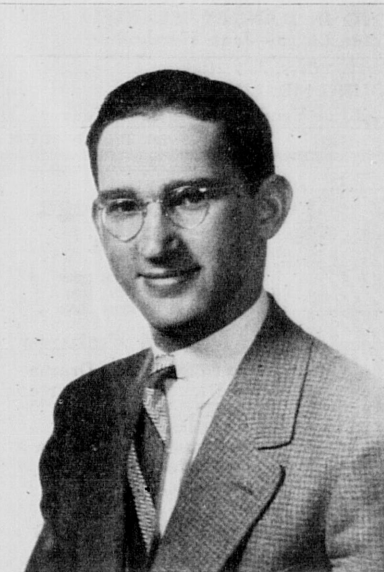

Miss Eva M. Violi, daughter of Mr. and Mrs. Frank L. Violi of 457 Washington st., Newton, was married to Richard S. Engel, son of Mr. and Mrs. Carl Engel of Worcester, on Tuesday afternoon, July 4, in the Immanuel Baptist Church, Newton. Rev. Otis B. Heath performed the ceremony at four o'clock.

The bride was given in marriage by her father. She wore a princess style gown and a white net veil with a Juliet cap. Her bouquet was of Easter lilies and gardenias. She was attended by her sister, Mrs. Leonard D. Hill of Newton, as matron of honor. Another sister, Miss Priscilla Violi of Newton, was the bridesmaid. Mrs. Hill wore pink chiffon and carried a bouquet of delphinium. Miss Violi wore peach chiffon and also carried delphinium.

On their return from a wedding trip, Mr. and Mrs. Engel will make their home in St. Louis, Mo.

Upper Left—Harold B. Evans of Walnut st., Newton Highlands, first mate and navigator on schooner "Bowdoin" with MacMillan's expedition. (Photo by E. J. Weaver.)
Lower Left—Fong Gim Pon, son of Charles (Yee) Fong of Centre st., Newton, came to Newton last September from Canton, China.

Upper Right—Charles E. Woodward, Jr., of Homer st., Newton Centre, member of crew of "Bowdoin" with MacMillan's expedition.
Lower Right—Chauncey W. Waldron, Jr., of Highland ave., Newtonville, member of crew of "Bowdoin" with MacMillan's expedition.

CURTIS—UPHAM

Miss Patricia Wilson Uphem, daughter of Mrs. Samuel Rice Uphem of Claremont, New Hampshire, was married to Donald McBurney Curtis, son of Mr. and Mrs. Ben Aldrich Curtis of 150 Newtonville ave., Newton, on Saturday, July 1, in Trinity Church, Claremont, New Hampshire. Rev. Robert Dunn of Claremont and Rev. Richard Cummings of Cambridge performed the ceremony at four o'clock.

The bride was attended by Mrs. John E. Angell of Springfield as matron of honor. The bridesmaids were Mrs. George E. Hall Jr. of Scarsdale, New York, Miss Margaret Brooks of New York, Miss Barbara Walcott of Claremont, N. H., and Miss Sally Uphem of Newton Centre.

Robert McBurney Curtis of Newton, brother of the groom, was the best man. The ushers were Robert C. Vincent, Jr. of New York, Henry P. Walker, Jr. of Jamaica Plain, Dr. Rutledge W. Howard of Boston, Winthrop C. Cook of Hingham and Robert L. Smith of Newton.

On their return from a wedding trip Mr. and Mrs. Curtis will make their home in West Newton.

The bride is a graduate of the Walnut Hill School. The groom graduated from Princeton University in 1932 and from the Harvard Law School in 1935.

HAMMOND—LEACY

Miss Ethel Bernice Leacy, daughter of Mr. and Mrs. H. Maynard Leacy, was married to William Henry Hammond of 51 Bedford st., Waltham, on Friday evening, June 30. The ceremony was performed by Rev. Otis A. Heath of the Immanuel Baptist Church, Newton, at eight o'clock in the home of the bride's parents at 111 Galen st., Watertown.

The bride wore a gown of white satin with inserts of lace and a long veil. Her shower bouquet was of white sweet peas and roses. She was attended by her sister, Miss Ruth L. Leacy, as maid of honor, who wore a gown of powder blue lace and net and carried a bouquet of Talsman roses and baby's breath. Carolyn Davis, niece of the bride, was the flower girl and Ronald Coates, a nephew, was the ring bearer. Charles Hammond, brother of the groom, was the best man.

A reception followed the ceremony. The couple were assisted in receiving by Mr. and Mrs. James Hammond, parents of the groom, Mr. and Mrs. Leacy and the bridal attendants. The home was decorated with French palms and roses. The ceremony was performed under an arch of roses.

Miss Jeraldine Shelly was the soloist, and Mrs. E. H. Woodworth, sister of the bride, played the wedding march.

On their return from a wedding trip to Niagara Falls and New York Mr. and Mrs. Hammond will reside on Summer st. in Waltham.

JAMISON—LANGENBACH

Mr. and Mrs. Raymond Theodore Langenbach of 41 Garrison rd., Brookline, announce the marriage of their daughter, Priscilla, to George Marshall Shipman Jamison, son of Mr. and Mrs. Walter Jamison of Newtonville, at Cincinnati, Ohio, on Wednesday, June 21.

Mrs. Jamison is a graduate of the Lee School and of Bennett Junior College. She made her debut in the season of 1935-1936. She was also a member of the Gloucester Theatre School of the South Shore Players of Cohasset. Mr. Jamison is a graduate of the Newton High School and attended the New England Conservatory of Music in the drama department and Yale University. Last year they were both students in the School of Drama at Yale University. They will play leading roles in the cast of the Antioch College Summer Theatre at Yellow Springs, Ohio, and in the Fall will be principals in a co-operative stock company which will open in Cincinnati, Ohio.

The bride is a sister of Mrs. Truman H. Brackett of 13 Leewood rd., Newton Centre.

Recent Engagements

Mr. and Mrs. Donald R. Hyde of Cold Spring, N. Y., announce from their home in Hyannisport, Mass., the engagement of Mrs. Hyde's sister, Miss Sally Weston, of New York and Hyannisport, Mass., to Gilman Angier, son of Mr. and Mrs. George Angier of Newton. Miss Weston is the daughter of the late Mr. and Mrs. Franklin Weston, of Dalton, Mass. and New York, and granddaughter of the late Hon. Byron Weston of Dalton, and of Mr. Edward S. Brewer of Springfield, Mass. She attended Miss Porter's School in Farmington and the Florence School for Girls, in Florence, Italy.

A small wedding will take place in the fall.

MCGRATH—CURRIE

Miss Cecilia E. Currie of 326 Fuller st., West Newton, daughter of Mr. and Mrs. Michael Currie of New Waterford, Cape Breton, Canada, was married to Maurice W. McGrath, son of Mr. and Mrs. Patrick J. McGrath of 44 North st., Newton Centre, on Monday morning, July 3, at nine o'clock in St. Bernard's Church, West Newton. Rev. Thomas L. Boland performed the ceremony.

The bride wore a gown of ivory satin in princess style and a veil of tulle. She carried a bouquet of Easter lilies. Miss Anna Mae Currie, sister of the bride of West Newton, was her only attendant. She wore a gown of yellow tulle and carried a bouquet of yellow roses and blue delphinium.

Cornelius O'Neill of Newtonville was the best man.

A reception was held at the home of the bride's sister, Mrs. George Darr of Waltham.

On their return from a wedding trip to the home of the bride's parents in Canada, Mr. and Mrs. McGrath will reside at 60 Chestnut st., West Newton, where they will be at home after July 15.

Start Weekly Book Service To Playgrounds

Beginning next Wednesday, July 12, and continuing for seven weeks, the Newton Free Library truck will operate a book delivery for children once a week at six playgrounds. The Wednesday morning schedule calls for three Nonantum playgrounds; Boyd, at about 9:30; Stearns, at 10:15 or 10:30; Hawthorne, soon after 11 o'clock. Thursday mornings will be devoted to the South Side: Thompsonville, at 9:30; Highlands, at about 10:15, and Upper Falls, probably after 11 o'clock.

Children wishing to borrow their books for home reading from the playgrounds during these seven weeks, instead of going to their branch libraries, should bring their library cards with them next week. The playgrounds which are to have this service this summer were suggested by Mr. Ewing Wilson, Acting Playground Head. If the patronage warrants, and the Library can afford further extension of this service, other playgrounds may be added to the schedule next year.

Arrested After Alleged Assault On Young Woman

Robert Metcalf, 25, an orderly at the Newton Hospital, was arrested about 4 o'clock Wednesday morning by Patrolmen Concannon and Hickey for alleged assault on Lillian Cohen, 26, of 870 Walnut st., Newton Centre. According to Miss Cohen's story to the police, she had been at Revere Beach and was coming home alone when she met Metcalf on a street car. Upon reaching Newton Corner he offered to escort her to her home. She stated that while walking through Cabot Park, Metcalf knocked her down. Her screams aroused neighbors who telephoned police headquarters. Metcalf was arrested by the police on Washington st., near Mount Vernon st., Newtonville and was identified by the Cohen woman as her alleged assailant. He was arraigned in the Newton court on Wednesday and held in \$100 bail for a hearing on July 12.

Threw Firecracker And Is Fined \$25

Angele Tocci, 22, of 127 Linwood ave., Newtonville, was fined \$25 in the Newton court on Wednesday for assaulting Frank Dalo, 46, of 43 Faxon st., Nonantum. Dalo testified that on the night before July 4th, Tocci hurled a firecracker toward him and it exploded near his face. When he rebuked Tocci, the latter replied: "After all, it's the Fourth of July." According to Dalo, he was then assaulted by Tocci, who was assisted in the attack according to Dalo by two girls and two other youths. Dalo's eyes were broken in the assault. Tocci claimed that Dalo struck the first blow, and that he had thrown the firecracker at a friend instead of at Dalo.

Gave Two Wallops, Pays \$25 for Each

William McCloskey, 30, of Gay Head st., Jamaica Plain, was fined \$50 by Judge Mayberry in the Newton court on Wednesday for assaulting Thomas Forbes of 37 Carleton st., Newton. Forbes testified that McCloskey had been calling on a young woman at the Carleton street address, and that he ordered the Jamaica Plain man to leave the house. An argument followed and McCloskey challenged Forbes to step outside. Forbes did so, and received a wallop on the mouth, and another on the side.

Arrested For Drunken Driving

Henry DeMichalis, 50, of 16 Sullivan ave., Upper Falls, was arrested Tuesday morning by Patrolmen Hickey and Concannon after the car he was driving had hit a parked automobile opposite 749 Washington st., Newtonville. He was arraigned in the Newton court on Wednesday and his case continued. DeMichalis was slightly injured in the crash. He stated that his car was forced into the parked car by a passing automobile.

'Plum Pudding' Wood

Plum pudding not only refers to a delectable English pastry, but to a very rare figure in mahogany. This beautiful wood has a tremendous range and variety in figure; from plain flat cut and striped figures, the patterns in mahogany range to the broken stripes, the mottles, fiddle-backs; croches and swirls in occasional logs display blistered burl and many other interesting figures.

WITH THE GREATEST OF EASE DRINK HOOD'S BUTTERMILK TASTE THE DIFFERENCE

United States Produces Largest Supply of Corn

Early Colonists raised crops of Indian corn from the first, and many times corn saved them from starvation, for they seemed to fail in their small wheat fields. It was corn that kept them supplied with bread, observes a writer in the Rural New-Yorker.

In all the years since then, corn has been the great American cereal crop. "Corn is King" in most of our north central states.

More than half the corn in the world is grown in the United States. The second country in corn production is Argentina, the third is Soviet Russia and the fourth is Brazil. Leading all our states, Iowa, with her 11,000,000 acres planted to corn can produce an annual average of 400,000,000 bushels. More than half of Wisconsin's 2,400,000 acres of corn are cut into the silos.

The pioneers of America made constant use of corn for their daily needs, but the program was pretty much the same, day after day. They had coarsely ground meal, hulled corn and parched corn. Then in mid-summer there were the roasting ears. They had the corn-meal mush and, on special occasions, the Indian pudding.

Their grinding mills of those pioneer days were only the simple outfits that Indian women had used for centuries before. Rude little hand mills, as they were, only enough ground or cracked corn was furnished to supply the household from day to day. After a few years the Colonists rigged up larger millstones and, later, harnessed the water power for their operation.

New World's Oldest Book Rests in Texas Library

A copy of "Doctrina Breve," oldest book printed in America, rests in the University of Texas library.

The volume, which the librarian says is one of three in the United States, is a catechism printed in Mexico in 1543 and 1544 by Bishop Juan de Zumarraga, whose printing press was the first brought to the New World. Zumarraga had printed books in America three years earlier, but none of those are known to exist now.

The Spanish volume, bound in heavy Spanish leather decorated with gold tooling, is in an excellent state of preservation, according to the Latin-American librarian at the university.

"Doctrina Breve" is included in a collection of 160 volumes and 50,000 pages of manuscripts obtained by purchase from heirs of Joaquin Garcia Icazbalceta, noted Mexican historian and collector.

Among the manuscripts is a letter from Hernando Cortez to Emperor Charles V of Spain, written October 15, 1545.

Egyptian Tombs of Notables

King Chephren, builder of the Second Pyramid of Giza, lived in 2650 B. C. He was the son of Cheops, who built the Great Pyramid, and the pyramid he built is almost as large as that of his father. The tomb of his wife, Ka-Ousert, has been discovered, as also the tomb of the superintendent of his palace, Khort-Maat, who is represented by a statue whose body is carved from the rock but whose head is made of white Turah limestone and fitted on to the shoulders. The tomb of Chephren's "Purification Superintendent" was also found, as well as that of his secretary, Nofor-Hotop, and also the tomb of Ka-Hor-Isot, the "man who purified the king."

Nautical Terms

The following are some nautical terms: A fathom is 6 feet. Knot—A nautical mile—commonly called a knot—is 6,080 feet, or 1-1/7 land miles. Formerly, a ship's speed was measured in miles per hour, by the number of log-line knots—50 feet apart—passing a given point in 30 seconds. Log: (a) An instrument towed by a vessel at the end of a long line, recording approximate distance traveled. (b) Official daily record of a voyage, including weather, wind, direction and velocity, distance traveled, etc. Port: As one aboard ship faces the bow, the port side is on the left. Starboard: As one aboard ship faces the bow, the starboard is on his right.

Marriage Custom From Zulus

South Africa's strangest marriage custom for Englishmen dwelling there is taken from the Zulus. The custom is that of presenting the bride's father with a bride payment, or "lobola." Since the "lobola" consists of cattle among the Zulu people, residents of South Africa, who practice the custom present the father with tiny replicas of cattle, dogs and other animals and these are displayed in the bride's old home.

First Oil Well in America

The first oil well in America, the "Old American," was probably drilled about March, 1829, on Little Renox creek, near Burkesville, Ky. The oil was sold as a "cure-all" for years, both in America and Europe. The modern petroleum industry owes its origin to an oil well "drilled" by Col. Edwin L. Drake, near Titusville, Pa. It came into production on August 27, 1859, a date now generally observed as that of the start of commercial production of oil in the United States.

—Mrs. Wesley Dines of Pembroke st., one of the directors of the Village Players, is playing with the Straw Hat Theatre Company, a new summer theatre, which has just opened at Brattle Hall, Cambridge.

—David M. Murray of Centre st. served as best man for Paul Newton Otto, who was married to Miss Marjorie Marsh, daughter of Dr. Daniel L. Marsh, president of Boston University, in St. Mark's Methodist Church, Brookline.

—After a trip to California, Mr. and Mrs. Ralph K. Allen, the former Ruth Foss, daughter of Mrs. Elizabeth W. Foss of Newton, will reside at their new summer home on the Allen Estate in the Birches at Weymouth, Mass. They will be at their winter home after December 1st.

Upper Falls Woman Left Children

Mrs. Catherine Gingras, 33, of 7 Winter st., Newton Upper Falls, was arraigned in the Newton court last Friday on a charge of neglecting her three children. A representative of the Society for the Prevention of Cruelty to Children testified that the woman, a widow, left her children alone the preceding week, and when her absence from her home continued, the children went to their grandmother at Nonantum. When she returned to her home on June 28 she was arrested. She told the police she had been stopping in Boston. Two of the children were turned over to the State Department of Public Welfare; the third child was placed in the custody of Emily Hickey, assistant probation officer. The mother was given a suspended sentence to Sherborn prison.

Arrested for 1937 Waban Burglary

Ralph D'Ovilio, 22, of 63 Poole st., Medford, was arrested on Sunday by police of that city and turned over to Captain Goode and Lieut. Crowley of the Newton police. He was arraigned in the Newton court on Monday and released on \$1000 bail when the case was continued. He is charged by Newton police with having entered the home of the late Dr. Timothy Sullivan at 750 Chestnut st., Waban, on the night of May 31, 1937. A neighbor notified police and one of the two burglars surprised in the house was captured by Patrolman Dalton after a chase. The other, allegedly D'Ovilio, escaped, and police have since been watching for him. He denies having been involved in the burglary.

CHRISTIAN SCIENCE

"Sacrament" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, July 9. The Golden Text is: "Create in me a clean heart, O God; and renew a right spirit within me" (Psalms 51:10). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion for ever and ever" (1 Peter 4:11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We walk in the footsteps of Truth and Love by following the example of our Master in the understanding of divine metaphysics. Christianity is the basis of true healing. Whatever holds human thought in line with unselfed love, repairs directly the divine power" (p. 192).

H., last Wednesday. The group left by special bus at 10 o'clock and arrived there for refreshments. Games were participated in by the mothers under the direction of Mrs. Sandstrom.

People In This Week's Graphic

The photographs on pages 2 and 3 of this week's GRAPHIC are those of several interesting Newton residents. That of the smiling little girl was taken at the Newton Hospital. She is Nancy Crane, 5, of Oakland st., Newton, who was released from the hospital on Wednesday, June 28. On July 18, 1938, little Nancy, then not quite 5 (her birthday is in August), was playing with matches in the yard of her home at Oakland st., Newton. Her dress caught fire and she received terrible burns; third degree burns which covered her entire body from her chin to the middle of her thighs. She was rushed to the Newton Hospital and for months was critically ill with all the pain that such an affliction can cause. She received 8 blood transfusions, 9 skin grafts, had two plastic surgical operations on her neck, was on a Bradford Frame for 1½ months, and in a hyperextension position 4 weeks. Through all this ordeal, little Nancy was a wonderful little patient, and won the love of all the hospital staff. Her suffering was alleviated to some extent by a birthday party arranged for her at the hospital last August, and by other parties at Thanksgiving, Christmas and Easter. Her remarkable recovery attests the skilled care she received at the hospital.

The young man shown handling the rigging on the yacht is Harold B. Evans of 157 Walnut st., Newton Highlands, now on his way to the Arctic in the schooner with the MacMillan expedition. He is first mate and navigator of the boat. Mr. Evans has been a seafarer since boyhood. After engaging in small boat races at Duxbury as a boy, he spent the summer of 1934-35 sailing his 30 foot cutter at Marblehead and cruising the New England coast. In August, 1935 he was a member of the crew of the ketch Brixham, which sailed from Halifax to England. For the past three summers he has been a member of Commander MacMillan's expeditions to the Arctic. Last year he went as second-mate of the "Bowdoin." He graduated from Dartmouth in 1938, and on April 21 of this year was married to Miss Janet Piper of Lyme, New Hampshire.

The young man with the eyeglasses is Chauncey W. Waldron, Jr., of 201 Highland ave., Newtonville; also a member of the MacMillan expedition. He was also a member of the "Bowdoin's" crew last summer. A student at Tufts, he is interested in geology and has taken special instruments along to ascertain the speed of glaciers which empty into the Arctic at Disko Bay, Greenland. One of these glaciers has a reputed speed of 100 feet a day, and they are supposed to be the sources of many of the icebergs which menace the North Atlantic. The Danish government prohibits ships landing at Greenland, but the MacMillan expedition obtained special permission.

The third young man whose photograph appears in this week's GRAPHIC is Clark E. Woodward, Jr., of 101 Homer st., Newton Center. He is also a member of this year's MacMillan expedition to the Arctic, and of the crew of the "Bowdoin." He graduated from Wilbraham Academy in 1938 and is a member of the class of 1942 at Bowdoin. Young Woodward is interested in navigation.

The boy making the appeal for "Relief in China" is Fong Gim Pong, 13 year old son of Charlie (Yee) Fong, veteran Newton laundryman of 409 Centre st., Newton. Little Mr. Fong is a quite serious and polite youngster. He arrived in Newton last September from Canton, China, and attends the Underwood School. His brother calls him "Jimmie" Fong, a nickname which does not meet with the approval of Gim Pong.

The elderly man's photograph is that of Kenelm Winslow, who retired last month as principal of the Stearns School at Nonantum after 31 years of service there.

Origin of Patents

Article I, section 8 of the Constitution of the United States provided that congress shall have power "to promote the progress of science and the useful arts by securing for limited times to authors and inventors the exclusive rights to their respective writings and discoveries." The first act of congress, passed April 10, 1790, placed the granting of patents in the hands of the secretary of state, the secretary of war and the attorney general. Thomas Jefferson, as secretary of state, personally examined many petitions for patents. By act of July 4, 1836, the patent office was established under a commissioner of patents and the general outline of the patent law fixed. When the department of the interior was established by act of March 3, 1849, the patent office was transferred to its jurisdiction. On April 1, 1925, it was, by executive order of President Coolidge, transferred to the department of commerce.

Piratical Emblem

The marine research society of Salem, Mass., says that it has no exact information as to how the name Jolly Roger originated, but it was in use as early as 1720, when it was employed by Captain Roberts. In early times Roger was a canting term for rogue, and a Jolly Roger, therefore, would have its meaning as a jolly rogue.

Having Opinions

"Every man is entitled to his own opinion," said Hi Ho, the sage of Chinatown, "but opinions are sometimes like small children. The worse they behave the prouder their parents seem."

West Newton

—Miss Louise M. Wood of Sterling st. left the first of this week for a trip to California.
—Mr. Elmer H. Billings and family of 33 Prince st. spent last week-end in Windsor, Vermont.
—Miss Carol C. Shepard has completed a month of volunteer work at Children's Island in Marblehead Harbor.

—Mr. and Mrs. Leonard Spaulding of New Jersey with their son and daughter have been visiting Mr. and Mrs. Harry Whitaker of Bradford rd. Mrs. Spaulding is the former Natalie Whitaker.
—Mr. Leo J. Hession of Dickerman rd. has as his guest this week at his summer home on Northfield Mountain, Mr. George B. May of Lincoln st. and Mr. and Mrs. B. Lynch of Stoughton, former residents of this village.

Three Arrested In Gambling Raid

Last Friday afternoon Captain Goodie and Lieut. Crowley of the Newton police raided a tenement at 470 Watertown st., Nonantum, seized a quantity of gambling slips used in horse race betting, and arrested Henry Coffey of 47 Union st., Watertown, and Thomas Prendergast of 51 Boyd st., Watertown, who were present in the room where the gambling was allegedly being conducted, and where bets were being received over two telephones. The police went to the house, which contains a few tenements, and by the frequent ringing of the telephones, found the room where the gambling was being conducted.
A warrant was later obtained for Morris Hoffman, who resides at the house raided. He surrendered at police headquarters. In the Newton court on Saturday Hoffman was fined \$50 for conducting the gambling place. Coffey was fined \$50 for registering bets, and Prendergast was fined \$5 for being present.

STUDEBAKER CHAMPION

Holds 2 new A.A.A. records

27 1/4 miles per gallon

15,000 MILES
IN LESS THAN
\$660 15,000 MILES

for a Champion Coupe delivered factory South Bend, Indiana

TWICE, during June, the good-looking new Studebaker Champion set A.A.A. records. First, for economy—a stock Champion traveled coast-to-coast and back for a 27 1/4 miles per gallon average. And then for endurance—on the Indianapolis Speedway that same Champion and a team mate went 15,000 continuous miles each in less than 15,000 consecutive minutes. Get this car that's a Champion in fact and in name. Its low price includes many advancements. Low down payment—easy C.I.T. terms.

Camp Day

(Continued from Page 1)

ants. For the current season the following men were appointed:

Baseball—Prescott Coan of Amherst College and Newtonville.

Tennis—Stanley Sumner of Hebron and Allston.

Volleyball—Cyril Breza of University of Alabama and Pittsburg, Pa.

Basketball—Warren Kelley of Hebron and Watertown.

Mass Games and Track—Richard Kelley, teacher at Northboro High.

Hikes—Walter Ward of Harvard and Cambridge.

Advanced Swimming—Alan Smith of the University of Alabama and Auburndale.

Life Saving—Jack Hancock of Wesleyan.

Sailing—Richard Hess of Queens College and New York City.

Canoing—David Kingsbury of Williston Academy and Shrewsbury.

Nature Study—Fred L. Daye, retired teacher of Coburn Academy.

Craft Work—Sidney Roberts, teacher, and of Dorchester.

Camp Paper—Camper Charles Gibson of West Newton.

Music and Dramatics—Frank Pellican of New York City.

General Program—C. Evan Johnson, teacher-coach at Newton High School.

General Chairman of Waterfront activities—Thomas F. O'Donnell, teacher-coach at Dedham High School.

Chapel in the Moonlight

A barchark constructed altar bathed in the light of a full moon was the setting for the first Sunday evening vespers on last Sunday as the entire Camp took part in religious observance on last Sunday night. Director Clyde G. Hess called attention to the blessings of such a night, and the beauties of nature unfolded by the clearness of the night. He cited the fact that such a service was unusual to Camp Day, at the late evening hour, but such a night would not be complete without the late service.

A trumpet duet was played by David Ashton of Somerville and Paul Harriman of Newtonville to conclude the evening's service. Played first from the deep recesses of the woods, and then further selections from the lake a never-to-be-forgotten night was completed.

Holiday Celebration

Independence Day was celebrated at Camp Frank A. Day on Tuesday last by a full day's series of events that thrilled campers and the hundred guests in a similar manner. A close baseball game furnished the chief attraction of the morning when the counselors in the guise of the Hoboes edged out the campers by a score of 7-6. Dick Miller, shortstop for the Morgan Park High School of Chicago, and Jack Wood of Needham were the outstanding players for the counselor team while Bobby Tibolt of Oak Hill, Walter McGill of Newton and Chuck Johnson of Walpole contributed the outstanding bits for the campers team.

The entire afternoon was filled with water sports for all individuals, even the members of the non-swimming class were able to enter into special events. Starting with the twenty-five yard dash by tent competition, and proceeding through the hilarious night gown race, the boys were overjoyed at the comedy sights and thrilled by the more serious competition. The climax of the Carnival was the Watermelon Free-for-all when seven tent representatives of the Senior Group lined up at the raft, and at the signal of starter Pressy Coan dove into the water, and raced for the greased watermelon twenty yards away. The fun and good-natured wrestling in this event was paralleled by the endeavors

EVERTS ELIMINATED BY DEFENDING CHAMP IN NATIONAL TOURNEY

Albert Everts, Newton high tennis star and sectional singles champion, was eliminated from the national tourney held at Haverford, Pa. this week. Everts' nemesis was the defending champion, Jack Kramer, of Montebello, California. Everts captured the first set by a 6-1 score through the frequent errors of his rival, who was nursing a blister on his racket hand. Kramer regained his form in the succeeding two sets to win the match 1-6, 6-3, 6-0.

The doubles tourney Everts and his high school teammate, Ernest Johnson, were eliminated by the Philadelphia team of Vogt and Seijas in a three-set match, 6-1, 1-6, 6-2.

Everts and Johnson were prominent factors in the success of the Newton high school tennis team this past season which stretched an undefeated string begun several years ago to the amazing figure of 49 over high school teams and 41 over all opponents.

This year the Newton team very nearly duplicated their 1938 record, garnering 22 points and again placing three of the four semi-finalists in the annual interscholastic tourney. In 1939, however, Everts a semi-finalist in 1938 won the individual school boy title handily defeating Ray Nasher of Boston Latin, seeded two, in three straight sets. Ernie Johnson, semi-finalist in 1938 was again a semi-finalist in 1939. Phil Scanlon, a junior, was the third Newton player to reach the final rounds, having to dispose of his team-mate, Jack Lynch in the quarter-finals. Boston Latin placed second this year with 10 1/2 points, most of which were won by Nasher; and Winchester and Melrose tied for third with nine points, both teams being well-balanced and well-grounded in strokes.

Newton entered its final match of the season with Winchester favored to win, because of the showing in the interscholastics, although Winchester also entered the match undefeated in dual competition. The orange and black players victimized their rivals to the tune of 8 to 1. Newton had previously upset the Suburban League champions, Melrose High, 6 to 3, having won all the singles and sent relatively inexperienced sophomores and junior doubles players into battle the Melrose titans. Newton had upset undefeated Brookline, 8 to 1, at Brookline in a match far tighter than the score indicates. Krueger and Lynch were off form and the Winchester players approaching a season's climax.

The Record

Newton 5 Huntington School, 0.
Newton 10, Haverhill 1.
Newton 7, Attleboro 0.
Newton 5, Lynn English 1.
Newton 8, Worcester Academy 1.
Newton 9 Boston Latin 0.

Interscholastics, Newton first.
Harvard Interscholastics—won by Everts, singles; Everts and Johnson, doubles.

Newton 6 Melrose 3.
Newton 8, Brookline 1.
Newton 8, Winchester 1.

Meanwhile the second team at Newton which plays a schedule composed principally of varsity teams of smaller high schools had been winning its matches dropping a close decision only to Malden varsity, 5 to 4.

The second team record:
Newton Second Team 8, Medford Varsity 1; Newton Second Team 4, Needham Varsity 4; Newton Second Team 4, Wellesley Varsity 0; Newton Second Team 4, Needham Varsity 1; Newton Second Team 4, Malden Varsity 5; Newton Second Team 5, Waltham Varsity 0; Newton Second Team 3, Brookline Second Team 0.

Captain Al Everts won 27 matches for Newton High this season and lost none. Other Newton players to go through the season without a defeat include Stan Collinson doubles specialist and Clark Fisher, second team veteran.

Scanlon, Lynch, Johnson and Bill Betz of the varsity team lost their only inter-school matches when they met defeat in the high school tournament.

With Betz, Scanlon, Lynch, Collinson, Richard Daly, Clark Fisher, and Bill Woods as a nucleus for 1939, Coach Walter Taylor is looking forward to another good season in 1940, although Winchester and Melrose may be counted upon again to present strong opposition.

Leon Kreuger and Bob Coleron also played regularly on the varsity team, Kreuger bearing the No. 5 assignment in most of the matches and Coleron pairing with Bill MacLellan to make a fairly strong doubles pair. In all 27 boys played in inter-school matches for Newton. Dana Robinson '41 was varsity manager and will be manager

**MORTGAGEE'S SALE
OF REAL ESTATE**

By virtue and in execution of the power of sale contained in a certain mortgage given by Charles T. Noble and Bessie S. Noble, his wife, in her right, both of Newton, in Middlesex County, Massachusetts, to the Newton Centre Savings Bank, dated the fourth day of January, 1938, recorded with Middlesex South District Deeds in Book 521, Page 186, for breach of the conditions of said mortgage, and for the purpose of foreclosing the same, the undersigned, as trustee of said mortgage, do hereby certify that on Tuesday, August 1, 1939, at ten o'clock in the forenoon, on the premises hereinafter described, there will be sold at public auction the premises described in said mortgage, to-wit:

A certain parcel of land and the buildings thereon, situated on the north side of Lincoln Street at land now or late of Winthrop Turrell and Elizabeth H. Turrell, and designated as the lot lettered "M" on a plan drawn by Henry F. Bryant and Engineers, dated August 31, 1928, filed in Middlesex South District Registry of Deeds, Book 517, and bounded and described as follows:

"SOUTHEASTERNLY by Hammonds Wood Road, ninety and 60/100 feet; 'SOUTHERLY by the curved line forming the junction of said Hammonds Wood Road and Edgell Hill Road, forty-five and 35/100 feet; 'SOUTHERLY by said Edgell Hill Road by a line measuring respectively two hundred and eighty-six and 80/100 feet, and 68/100 feet and twenty-five and 58/100 feet; 'SOUTHERLY by lot lettered "L" on said plan one hundred fifty-six and 80/100 feet; 'SOUTHEASTERNLY in part by land marked "Daniel J. Holmes" on said plan and in part by land marked "Rose Adams" on said plan, one hundred forty-nine and 87/100 feet; and 'CONTAINING 1450 square feet of land all as shown on said plan, or however measured, or described.

Together with all rights, easements, and privileges appurtenant to said granted premises.

Being the same premises conveyed to us by Ruth Adams by deed dated June 12, 1928, recorded with Middlesex South District Deeds, Book 524, page 108.

Said premises are hereby conveyed subject to restrictions of record so far as now in force and applicable and to said mortgage held by said granted secured payment of \$17,000, dated December 13, 1927, recorded with said Deeds, Book 517, page 327, and subject to the Newton Zoning Laws.

Said premises will be sold subject to said prior mortgage and any tax and unpaid taxes, or other municipal liens or assessments whatsoever.

Required to pay the sum of five hundred dollars (\$500) in cash at the time and place of sale, and the balance in cash or by mortgage note, to be delivered at the time of the deed. Other terms to be announced at the sale.

LEGAL NOTICES

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by George W. Abbott and Eleanor Y. Abbott, his wife, in her own right, of Newton, in the County of Middlesex, Massachusetts, to the Newton Centre Savings Bank, dated September 16, 1926, recorded with Middlesex South District Deeds, Book 501, Page 315, for breach of the conditions of said mortgage, and for the purpose of foreclosing the same, will be sold at public auction on Monday, the seventeenth day of July, A. D. 1939, at four o'clock in the afternoon, all and singular the premises conveyed by said mortgage and described in said mortgage deed as follows:

"A certain parcel of land with the buildings thereon, situated on the Northernly side of and being now numbered 29 Sewall Street, in that part of said Newton called West Newton, and bounded and described as follows:

Southerly by said Sewall Street, eighty and 85/100 (80.85) feet; Easterly by land now or late of George P. Bullard, Sane and Bound, dated April 2, 1939, one hundred and sixty-six and 31/100 (166.31) feet; Northernly by land now or late of Nina Bullard, Sane and Bound, dated April 2, 1939, one hundred and eighty-one and 41/100 (181.41) feet; and Westerly by land now or late of Henry E. Burrows, one hundred and sixty-one and 65/100 (161.65) feet; containing 13,650 square feet, be the same more or less.

Said premises are shown on a Plan of Land in West Newton belonging to Edward S. Merchant, C. Albert H. Hickey, Civil Engineer, dated April 29, 1939, and recorded at the end of Record Book 4024, and are the same premises conveyed by Marion B. Lauriat to said Eleanor Y. Abbott, by deed dated September 30, 1921, recorded with Middlesex South District Deeds, Book 404, Page 335.

This conveyance is made subject to restrictions of record in so far as the same may now be in force and applicable.

Said premises will be sold subject to any and all unpaid taxes, tax titles and municipal liens and assessments, if any there be. \$500.00 will be required to be paid in cash or by certified check by the purchaser at the time and place of sale. Other terms and conditions of sale will be announced at the sale.

Predicts Tax

(Continued from Page 1)

Kay for his services as chairman of the Finance Committee.

Several appropriations were made by the Aldermen at the meeting. These included \$25,000 for resurfacing streets, \$900 for a sewer in Murray lane, \$400 for materials to be used in a WPA painting project at schools. The Board voted to hold a public hearing on July 24 relative to the taking of the Stearns land on Watertown st. for the purpose of protecting the Stearns School.

Bishop Cushing

(Continued from page 1)

interest in the missions. It will be one of my greatest joys to have them know me in the future in a more personal way.

"That all our spiritual ideals may be abundantly fulfilled, let us always pray for one another. For only in the God Who made us and only in the God Who made and owns the world can we find the solution of our own problems and of the world's perplexities."

Ordination Of Newton Young Man

Pierre DuPont Vuilleumier, son of Mr. and Mrs. Pierre Vuilleumier of Jackson rd., Newton, will be ordained on Sunday, July 9, at the First Congregational Church, Woodstock, Connecticut, at 7:45 p. m. He has been pastor of the Woodstock Hill Congregational Church for the past year and a half and previously held pastorates at Saint Francis, Maine, and in Dedham. He graduated from Gordon College of Theology in 1937 and is now taking graduate work at Yale Divinity School. Rev. Martin Goslin of North Congregational Church, Nonantum, will give the prayer of consecration at the ordination. Dr. Cameron Rae will be the soloist, and among the members of the North Congregational Church, who will attend the exercises are Mayor Edwin O. Childs, Mr. Robert L. Rae and Dr. Franklin P. Lowry.

HELEN H. WELLINGTON

Mrs. Helen (Hill) Wellington, wife of Arthur W. Wellington, died on July 2 at her summer home in Nonantum. She was born in Belmont 79 years ago, and for 44 years was a resident of Newton, living at Billings Park and 81 Church st. Mrs. Wellington is survived by her husband; a son G. Oliver Wellington of Long Island, New York; and four daughters, Mrs. Harold Cunningham of Duxbury, Mrs. Albert Britt and Miss Barbara Wellington of Nonantum, and Mrs. Edgar Burkhardt of Newton; fourteen grandchildren; and a great-granddaughter. Her funeral service was held on July 5 at Mount Auburn crematory chapel; Rev. H. Robert Smith of Grace Church officiated.

CARD OF THANKS

"To the Merchants of Newton Corner and Friends of the late Henry Loughlin."

The family of the late Henry Loughlin gratefully acknowledge and thank you for your kind expression of sympathy."

(Signed) THE LOUGHLIN Family.

SIMPSON: on July 1 at 20 Crescent ave., Newton Centre; John B. Simpson; age 51 years.
GEHLING: on July 1 at 31 Paul st., Newton Centre; Mrs. Hazel Gehling; age 42 years.

'Penalty Oaths' Are of Several Different Kinds

The saucer wouldn't break, so a Chinese witness in a Cambridge (England) court had a hard time promising to tell the truth, the whole truth and nothing but the truth. Breaking the dish was his way of saying his soul also would break if he lied.

Such oaths, when a person swears to tell the truth under pain of punishment if he lies, are called "penalty oaths," and take many different forms, observes a writer in the Washington Post.

For instance, in Assam province, India, witnesses grasp a dog of chicken cut in half with one blow. This implies the same fate will strike them if they testify falsely. Another Indian region has the speaker stand within a circle of rope. He'll rot like rope, it's believed, if he commits perjury.

Sometimes the head of a tiger, bear or other fierce animal is brought to "court" in Siberia and Africa. Those involved in a suit call upon the animal to kill them if they lie.

William the Conqueror swore "by the splendor of God," and King John "by God's teeth."

Police Sergeant

(Continued from Page 1)

Mechanic Cullen's status. Childs contended that Cullen would retain his rating as sergeant. His contention was supported by the following letter he received from John Gilbert, executive secretary of the Civil Service Commission:

"Bartlett F. Cullen is rated in this department as a sergeant-mechanic in the Newton Police Department. Your understanding is correct that if no appropriation is made for the sergeant-mechanic's salary, Bartlett F. Cullen would go back to regular sergeant and the last man appointed sergeant would go back to the position of patrolman."

"Any change in Sergeant Cullen's rating would have to be made in accordance with the laws." As a result of this ruling from the Civil Service Commission, the impression became prevalent in the city that Sergeant Daniel Cleary, the last appointed to that rank in the Newton police department, would become the goat in the controversy over Cullen, and would be demoted to the rank of patrolman. This caused resentment among citizens of Newton who know Cleary as a man of high character, and an excellent police officer.

The Mayor, apparently assuming that Cleary would be demoted unless provision were made for another sergeant, called the special meeting in an effort to have the Aldermen provide for the additional sergeant, but the ruling of the City Solicitor utterly upset the Mayor's plans. City Solicitor Bartlett was formerly a member of the Civil Service Commission, and drew up the amendment to the police department ordinances of Newton when the office of sergeant-mechanic was created, and to which Cullen was appointed. In reply to a query from President Floyd of the Board of Aldermen as to Sergeant-Mechanic Cullen's status, the City Solicitor wrote the following letter, which was read at the special meeting of the Board on Wednesday night:

"In answer to your request for an opinion as to the legal situation resulting from the recent abolition of the office of sergeant-mechanic in the Police Department, it is my opinion that the office has been legally abolished, that the former incumbent of the office has no right to be recognized or to receive compensation as a member of the Police Department, either as a sergeant-mechanic, sergeant, or otherwise, and that the Board of Aldermen is under no duty to make any additional appropriation or to create any additional offices. The basis for this opinion follows:

"The office of sergeant-mechanic in the Police Department was first created by Section 132 of the Revised Ordinances of 1929, which then provided in part as follows:

"The Police Department shall consist of a chief of police, a captain, two lieutenants, two inspectors to rank as lieutenants, one sergeant-mechanic, as many sergeants and regular patrolmen as may be deemed necessary by the Board of Aldermen, and a reserve force of not over 10 men." Bartlett Cullen is the only person ever to hold the office. In May of this year the aldermen, by an ordinance, duly enacted, abolished the office as of July 1, 1939. The board further appropriated funds sufficient only to pay the salary incident to the office for the period up to July 1, 1939.

"It is clear that the Board of Aldermen, having created the office of sergeant-mechanic by ordinance, has the power to abolish the office by ordinance. It is also the law, as I understand, that the power to abolish the office by ordinance, whose office is legally abolished, has no right to further compensation or recognition as an officer or employee of the municipality. All of this has been settled beyond question in the recent case of Williams vs. New Bedford, 1939 Mass. Adv. Sh. 855, 21 N. E. (2d) 265 decided May 25, 1939. It follows that Bartlett Cullen is no longer an officer or employee of the city and is entitled to no further compensation."

"I have found nothing in the civil service law or in the rules or the records of the Civil Service Commission to lead me to a contrary opinion."

Section Not Applicable

"I have not overlooked Section 46G of Chapter 31 as most recently amended by St. 1938 C. 297, Sec. 2. That section provides that 'If the separation from service of persons in the classified service becomes necessary through no fault or delinquency of their own, they shall be separated from the service and reinstated therein in the same position or in a position in the same class and grade as that formerly held by them, according to their seniority in the service so that the oldest employees in point of service shall be retained the longest. . . . In my judgment this section does not apply to our situation because the office of sergeant-mechanic was not the same as the office of sergeant, nor is it a position of the same class and grade."

"The office of sergeant-mechanic was a separate and distinct office from that of sergeant. It was created as a separate position in the ordinance and has been handled separately in each annual budget. The duties and qualifications for the two offices are different and they have always been regarded as separate offices by the city and the Police Department."

"That the office of sergeant-mechanic is not the same class and grade as the office of sergeant is shown by the history of the position. The records of the Civil Service Department disclose that prior to 1929 Cullen was a patrolman-mechanic. In 1929 an effort was made to promote him to the

office of sergeant, but the commission ruled that this could not be done because Cullen was not eligible for appointment to the office of sergeant. Accordingly, the separate office of sergeant-mechanic was created and Cullen was certified to the position. Cullen now appears on the civil service record as a 'sergent-mechanic.'

"From the above it follows that the abolition of the office of sergeant-mechanic and the reduction in the appropriation for the office does not affect the rights of sergeants in the police force to recognition and compensation."

Powers' Paragraphs

(Continued from Page 2)

items is one telling of a bequest of \$50,000 made by a former Newton resident, Charles Read, to the Federal government, to help pay off the national debt. Mr. Read also bequeathed over \$40,000 to the city of Newton for benevolent purposes. Can you imagine any wealthy person today leaving a large sum of money to the Federal government to assist in reducing the national debt?

The action of the Newton Health Department in stopping bathing at Allison Playground, Nonantum, because the water in the Charles River there is polluted, again calls attention to the fact that within the past couple of years about \$100,000 has been expended by the State in creating a Metropolitan District bathing beach on the Charles River at Watertown, about a quarter of a mile below Allison Park, where bathing has been prohibited by the Newton Health Department. A large bath house has been erected at this bathing beach at Watertown and a staff of at least five attendants is employed there. It is a fact that if the water is polluted at Allison Park, it is also polluted at the Watertown bathing beach. Selectman Gallagher of Watertown within the past week has protested about unsanitary conditions at the Metropolitan beach there.

When Representative Landry and former Representative Murray of Watertown were campaigning to create this expensive bathing beach at Watertown at the expense of Newton and other places included in the Metropolitan District, the writer in this column called attention to the unfitness of the Charles River at Newton and Watertown for bathing purposes. Any old resident of Newton or Watertown is well aware of the polluted appearance of the water in the Charles, especially during the summer months, when there is only a small amount of water coming into the river. But the Watertown representatives insisted in fighting for the bathing beach in their town; a beach that caused unnecessary expense to taxpayers in surrounding communities, and one that will always be more or less of a menace to the health of children using it. It is a poor political accomplishment.

We hope that Senator Borah will receive sufficient support in his campaign against foreign entanglements from his fellow Congressmen to defeat the efforts of President Roosevelt and Secretary of State Hull to involve this country in any future European war. The last war taught most of us the lesson to steer clear of any war or trouble caused by the economic and political machinations of European countries, but Mr. Roosevelt and Mr. Hull quite obviously did not learn this lesson. However, one man, or two men, should not be permitted to jeopardize the future of the U. S. A.

Want To Convert Eliot School Into Community Centre For Nonantum

Building Would Provide Needed Facilities For Social Work

A public hearing was held at City Hall on Monday night by the Public Buildings committee of the Board of Aldermen on two petitions asking that the Eliot School building on Pearl st., Nonantum, be converted into a community centre for that district. It would be used by the Stearns School Centre, the baby clinic of the Newton District Nursing Association, and for other civic and social activities. Because of the erection of the new school nearby at Pearl st. and Jackson rd., the Eliot School has been abandoned for school purposes.

Richard Carter of the Newton Community Council said there is much need for adequate community centre facilities at Nonantum, and he commented that the availability of the Eliot School building is a Godsend to that district. Miss Hilga Nelson, supervisor of the "well-baby" clinic of the District Nursing Association said that the old school building would provide much needed space for the Nonantum clinic.

Helen Sandstrom, secretary of the Stearns School Centre answered arguments of some of the Aldermen relative to the financial burden on the city which might be entailed by the use of the Eliot School as a community centre, by saying—"It costs about \$300 a year to keep a child in a reformatory." Michael Farina of 17 Murphy Court, speaking as a representative of the youth of the district, said that inadequate facilities at Stearns School limit the social activities of the older boys and girls in Nonantum. Miss Sandstrom outlined the work being done at Stearns School Centre and said that over 350 persons over 10 years of age belong to the centre. She said that the Community Chest would be asked to allot funds for the support of the proposed centre at Eliot School. Mrs. Theresa Marshall, acting chairman of the Newton Playground Commission favored the conversion of the school building into a community centre.

Kenelm Winslow, recently retired principal of the Stearns School, also favored the proposed use of the Eliot School. He said it is a splendid location for the purpose desired, and is well preserved. Alderman Carroll Hoffman said that two factors will guide the Aldermen in determining whether, or not to vote in favor of converting the old school into a community centre. One is—that the existing facilities at the Stearns School are not adequate; the second factor is—that the conversion of the Eliot School will not cost the city an appreciable sum.

The advocates of the proposed community centre told the aldermen that much of the work necessary to convert the building into a community centre will be done by volunteers among the members of the Stearns School Centre.

Waban Youth Fined \$25 For Speeding

William M. Barbour, Jr., of 224 Quinobequin rd., Waban, was fined \$25 by Judge Mayberry in the Newton court on Thursday for speeding, it being his second conviction for speeding within a year. Officer Dowling told the judge that after he had stopped young Barbour for speeding on Commonwealth ave., the youth drove off again at just as high a rate of speed.

Serg. Bannon Has Many Motorists In Newton Court

Serg. Richard Bannon of the Newton police, who for many years has been assiduous in prosecuting motorists who violate traffic laws, was the complainant in the Newton court yesterday against 25 operators of motor vehicles. One of this number, George Allen of Billerica, was fined \$30; \$20 for driving without a license, and \$10 for driving without proper lights. According to testimony of the sergeant, Allen was driving on the proverbial shoestring. Bannon stopped the Billerica man on Washington st. when he observed a car with one headlight and no tail light passing. Allen also had no license in his possession. He told the sergeant he had left the license as security at a filling station when he could not pay for 3 gallons of gasoline.

Among those fined for speeding by intersections, on complaint of Serg. Bannon were—James Cutler, Central ave., Newtonville; Harry Mahakian, (Continued on Page 5)

Cleaning Water Mains In Newton

On Monday the National Water Main Cleaning Company started cleaning water mains in the Waban district. This work will be continued in various parts of the city and \$4000 was recently appropriated for it by the Board of Aldermen. A steel ram with a number of blade-like parts is placed in the main to be cleaned, and propelled by the force of the water, scraped along the main, revolving and scraping the sediment which forms in the mains. This device was first used in Newton's water mains about eleven years ago, and was last used here in 1937.

Exam for Woman M.D. in Health Dpt.

On August 17 there will be a civil service examination for the appointment of a woman physician as clinician at the Pre-School Health Conference which is conducted by the Newton Health Department at Newton City Hall. The conference is held at least twice weekly and was started last year for the purpose of promoting the health of children under school age. The examination will be open to registered women physicians and the last date for filing applications will be August 3. The compensation is \$4 per hour. The office has been held provisionally by Dr. Margaret Glendy of 25 Eliot Memorial rd., Newton.

Newton Dogs Still Biting People

Two more dogs were ordered restrained last Friday because complaints had been made that they had bitten persons. Joseph Pynchon of 262 Lake ave., Newton Highlands, was ordered to restrain his dog on complaint of Bryant Sullivan of Saxon rd. Amedeo Vergato of 169 Adams st., Nonantum, was ordered to restrain his dog on complaint of Albert Beale of 21 Jones court. On Saturday Eaton Webber of 748 Watertown st., Newtonville, was ordered to restrain his dog on complaint of Donald Sears of 472 Crafts st.

Newton's popular summer resort, Crystal Lake Beach at Newton Highlands.

Newton School Teacher Killed

William S. Barber of 11 Waverley place, Brighton, an instructor in electrical work at the Newton Trade School, was electrocuted last Saturday afternoon while working in the building occupied by the J. F. Cashin Milk Company, East 5th st., South Boston. After the school closed last month, Barber, 28 years old, obtained a job for the summer with a Boston electrical contractor. He was standing on a ladder while fastening a socket to wires leading from the ceiling and he leaned against a ventilating pipe. His body, covered with perspiration, acted as a conductor for the electrical current. He fell off the ladder onto a bottling machine.

For 5 hours a crew of Boston firemen attempted to resuscitate Barber, using inhalators and large quantities of oxygen. Special inhalators were rushed to the scene from Bowdoin Square fire station and the Edison Company sent a flood light truck to the milk plant. Doctors were in constant attendance in the effort to revive Barber, and watching the hours of unavailing efforts were his father, two of his sisters, two brothers, and his fiancée. Barber was to be married in a few months.

Mass Vacation For Street Dept.

Something unique in the way of vacation arrangements involving a large number has been arranged by Street Commissioner John Haughey. This year, for the first time, all employees of the Newton Street Department are to receive two weeks' vacation with pay. There are about 300 employees in the department. Instead of having a considerable number of the men take their vacations at different periods through the summer months, Supt. Haughey decided that the best interests of the department would be served by having most of the employees take the vacation at the same time, and he selected the first two weeks in August, both for its desirability as a vacation period, and because that time would least interfere with the functions of the department.

From 250 to 260 men employed by the Street Department will be on their vacations during the first two weeks in August. Between 50 and 60 employees will be on duty at that time and will care for the collection of rubbish from residences and stores and be on hand to perform any emergency services required. During that period street construction and resurfacing will be suspended, and likewise work on trees, parks and public grounds. Some of the employees, who will be on duty during this period, are now on their vacations. The others will take their holidays after the first two weeks in August.

\$2000 Fire at W. Newton Home

A fire in the residence of Mrs. Mary Ristuccia, 549 Crafts st., West Newton, on Tuesday night caused damage to the building and contents estimated at about \$2000. The fire was discovered at 8:25 by Jennie Ristuccia, who phoned the fire department. Box 342 was pulled by the firemen when they arrived. The blaze was supposed to have started in rubbish under the cellar stairs.

Find Alligator At Newtonville

An alligator, two feet long, was discovered Monday evening on the premises of George F. Malcolm at 587 Walnut st., Newtonville. The discovery of the reptile was made by John Shea, Jr., 5, of 597 Walnut st. The child ran into his home about 7 o'clock and told his father that "something long under a tree in the next yard had bitten at him." Mr. Shea went out and saw that the creature his son had described was an alligator. He phoned police headquarters and two police cars with half a dozen policemen went to the scene. After a hunt of about 30 minutes the "gator was cornered in some shrubbery and lassoed by Patrolman Martin Creeley. The alligator was placed in a large paper box and taken to police headquarters. It was later turned over to an agent of the M. S. P. C. A. who said it would either be given to the Franklin Park zoo or killed.

One of the police remembered that G. Harry Adalian of Lake ave., Newton Highlands had reported a couple of years ago that two small alligators had been brought from Florida and had kept in a pool at his estate, had escaped, and it was thought they had gone into Crystal Lake, which abuts the Adalian estate. But, it is doubtful if the alligator captured at Newtonville is one of those formerly owned by Mr. Adalian. The creature could hardly have survived a winter in this climate, and the yard where it was found is about a mile and a half from Crystal Lake. It probably was placed in Bullough's Pond sometime ago by someone. Bullough's Pond is just across Walnut st. from the Malcolm yard where the reptile was discovered.

Waltham Dump Fire Smokes W. Newton

The City of Waltham's neighborly contribution to Newton, the Woerd ave. dump at the West Newton line, near the Charles River, once again caused a pall of smoke and a strong stench to spread over a considerable portion of West Newton and Auburndale. And this nuisance occurred on one of the hottest days of the summer, last Monday, when people had a sufficiency of discomfort to contend with because of the weather. Combustible waste on the surface of the dump blazed out of control about 3 o'clock Monday afternoon. Several pieces of fire apparatus from Waltham and Newton worked at the dump for seven hours, until 10 p. m. Monday, in a long effort to extinguish the fire which had descended from the surface of the dump until it was several feet underground. This dump has been a nuisance for years, and in justice to its own citizens who reside in the vicinity, and many residents of West Newton and Auburndale, it is believed that the City of Waltham should erect some type of incinerator to prevent so many fires at this place.

Charles River Still Polluted

Further tests of the water in the Charles River near the bathing beach at Allison Playground, Nonantum, were made on Tuesday by the Newton Health Department, and the water was found to be still polluted. A survey of the Newton side of the river between the Watertown and Waltham lines was made in an effort to find any source or pollution, but none was found.

Newton Taxpayers Urge Pay as We Go

Few citizens of Newton realize that Newton's per capita debt is the second largest in the entire Commonwealth of Massachusetts, says the Newton Taxpayers' Association.

Ever-increasing spending by the city government for water system, roads, schools, city hall, etc., have pushed the funded indebtedness to the staggering total of \$6,877,000.00 or \$93.00 per capita, which is second only to Boston. Springfield with \$77 per capita is third, and all other cities show much more satisfactory situations.

Newton taxpayers may better appreciate the seriousness of this heavy burden when they realize that over \$1,334,000.00 must be paid in interest alone on these bonds before they are retired.

While certain schools, water works, and road construction, etc. paid for by these bonds were considered essential at the time, the Newton Taxpayers' Association insists that a ten year moratorium be declared by civic authorities, during which no new funded indebtedness shall be assumed and the present indebtedness would be reduced from \$6,877,000.00 to \$1,213,000.00. A straight pay-as-we-go budget should be enforced.

Rushing Work on New Newton School

The new school at Pearl st. and Jackson rd., Newton, which will replace the old Lincoln and Eliot schools, will, in all probability be ready for occupancy when the Newton schools open on September 11 despite the fact that at a special meeting of the School Committee this week, it was announced that the Public Buildings Department had granted an extension of 30 days to the contractor building the new school. According to the contract, the new structure was supposed to be completed on August 11, but delay in the arrival of limestone trim from Indiana, retarded work on the building to some degree. However good progress has been made and the plastering work is underway. As a precaution, in case the new school will not be ready, Secretary Kellar of the School Department, has changed plans to take the school furniture out of the Eliot School and store it at the Lincoln School. The equipment and furniture will remain at the Eliot School so that it can be used in case the new school will not be ready.

At the special meeting of the School Committee it was voted to approve contracts totalling \$3800 for new furniture in the school being built. Other furniture will be transferred from the Eliot and Lincoln Schools.

Newton Firemen on Eligible List

The State Civil Service Commission yesterday certified the following—in order, as eligible for promotion to the rank of Lieutenant in the Newton Fire Department: Daniel Coakley, 248 Watertown st., Nonantum; Frank Dougherty, 10 Park place, Newtonville; Rivaereus Wright, 89 Norwood ave., Newtonville. For appointment as firemen the following three were certified—Thomas McManus, 54 Goddard st.; Harvey Preble, 993 Chestnut st.; John Cavanaugh, 24 Kensington st.

Cullen's Name Off Police Payroll; Reports Daily For Duty At Garage

Record of Deposed Sergeant Taken From Files of Civil Service Commission—Cullen Will Fight To Retain Job

Sergeant-Mechanic Bart Cullen of the Newton police department, who ceased to be a member of the department on July 1 because the Board of Aldermen voted in this year's budget to appropriate only enough money to pay Cullen up to June 30, and because City Solicitor Bartlett ruled that the Aldermen had as much right to abolish the office of sergeant-mechanic as they had to create it, continues to come to the police department garage at West Newton daily, and perform his duties there as he has in the past. Although Mayor Childs last week intimated that he would refuse to sign the police payroll on Monday unless it contained Cullen's name, Chief of Police Hughes acted in accord with the City Solicitor's ruling that Cullen had ceased to be a member of the department on July 1, and he did not put the former sergeant-mechanic's name on the payroll. Mayor Childs, who had contended that Cullen has the status of a regular sergeant in the Newton police department, and that the last sergeant appointed (Daniel Cleary) would be demoted to patrolman because of the abolition of the office of sergeant-mechanic, did sign the payroll, however, and it was also approved by City Comptroller White. Pending the eventual solution of the Cullen case, the Mayor has not authorized the appointment of a successor to Patrolman Henry Loughlin, who died a couple of weeks ago. It is understood that Mr. Cullen has retained Francis X. Hurley, former State Auditor, as his counsel, and will start legal proceedings to nullify the ruling of the City Solicitor, and to compel the replacing of his name on the police payroll.

In view of the public interest in the Cullen case and the difference of opinions between the Mayor (whose view is shared by the secretary of the Civil Service Commission) and the City Solicitor, the GRAPHIC here publishes Mr. Cullen's official record as a member of the Newton police, as taken from the files of the Civil Service Commission.

Born Nov. 8, 1893. May 7, 1914, appointed provisionally as chauffeur of patrol wagon. June 5, 1915, appointed as permanent chauffeur. January, 1917, appointed special policeman without pay. April 1, 1917, appointed reserve patrolman. Oct. 1, 1917, appointed regular patrolman. Oct. 10, 1917, enlisted in U. S. Navy. Jan. 28, 1919, reported again for duty at police headquarters. April 19, 1919, salary on payroll, \$1300. May 17, 1919, salary on payroll, \$1400. July 5, 1919, salary on payroll, \$1500. Oct. 25, 1919, salary on payroll, \$1800.

April 26, 1921, provisional promotion to patrolman-mechanic authorized until result of examination is known; salary \$2000. May 26, 1921, appointment as patrolman-mechanic authorized, subject to non-competitive examination. July 9, 1921, appointment as patrolman-mechanic authorized, having passed non-competitive examination. Feb. 23, 1922, employment in playground as needed, authorized for 30 days. Feb. 25, 1922, employment in playground ceased. Dec. 29, 1923, salary on payroll, \$2150 a year. June 28, 1924, salary on payroll, \$2200. April 24, 1926, \$2250 payroll. April 30, 1927, \$2350 payroll. April 27, 1929, \$2450 payroll.

May 25, 1929, rank of Sergeant-Mechanic cannot be authorized; would be violation of General Laws, Chapter 31, Section 30. * * * July 5, 1929 (Cullen's name cannot be certified for regular appointment as he is number 7 on eligible list; no objection to appointment as acting-sergeant, such appointment to continue as long as he continues as mechanic and in charge of police headquarters garage; appointment as acting-sergeant will not give him any right to take examination for lieutenant; and for that purpose he will be considered as having rank of patrolman only. * * * July 13, 1929, promotion to sergeant-mechanic authorized. * * * Dec. 16, 1929, should be on payroll correctly as sergeant-mechanic. * * * Jan. 28, 1933, salary on payroll \$2266.25 (took 7 1/2 per cent cut with all city employees). * * * Jan. 26, 1935, \$2450 on payroll (cut restored). * * *

On July 6, 1936, Mayor Childs, who had also been Mayor when the rank of Sergeant-Mechanic was created for (Continued on page 8)

Letters To The Editor

To the Editor of the Newton Graphic:
Your recent issue stated in the Associate editor, Mr. Powers' Column, the effort to clear the sidewalks of the merchants who persist in using the publicly owned space for their own special advantage. One can easily see the reason for fruit vendors desiring to have open windows, as it is the salvation of the stock in hot weather. Other persons who have the same idea are doing so to gain publicity by bringing their wares into the notice of the crowded public.

This incident gives another reason for the revision of the zoning law to provide for a fifteen-foot setback on all business streets that are to be rebuilt or that may come about in the change of zone.

This setback does not mean the street widening as is often contended, but is for the advancement of the shopping districts to a more modern type of city planning. I would suggest that this idea be kept alive and if possible have it adopted as a city ordinance.

HERBERT J. KELLAWAY.

Kiwanis Club

The Newton Kiwanis Club held its regular Tuesday meeting at the Charles River Country Club under the direction of its vice president, John A. Janse.

Hardie Jenner, one of the members, told of an unusual condition at the Jenner Mill in Groton, Mass. This mill is under contract to the Federal Government in the reclamation of hurricane timber. At present there are over two million feet of logs stowed in the mill pond. These logs were so hastily dumped into the pond that it has caused a log jam nearly thirty-six feet high. This is a slight within a few miles of us that could only be duplicated in the north woods.

The Newton Club will hold a joint meeting with the Westboro Kiwanis

Club on Wednesday, July 19, at the Groton Inn with dinner served at 6:30 p. m. This meeting will give the members and their wives an opportunity to see the great log jam and the work being done at the Jenner Mill.

Expert timbermen are working to unsnarl this tangle with more men coming in from Canada and Northern New England so that within a few days this mill will be operating sixteen hours a day.

The mill is about a mile out of Groton Centre and Mr. Jenner says that people from all over New England are stopping there to see this unusual sight.

NEWTON GIRLS SAIL AS AMBASSADORS OF GOOD WILL

Miss Nancy Flagg, daughter of Mr. and Mrs. F. J. Flagg of 54 Oakwood rd., Newtonville, and Miss Virginia Rowland, daughter of Dr. and Mrs. Wm. D. Rowland of 166 Oakleigh rd., Newton, sailed from Boston Wednesday on the S.S. Cameronia as members of a party of 15 young women selected from several local colleges to visit homes in Ireland and Denmark as "ambassadors of good will" from the United States. They will be entertained in Denmark by the United States minister, Mr. Ralph Owsley. Miss Flagg attended Smith College and Miss Rowland attended Mt. Holyoke.

NATIONAL LEAGUE OF WOMEN VOTERS

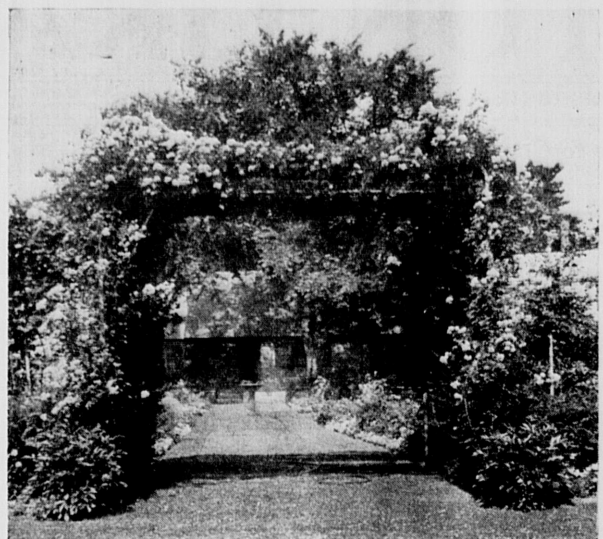

II

OF THE PEOPLE

THERE is no royal family in America. There is no landed gentry and no "upper" class which controls the reins of government. The right to rule is not passed down from generation to generation, nor are there groups of people who are forever shut out from holding the most important offices in our country. The men and women who rule over us come from among us. That little boy next door who is selling newspapers or getting up early to help milk the cows may be governor or senator or president some day. Our knowledge of America is indeed slim if we cannot each point to at least one man or woman in high office who is a scion of a pioneer family, to another whose parents came over from Europe during the past generation, and to still another who was born abroad of foreign parentage and came to this country at an early age. This dissimilarity of background exists among those who govern America, and in America as in no other country at the present time, because America still considers that innate ability is of prime importance. Our shores have been open to people of all classes and of all religions, and our doors of opportunity have swung wide for them. We must be vigilant in keeping them so. The minute we say or even think, "That man or woman should not be elected to high position because he is not like me," we are starting the slow swing which may shut that door, and if it should ever shut, it would pinch the fingers of each and every one of us.

A Rose Arbor in the Garden City

A living memorial to a civic-minded man. Rose arbor in garden at Centre and Church sts., Newton, created by the late Prof. H. H. Powers.

Camp F. A. Day 85th Birthday of James Hopwood

Plan Memorial Sunday
Sunday next a new institution will be established at Camp Frank A. Day when memorial services will be held to commemorate the lives of those campers and attaches of the Camp who have died since the first year of its incorporation. Director Clyde G. Hess will read the Necrology, and will deliver the sermon based on the topic, "Youth's Horizon."

The musical portion of the services will include hymns by the Boys' Choir conducted by Mr. John Weeks of Yale and Albany, New York. A cornet trio, composed of David Ashton of Somerville, Paul Harriman of Newtonville, and Stanley Sumner of Brighton, will play.

Many guests have in the past taken advantage of the opportunity to visit Camp and take part in the services, and the number will be greatly enlarged on this coming Sunday. Those who will be memorialized are Melvin Lane, G. Clement Coburn, William Ruggles, Edwin T. Smallwood, Walter Havestine, Norman Stoney, William C. Miller, Edward Schirmer, Charles McPhail and Thomas McNamara, former Camp barber, who died during the past winter.

New Activities

Many new activities were added to the long list of opportunities for the boys of Camp Day to enrich their experiences. In the past week, Foremost was the opening of the season's riding activities at Lebanon Hill Riding School in Southbridge. Riding Master Jack Laurence has increased the interest of the boys by listing a horse show with ribbon and cup prizes for the final event of the season, as well as exhibition maneuvers at Camp Day Circus two weeks hence.

The craft shop has been the center of activity for many boys each week since the opening of the current season. Enlarged space in the new building has enabled Mr. Sydney Roberts of Dorchester to increase the number of projects, and to provide for closer supervisory conditions. Mr. Roberts is aided by Counsellors Ernest Beier of Amherst College, Arthur Wright of Tufts College and Bob Holbrook of Massachusetts State College. Many articles are made and then forwarded to parents and friends as novel gifts.

Hollywood came to Camp last Thursday with the first showing of the season's sound moving pictures. The feature film was, "Tom Sawyer, Detective," preceded by that most humorous of comedies, "Pop-eye." Many of the lake neighbors were guests of the Camp. Mr. C. W. Bray of Newton furnishes the Camp with the films for each of the Thursday night showings.

This year's first cook-out was held on Monday night. Each tent, under the guidance of the counsellor selected a site and prepared the fire for the cooking of the food. Fires are inspected by the staff directors, and ratings are made for awards made at the close of the camp season. The first of the canoe hikes started for overnight visits during the week as part of the schedule arranged for the finals of the first three week period.

The first track meet of the season was conducted under the direction of Richard Kelley, teacher-coach at Northboro High School, on last Saturday afternoon. Rain interrupted the races, and prevented the completion of all events, but it was agreed that the meet would be allowed as a finished event and count towards the league championship.

Senior Camp

High Jump—The first, Bramhall and MacVicar; 3, Humphrey.
Broad Jump—1, Humphrey; 2, Bramhall; 3, Callahan.
Shot Put—1, McGill; 2, MacVicar; 3, Callahan.

High Jump—1, Morrissey; 2, Besso; 3, Tiley.
Standing Broad Jump—1, Morrissey; 2, Besso; 3, Acheson.
220 yard run—1, Morrissey; 2, Besso; 3, Feinberg.

Battle After War Ended

The Battle of New Orleans, during the War of 1812, was fought two weeks after the treaty of peace was signed. In those days of slow communication, the army knew until weeks later that the war was over.

55 YEARS AGO

Newton Graphic, July 5, 1884

There will be no public observance of the 4th beyond the ringing of bells at sunrise, noon and sunset, but everything promises a 4th of the usual hilarious style. Quiet loving people will want to flee to some vast wilderness about midnight, the night before.

Mayor Kimball has issued his mandate to Constable Laffie for the summary execution of unlicensed dogs, and the enforcement of the law against owners of such canines.

The Baptists have begun to get their lot on Church st. ready for the building of the new church, moving the house there to the westerly side of the lot. The barn will also be moved and converted to a horse-shed. This will leave a lot, ample for a spacious church, a few steps from Centre st.

The first open-air service on the bank grounds of Newton under the auspices of the Y. M. C. A. last Sunday was one of the most successful ever held there. The day was beautiful, and the sweet strains of music from the brass band attracted large numbers. Rev. H. L. Hastings of Boston made a vigorous attack on "Infidelity." He is a loud speaker and was heard everywhere in Nonantum sq.

The school committee has voted to extend the vacation to the second Monday in September, which will be cause of gratitude to the scholars and their parents. The time so granted will be made up for by abolishing the week's vacation at Thanksgiving. The schools will be closed only on Thanksgiving Day and the following day.

The first drowning accident of the summer occurred on Wednesday evening. Frank Giles, 13, son of William Giles of Newton Highlands, was drowned in Crystal Lake.

The Young People's Christian Society engaged in a strawberry festival and entertainment at the vestry of the West Newton Congregational Church on Wednesday evening. A unique feature was the auction sale of 12 old moids.

The marriage of Louis Agassiz Shaw, son of Quincy A. Shaw, and grandson of the great naturalist, to Miss Mary E. Saltonstall, daughter of Leverett Saltonstall, occurred at the Unitarian Chapel in Chestnut Hill on Monday. Rev. Howard Brown of Brookline officiating.

50 YEARS AGO

Newton Graphic, July 5, 1889

Some miscreant shot a bullet through a large pane of plate glass in the office of the Newton Coal Company at Eliot Block on Wednesday night. He has escaped detection so far.

July 4th was celebrated at Hotel Hunnewell, Newton, with tennis and croquet tournament. During the shower in the afternoon Mr. and Mrs. Fred Wetherbee favored the guests with some fine music.

A man who gave the name of George Littlefield secured lodgings at Mrs. Forsythe's boarding house on Washington st., and skipped Friday night, taking with him \$47 in money, the property of his roommate, Mr. Roche. Patrolman Henthorn is investigating the case, and the fellow may be nabbed unless he has put some distance between him and the scene of his theft.

The night before the 4th passed off more quietly than usual, very little damage was done, and few citizens annoyed. The City Marshal had given strict orders to allow no bonfires and no shooting of fireworks. These orders were enforced by the police, so people were able to get a good night's sleep.

The matter for a new location for the Newton almshouse has been referred back to the Aldermanic committee, and it is said that a compromise will be made in favor of the Roffe land between Homer and Valentine sts., where about 20 acres can be secured. It remains to be seen what owners of adjoining properties will say to this, and several of them have been reported as saying that this location is less suitable and will cause more property damages than would the proposed location on Cherry st.

The Valentine st. location is certainly in a section where land is higher priced. It might be a good idea to put the poorhouse on wheels and let each Ward have it in turn for a month. The trouble evidently comes from the name. No one objects to having a well endowed home for old people in their neighborhood, or an orphan's home. If the name of the almshouse were changed to the "Newton Home," we might see all the different sections eager to welcome it.

The discharge of a brass cannon yesterday noon in the yard of L. A. Gammons at West Newton, caused a serious accident. Mrs. Ellen Shea of Lower Falls, who had been in poor health, passed the driveway just as the cannon went off, and she was so startled that she fell to the sidewalk from sheer fright. She received a bad cut on the head in which Dr. Crockett took several stitches.

Several new roads are being built

EDWARD H.

Powers' Paragraphs

In this week's GRAPHIC is a letter from Herbert Kellaway of the Newton Planning Board relative to the use of sidewalks by some storekeepers. Mr. Kellaway remarks that fruit vendors desire to have their windows open to preserve their stock in hot weather. No one can reasonably take issue with merchants who sell perishable food keeping store windows open in hot weather. That is their right. Some markets during the summer months even dispense with the regular glass windows and have the front of their stores covered with a heavy wire screening or grating. But, there is no reason why only a small percentage of merchants should arrogate to themselves illegal use of public sidewalks, thus imposing on the public and obtaining an unfair advantage over the majority of their competitors.

Because of his varied political activities, Charles P. Howard, treasurer of Middlesex County and prominent Republican, is photographed frequently by cameramen of Boston newspapers. And the pictures of Mr. Howard invariably show him wearing a sort of enigmatic, "Mona Lisa" smile.

For the past 10 days or so many Newton householders have been complaining about the water which has been coming out of the faucets in their homes. It has ranged from a pale amber to a deep brown color and has contained much sediment. It may have been potable, but it certainly did not appear fit to drink, or even to wash clothes in. As a result of the condition of the water, the sale of tonic, ginger ale and malt liquors took a large jump in the Newtons. Water Commissioner Murray said that the reason for the discoloration of the water was the big jump in the use of water by Newton residents during the hot spell. Instead of the usual daily consumption of 4 to 5 million gallons, on some days from 10 to 11 millions were used. It became necessary to obtain the additional quantity from the Metropolitan District supply. As in former years this use of Metropolitan water reversed the flow in many of the mains, and this, together with the soft quality of the Metropolitan water, loosened the sediment which forms in all water mains. Employees of the Water Department have been busy flushing hydrants to eliminate as far as possible the discolored water.

Much publicity has been given the past month or more to the pollution of Boston harbor and adjacent bodies of water by sewage from the Metropolitan section. It is estimated that it will cost \$25,000,000, more or less, to correct this insanitary and unsightly condition. The pollution of Boston harbor by sewage that has for many years been emptied into it from the outlets at Moon Island, Deer Island and Nut Island is not news to a large percentage of Greater Boston residents. Those who have sailed the waters of Boston harbor or Quincy bay have been too well aware of the profusion of filth floating on the briny. The writer quit going to L. st. beach over 30 years ago when he observed what the tide brought in there.

Attention has also been called the past week to the polluted condition of the water in the Charles River, especially from Watertown toward Boston. Why are children—and adults—permitted to continue to bathe at public beaches along this stretch of the Charles, and why are the Metropolitan bath houses at these beaches kept open?

The continued drought has brought the water in the Charles River to a very low stage. It has also caused many lawns in this city to become parched and burned.

For a number of years owners of motor vehicles in Massachusetts have had to carry compulsory liability insurance at a considerable cost on passenger automobiles, and a much higher cost on commercial vehicles. This law is to protect the public so that anyone killed or injured by a motor vehicle will receive compensation, or their dependents will receive compensation. It has also been a law in this State that all motor vehicles must carry registration plates so displayed at the front and rear of a vehicle that they can be easily read. These registration plates are also supposed to be kept clean, so that they will be legible. In recent years more and more trucks are permitted to be operated on our highways with the rear number plate so placed under the truck body, or so covered with dirt and grease that it is completely obscured, and might just well not be on the truck. Policemen pay no attention to trucks with such plates, and Registrar of Motor Vehicles Goodwin has instituted no real campaign to correct this violation of the law.

Referring again to compulsory insurance on automobiles in Massachusetts, our attention has been called to the operation of cars in this State—and city under out of State registrations. There is a section in the automobile laws of Massachusetts which permits automobiles to be operated here on out of State registrations, provided those who operate them are not legal residents of Massachusetts, and go to their alleged homes each week-end. We know of at least one such automobile, the owner of which has been employed regularly in this city for several years, and resides in Newton. Each week-end he goes to his legal residence in New Hampshire. For 5 days each week he operates his car in this city, and the other 2 days supposedly in New Hampshire. Yet he does not have to register his car in Massachusetts, or carry expensive compulsory insurance, despite the fact that for 5 days out of each 7 his car is a potential danger to people here, even as is yours and mine. In our opinion, this is nonsensical discrimination.

Have you been co-operating in the campaign to eliminate ragweed in Newton for the benefit of hay-fever victims?

The men and women of Newton who have been striving valiantly during the continued hot, dry spell to keep their lawns and gardens attractive, deserve appreciation from their fellow citizens.

When the writer was a small child, in his home were some of those old-fashioned embroidered mottoes which used to be hung on the walls of rooms, one bore the familiar, old adage—"A Good Name Is Rather to Be Chosen than Great Riches." A kindly, honest, little man who came to our home, stood in front of that motto on more than one occasion and chuckled as he remarked—"One can't get a good name unless he has riches." To our young mind, this cynicism on the part of our adult friend seemed terrible. But, as we grew older, his philosophy appeared to have some truth in it, insofar as deference to the living and homage to the dead is displayed by people in general. This fact has been brought to our attention more than once recently when we observed the respect accorded to men of prominence who died.

One of the deceased who was lauded by leaders in official circles, who was eulogized by prominent citizens, who was praised in editorials by newspapers that profess to stand for high ideals, was a man who had been repeatedly criticised over a long period of years as a most pernicious influence in parties, and as a seeker after fact here, either by fair means or foul. It was commonly alleged that during the prohibition era he was a "big-shot" in illegal liquor traffic. Another deceased, outstanding citizen, alleged altruistic and self-sacrificing, during most of his career held a couple or more lucrative, public offices, and in his quest for wealth was one of a group responsible for causing economic distress to a large number of people in poor and moderate circumstances. We usually follow another old adage—"Let the Dead Bury Its Dead," but the hypocrisy manifested by those in high places, who make much ado in allegedly fostering righteousness, and at the same time eulogize one whose influence in public affairs was actuated by selfishness, constrains us to make this comment.

Hi Ho on 'Darwinian Theory'
"The Darwinian theory," said Hi Ho, the sage of Chinatown, "is very much like good advice. It seems all right enough for people in whom you're not interested, but doesn't help much for personal use."

Recent Weddings

WOODWARD—McKEE

Miss Helen Elizabeth McKee of 18 Chase st., Newton Centre, daughter of Mr. and Mrs. Charles Herne McKee, Jr., of Whitehall, New York, formerly of Newtonville, was married on Saturday afternoon, July 8, to Allan Child Woodward, son of Mr. and Mrs. Edward O. Woodward of 82 Otis st., Newtonville, at St. John's Episcopal Church, Newtonville, by Rev. Raymond Lane, pastor, assisted by Rev. Horace W. Briggs, pastor of the Newtonville New Church Society.

The bride has been for several years secretary of the Newton Community Chest. The bridegroom is connected with the sales department of Cities Service Oil Company. Both are graduates of Newton High School, the groom in 1928 and the bride in 1929.

The maid of honor was Miss Anne Schipper of Newtonville, and the best man Kenneth T. Ingalls of Hingham. The ushers were Paul R. Knight, Jr., of Waltham, Horace S. Fuller of Newton, Henry Pepper of Brookline and Arnold C. Barker of Newton.

Following the ceremony a reception was held at the Brae Burn Country Club, West Newton. After a wedding trip to the Gaspe Peninsula, Mr. and Mrs. Woodward will be at home at 18 Chase st., Newton Centre.

GRAMZOW—CRONIN

Miss Lillian Marie Cronin, daughter of Mr. and Mrs. John J. Cronin of 18 Lengen rd., Newton, was married to John Gottfried Gramzow, son of Mr. and Mrs. William Gramzow of 58 Walnut Park, Newton, on Saturday morning, July 8, in the Church of Our Lady, Newton. Rev. Daniel F. Riordan performed the ceremony.

The bride was given in marriage by her father. She wore a gown of ivory satin and lace in princess style with a long tulle veil which fell from a coronet of orange blossoms, and carried a shower bouquet of roses and lilies of the valley. Miss Mildred Cronin, sister of the bride, was the maid of honor. She wore a hoop-skirted gown of blue net over taffeta trimmed with yellow velvet, with a bonnet to match and carried yellow tea roses. The bridesmaids, Miss Helen Cronin, sister of the bride, and Miss Mary Gramzow, sister of the groom, wore hoopskirted gowns of yellow net over taffeta trimmed with blue velvet with bonnets of yellow and carried Colonial bouquets of blue delphinium.

William Gramzow, brother of the groom, was the best man. Another brother, Thomas Gramzow, and Joseph Cronin, brother of the bride, served as ushers.

Mrs. Cronin wore a gown of navy blue lace with a corsage of red roses. Mrs. Gramzow wore powder blue lace with a corsage of pink roses.

A reception was held at the Philomatheia Club, Chestnut Hill. Mr. and Mrs. Gramzow are on a motor trip to Canada and the Middle West and on their return will reside in Newton.

Both Mr. and Mrs. Gramzow are graduates of Our Lady's High School and Mr. Gramzow of Boston College, Class of 1933.

SHAPIRO—GORDON

A picturesque wedding of charm and beauty took place at noon on June 25th, at the home of Mr. and Mrs. George E. Gordon, 100 Woodchester Drive, Chestnut Hill, Mass., when their daughter, Ruth Eleanor, was united in marriage to Mr. Carl Shapiro, son of Mr. and Mrs. Aaron Shapiro, 140 Columbia st., Brookline.

Under a canopy of Shiboteum ferns, amidst a setting of white peonies, white gladioli, and blue larkspur, the ceremony was solemnized by Rabbi Samuel Segal of New York, cousin of the groom, and Rabbi Samuel N. Sherman of Temple Emanuel of Newton.

The bride was charming in her wedding gown and veil of tulle, and she carried the Bible that her mother carried 23 years ago, covered with white orchids and lilies of the valley.

Miss Audrey Elaine Gordon, Long School of Music, 1939, sister of the bride, as maid of honor, was gown in pink lace and large pink picture hat, trimmed with blue, and carried an old-fashioned bouquet in shades of pink, blue and yellow.

GASPARRI: on June 27 to Mr. and Mrs. Angelo Gasparri of 26 Cottage pl., a son.

DENTY: on June 26 to Mr. and Mrs. Joseph Denty of 232 Auburndale ave., a son.

with her gown of gray chiffon and matching hat.

Following the wedding ceremony and dinner to the immediate family, a reception was held in the garden to a host of friends. The newlyweds were assisted in receiving by their parents, and Mrs. Abraham Shapiro of New York, President of the Mizrahi Women's Organization in America. Mrs. Shapiro is an aunt of the bridegroom.

The bride is a Wellesley graduate of 1937, and the groom of Boston University, 1934. The couple are expected home in about a month, after a honeymoon at Castle Harbor, Bermuda, and will reside in Newton.

DeBARD—DOUGLAS

Miss Katherine DeC. Douglas, daughter of Mrs. Walter DeC. Douglas of Overbrook, Pa., was married to Stuart DeBard, son of Mr. and Mrs. Davis M. DeBard of 73 Highland st., West Newton, on Friday afternoon, July 7, at four o'clock. The ceremony was performed at the home of the bride's mother.

Mrs. Guilbert Q. Wales of Cohasset, sister of the bride, was the matron of honor, and Miss Barbara Woods of Haverford, Pa., the maid of honor.

David C. Crawford of Detroit, Michigan, was the best man. Kenneth W. Brown and Charles Brown of Brookline, William P. Jones of Plymouth, Guilbert Q. Wales of Cohasset, James Kernan of Utica, New York; Edwin O. Tilton of Worcester, Richard C. Johnson of Swampscott and Alexander Gucker of Philadelphia, Pa., served as ushers.

The bride is a graduate of the Shipley School, and is a member of the Junior League. The groom is a graduate of Harvard College and Harvard Law School. He is a member of Delta Upsilon fraternity. He is associated with a Boston law firm.

CRAM—BAXTER

Mrs. Muriel C. Baxter of 54 Maple st., Auburndale, was married to Malcolm Sumner Cram, son of Mr. and Mrs. Charles Cram of Melrose, on Saturday evening, July 8. The ceremony was performed at eight o'clock in the home of the bride's brother, Mr. Warren H. Conn of 77 Arnold rd., Newton Centre, by Rev. Ralph H. Rogers of the Auburndale Congregational Church.

Mrs. Howard Bodwell of Hollywood, Calif., was the matron of honor. Burley T. Cram, brother of the groom, was the best man.

The bride, who is the daughter of Mr. and Mrs. Chauncey B. Conn, is a graduate of the Newton High School and of Tilton Academy.

Mr. and Mrs. Cram will reside at 102 Charlesbank rd., Newton.

OLIVER—DOANE

Mr. and Mrs. William Farris of Salem have announced the marriage of their daughter, Mrs. Mabel Farris Doane of Newtonville, to Mr. Warren W. Oliver of Newtonville, which took place on June 24 in the Central Church, Newtonville. Rev. Randolph Merrill performed the ceremony. Mr. Oliver is the treasurer of the Newton Co-operative Bank.

QUINN—O'ROURKE

Miss Marie Ann O'Rourke of 665 Washington st., Newton, daughter of Mr. John F. O'Rourke of Newton Upper Falls, was married to John William Quinn, son of Mrs. Mary Quinn, of Newtonville, on Sunday afternoon, July 9, at three-thirty in the Church of Our Lady, Newton. Rev. Daniel Riordan performed the ceremony.

The bride was given in marriage by her brother, Richard O'Rourke of Bay Side, Long Island. Her gown of white tulle lace over satin was in princess style with a full skirt and long train of tulle. She carried white roses, sweet peas and baby's breath. Miss Pearl Wainwright of Newton Upper Falls was the maid of honor and the bridesmaids were Miss Mary Grant of Newton Centre and Miss Gertrude Wainwright of Newton Upper Falls. The maid of honor wore a hoopskirted gown of aquamarine lace net with yellow accessories and a heart shaped hat with a face veil. She carried yellow tea roses and baby's breath. The bridesmaids wore gowns similar in style of yellow with accessories of aquamarine and bonnet shaped hats of tulle. They carried bouquets of yellow roses.

James Robert Quinn, brother of the groom, was the best man. John Ham of West Newton and Harry Callon of Chestnut Hill were ushers.

A reception was held in Bay State Hall, Newton, following the ceremony. Assisting the couple in receiving were the bride's father and the groom's

mother, Mrs. Richard Macky, an aunt of the bride of New York. Mr. and Mrs. John Harper, uncle and aunt of the bride, Mr. and Mrs. John Hommel of Boston and Mrs. C. Benkly.

On their return from a wedding trip to New York, Mr. and Mrs. Quinn will receive at the Colonna Apartments in Newtonville where they will be at home after July 20.

HORTON—SMITH

Mr. and Mrs. G. L. Horton of 59 Otis st., Newtonville announce the marriage of their son George, Jr., to Miss Irene Alice Smith on June 24th at Chicago, Ill.

Two on Bicycle Collide With Car

The hazard of two persons riding on one bicycle was again proved on Monday afternoon at 1:20 when a collision occurred at the corner of Pearl st. and Jackson rd., Newton, between a car driven by Phillipa Patey of 57 Grove Hill ave., Newtonville, and a bicycle operated by Walter Jennings, 15, of 5 Cook st., Nonantum. Young Jennings' sister, Faith, 14, was riding on the handlebar of the bicycle. The front wheel of the bicycle was broken off, and its two riders received injuries to their legs. Miss Patey took them to a Newtonville physician for treatment. She reported to the police that she was proceeding easterly on Jackson rd., and stopped when she reached Pearl st. As she started the car again, the bicycle collided with it.

Heat Overcomes Upper Falls Man

Arthur Landry, 45, of 25 Mechanic st., Upper Falls, was overcome by the heat last Friday while working on a WPA project at Duxbury rd., Newton Centre. He collapsed and was taken to the Newton Hospital in the police ambulance.

VACATION BIBLE SCHOOL

The Vacation Bible School, sponsored by the Churches of Newton Centre, began in that village July 10th, on Andover Newton Hill. It is being held morning for five days each week, and will continue until August 5. Children may still enroll for the remaining three weeks. Any of our community children ranging from nursery age through sixth grade will be welcome. Worship stories, handicraft and games fill the program. The faculty in charge consists of Miss Lola A. White, Director and Kindergarten Supt.; Mrs. Blanche Hall and Mr. Donald Berry, Junior Dept.; Mrs. Fred Dower, Primary Dept.; Mrs. William Mansfield, Nursery Group; Mrs. Hugo Sharp, Registrar and Organist; and high school helpers.

Takes Overdose of Sleep Tablets

Mrs. Mary Coleman, 37, of 59 Bowers st., Newtonville, took a large number of sedatives tablets last Friday noon. When her husband could not awaken her on Friday night, he notified the police. She was taken to the Newton Hospital in the police ambulance and given treatment. She revived on Saturday morning.

New Book in Library By Former Newton Woman

The Newton Library has had added to its new books a copy of "Lantern Light," which came as a gift from the author, Mrs. May Cole Kuhn, of Mountainview, Calif. It is the story of a Chinese girl whom Mrs. Kuhn took as a foster child. Mrs. Kuhn is a former Newton girl who attended the elementary and high schools in Newton. She is the author of two previous books, "Golden Memories," and "Moral Education in the Home," the latter of which is in Chinese. Mrs. Kuhn reports that as Miss Cole, she used to write doggerel for the Newton papers forty years ago.

FRESH PICKED GREEN PEAS FRESH PICKED

NEW CROP TELEPHONE PEAS

PECK BASKETS WELL FILLED each \$1

1/2-peck basket at the peck rate

These Telephone Peas are a new variety of pole peas, grown under a new system of Trellis culture. The quality is the best and you may have your peas picked fresh just before you wish to use them. We invite you to visit the gardens and see these peas growing 5 ft.-6 ft. high on trellises.

The following is a list of fresh vegetables picked daily on our Waban and Wellesley farms

CARROTS	BEETS	KOHLRABI
BROCCOLI	SWISS CHARD	PARSLEY
SUMMER SQUASH	GREEN and	CELERY
HEAD and	WAX BEANS	RHUBARB
ICEBERG	SCALLION'S	CABBAGE and
LETTUCE	TOMATOES	RADISHES

We expect to have Kentucky Wonder Pole Beans about July 20 and Golden Bantam Corn the following week.

LESS THAN 3¢ A DAY*

*that's all it costs for the electricity to operate one of these fine new

1939 ELECTRIC REFRIGERATORS in the average home

☆ FRIGIDAIRE
 ☆ GENERAL ELECTRIC
 ☆ KELVINATOR
 ☆ NORGE
 ☆ WESTINGHOUSE

Just take three pennies out of your purse. Those three little coppers can deliver more pleasure (frozen desserts, scores of ice cubes), more health (from good food protected at the proper temperature) than they ever could before. That's because modern Electric Refrigerators have been steadily improved until now it takes less than three cents to operate a 1939 Electric Refrigerator all day long in the average home.

Take a short tour through your nearest Edison Shop or stop in at your electrical dealer's and discover how easy it is to enjoy the kind of refrigeration you really want, how economical it is to own and operate a brand new 1939 Electric Refrigerator.

These tours leave Boston each Saturday from July 1 to September 2.

Tickets for all the above cruises may be obtained from the Newton Steamship Agency, 11 Centre ave., Newton. Phone Newton North 4501.

—The interest rate is low. Convenient monthly payments clear your home of debt on the plan best suited to your needs.

Why not stop at the bank today for a friendly talk about YOUR mortgage requirements!

By virtue and in execution of the Power of Sale contained in a certain mortgage given by George H. Larsen and Carolyn B. Larsen, his wife in her right, to Newton Trust Company, dated November 30, 1937, and registered as Document No. 149775 on Certificate of Title No. 42408 in the South Registry for Middlesex County, Book 284 Page 181, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten (10:00) o'clock A.M. on the seventh (17th) day of August 1939, on the mortgaged premises all and singular the premises described in said mortgage:

TO WIT: "a certain parcel of land with the buildings thereon, situated in Newton, in the County of Middlesex, and Commonwealth of Massachusetts, bounded and described as follows:

SOUTHERLY by the Northernly line of Commonwealth Avenue twenty (20) feet;

WESTERLY by land now or formerly of Harry B. Knowles eighty (80) feet;

NORTHERLY by land now or formerly of Nora J. Conroy twenty (20) feet; and

EASTERLY by the middle line of a way on said Conroy land eighty (80) feet.

All of said boundaries are determined by the Court to be located as shown on a plan, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 169, Page 197, with Certificate 25841.

The above described land is subject to and has the benefit of mutual rights and easements as set forth in grants between Merrill C. Nutting in his name and Nora J. Conroy by an instrument dated Feb. 9, 1927, duly recorded in Book 5067, Page 169.

Including as a part of the realty all portable or sectional buildings and all furnaces, ranges, heaters, plumbing, gas and electric fixtures, screens, mantels, shades, screen doors, storm doors and windows, oil burners, gas or electric refrigerators, air conditioning apparatus and all other fixtures of whatever kind and nature at present or hereafter prior to the full payment and discharge of this mortgage placed or installed in or on the granted premises in any manner which renders such articles usable in connection therewith, so far as the same are a part of the realty either as matter of fact or law or can be made so by agreement of the parties hereto including subsequent owners of the mortgaged premises."

Said premises will be sold subject to any and all unpaid taxes or other municipal liens and assessments, and to tax titles outstanding, if any.

TERMS OF SALE: Five Hundred Dollars (\$500.00) in cash or certified check is to be paid by the purchaser at the time and place of the sale, and the balance within ten (10) days. Other terms to be announced at the sale.

By: William M. Cahill, Treasurer. July 13, 1939, July 14-21-28.

The Doctor MUST Give Service

A Medical Clientele Is Based On

Confidence

Much of the Patient's response to treatment depends on confidence in his Doctor. Not only is there a physical reaction to this feeling of confidence in the method of treatment, but the fact that you believe in your Doctor, causes you to follow instructions more carefully.

This confidence of the Patient can come about through only one thing—satisfactory service and the knowledge that your Doctor is competent.

This confidence of the Patient, is the chief foundation of a Doctor's practice.

Naturally, it is up to the Doctor to render the highest type of service, if for no other than selfish reasons.

Edw. J. DOOLEY Ph.G.
REGISTERED PHARMACIST
NEWTONVILLE, MASS.

THIS IS No. 9 OF A SERIES "TELLING THE PUBLIC ABOUT THE DOCTOR"

CHRISTIAN SCIENCE

"Life" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, July 16.

The Golden Text is: "Seek good, and not evil, that ye may live; and so the Lord, the God of hosts, shall be with you, as ye have spoken" (Amos 5:14).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life" (1 John 5:20).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we realize that Life is Spirit, never in nor of matter, this understanding will expand into self-completeness, finding all in God, good, and needing no other consciousness" (p. 264).

You Can Own Now—With the Right Kind of Mortgage—

A mortgage planned to your requirements by the Newton Savings Bank will enable you to finance a home of your own . . . at a cost well within your income.

The interest rate is low. Convenient monthly payments clear your home of debt on the plan best suited to your needs.

Juvenile Vandals Busy In City

Another instance that Newton is not so blessed by freedom from disorderly children as court records might show was evidenced last week when vandalism at the home of John J. Murray, 60 Commonwealth Park West, Newtonville, was revealed. In the absence of the family at that address, a gang of boys ranging from 8 to 13 years, destroyed potted plants, broke down a small tree, smashed a number of windows, and pushed firecrackers and lighted papers through the mail slot at the house. Fortunately no fire resulted. Patrolman McCormick ascertained who the culprits were. They were punished by being lectured by the policeman, and by their parents being informed of their vandalism.

Thirty windows in the Angier School at Waban have been broken since the school closed last month.

Newton Girls Enrolled At Sargent Summer Camp

Among the more than 100 girls enrolled for the ninth summer in Boston University's Sargent Summer Camps on private Half-Moon Lake are the following Newton residents: Patricia Leydon, daughter of Mr. and Mrs. Thomas W. New Display Truck Shows "Invisible Marking"

Starting Monday of this week a new display truck appeared on the highways sponsored by the Pilgrim Laundry in Boston. This modern-looking truck has a show window on either side of the body with flashing signs telling the story of Invisible Marking, a recently developed system for the 100 per cent complete identification of all articles sent to the laundry. A display in each window shows actual laundered goods bearing Pilgrim's new Invisible Laundry Marks. First, these garments are shown under the magic "Seeing Eye Ray" revealing the customer's personal laundry mark, then white lights are turned on leaving the garments without any trace of the marks just seen. This "Seeing Eye Ray," with which Pilgrim Laundry is completely equipped, is the only known light under which these identification marks can be seen. This truck, with its flashing colored lights, presents a very pleasing sight to the eye, and has been received with more than unusual interest in the communities in which it has been shown.

Indelible black laundry marks and removable metal clips, the two systems now in general use, are both ugly and disfiguring on articles of wearing apparel, nice table linen and other flat work. With this in mind, Pilgrim Laundry has been the first to promote this latest scientific identification system for the protection of laundry customers in the more than 200 communities which it now serves.

An Uncle Ab Saying

Uncle Ab says that the most important thing about a hat is what's under it.

West Newton

—Mr. and Mrs. Russell McIntyre of 12 Fairfax rd. spent last week-end in Duxbury.

**MORTGAGEE'S SALE
OF REAL ESTATE**

By virtue and in execution of the power of sale contained in a certain mortgage deed given by William F. Brown, being unrecorded, to East Cambridge Savings Bank, dated February 8, 1927, recorded with Middlesex South District Deeds Book 346, Page 317, or breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on the premises hereinafter described on Tuesday, August 8, 1929, at three thirty o'clock in the afternoon, all and singular the premises conveyed by said mortgage deed and thereunto substantially described as follows:—
That certain lot and building with the building and improvements thereon, including a furnace, heaters, ranges, mantels, gas and electric lighting fixtures, and all other

fixtures of whatever kind or nature contained in said buildings, including the following: A certain well-known Chestnut Hill being shown as lot EIGHT (8) on a plan entitled "Subdivision of land belonging to McEwan & Nutting," dated September 1925 by Henry F. Beal, District Deeds in plan book 361, plan 16, and bounded and described as follows, namely:

Westward four and one-fourth (4 1/4) feet; Easterly by the course, formed by the intersection of the four and five, 100 feet; Southwesterly by said Morrill Road, ninety-three and eight-tenths (93.8) feet; and Easterly by said plan, one hundred (100) feet; and Northwesterly by the line now or late of lot 10, containing 10.52 square feet (103.82 feet), containing 10.52 square feet. The said premises will be sold subject to all valid claims and liens, \$400 in cash will be required to be paid at the time of the sale, and the balance of ten (\$10) will be required to be paid at the date of the sale at 292 Cambridge Street, Cambridge, Mass. The time of the sale, East Cambridge, Mass., is the first Monday of the

bridge Savings Bank, by Charles H. Sloan, Treasurer. Mortgage and present holders. For further information apply to East Cambridge Savings Bank, 292 Cambridge Street, Cambridge, Mass.

RECENT DEATHS

JOHN F. HECKMAN

John Franklin Heckman, for many years a resident of Newton Highlands, died on July 1 in Buenos Aires, Argentina where he had resided since 1914. He was born in 1846 at Kennebunkport, Maine, and came to Boston when 16, obtaining employment with Horace Billings, a tanner. He later became a partner in the business under the firm name of Heckman, Bissell & Company.

A large part of his life was spent in Newton Highlands where he took an active part in local affairs. He served two terms as a member of the Newton Common Council and was one of the incorporators of the Newton Co-operative Bank. He was one of the founders of St. Paul's Episcopal Church and served as a vestryman there for 25 years. In 1869 he married Wilhelm Currier of Boston. He is survived by a son, William W. Heckman; five grandchildren; and seven great-grandsons.

Cullen

(Continued from Page 1)

the benefit of Mr. Cullen, sent the following recommendation to the Board of Aldermen: "In the Fire Department the Superintendent of Motor Equipment has the rating of and salary of a Captain. The office of Captain in the Fire Department corresponds to that of Lieutenant in the Police Department. I recommend that the city ordinance be changed so that the office of Sergeant-Mechanic be eliminated, and provision made for 4 Lieutenants (of the Police Department) instead of 3, so that the Superintendent of Equipment in the Police Department may have the rank of Lieutenant."

The Board of Aldermen voted "no action necessary" on this recommendation of Mayor Childs. Subsequently the Mayor made another attempt to have Cullen promoted to the rank of Lieutenant, and again the Aldermen refused to accede to his recommendation.

Yesterday Police Chief Michael Hughes instructed Cullen to come to his office and officially notified him that he would receive no further pay inasmuch as the office of sergeant-mechanic had been abolished. Chief Hughes ordered Cullen not to continue to report for duty, and not to make any more purchases of automotive equipment or supplies for the department.

Cullen, on that day had received a check for the small amount due him for the day or two he had worked between his last pay period and July 1. He informed Chief Hughes that he will take legal steps to retain his standing in the police department and that he will continue to report for duty, which he did this morning. After his interview with Chief Hughes yesterday, Cullen went to City Hall and conferred with Mayor Childs. The Mayor in commenting on the matter yesterday said: "Now we'll find out if Civil Service means anything and, if so, what it means. If a policeman or a fireman can be dropped this way, it would be a surprise to all of us. I always thought that civil service meant protection. Now we will see if it really does."

LENA MANCINI

Mrs. Lena Mancini of 154 Reservoir st. died on Wednesday, July 5.

Mrs. Mancini is survived by her husband Dominic Mancini of 154 Reservoir st. and an infant child also her father and mother and two brothers residing in Wakefield, Mass.

Funeral services were held from her late home on Friday, July 7, at 8 a. m. followed by a requiem high mass at the Mary Immaculate of Lourdes Church at 9 a. m. Burial was in St. Mary's Cemetery, Needham.

MINNIE F. IRVING

Mrs. Minnie F. Irving, wife of James A. Irving of 52 Boyd st., Newton, died at the Newton Hospital on July 10. She was born in Newton 68 years ago, the daughter of Richard and Mary Ann (Smith) Bates. Mrs. Irving was a member of the Eastern Star. Besides her husband she is survived by a sister, Mrs. Hiram Hartford of Shirley. Her funeral service was held at her late home on Thursday afternoon.

WILLIAM SCRIBNER

William E. Scribner, formerly of Auburndale, died on July 5 at the Waltham Hospital. He was born in East Boston and lived nearly all his life in Auburndale, moving to Waltham about a year ago. His funeral service was held Saturday at Corpus Christi Church, Auburndale. He is survived by two brothers, Edward and Fred Scribner, and two sisters, Mrs. Mary Troop and Mrs. Catherine Lewis, all of Auburndale.

A Whopper

Ira Jenney of 31 Winchester st., Newton Highlands, proudly displays a 28-inch, 8½ pound striped bass he caught in the Weweantic River at Wareham.

Stealing Truck, Crash Into Fence

Two youths, who attempted to steal a small truck owned by Thomas Relf of 11 North st., Newtonville, were foiled Monday night when they drove the truck into a closed gate at a wire fence. The gate held and the thieves jumped from the entangled truck and fled. Relf rushed out of his house when he heard the motor of the truck being started about midnight. To avoid Relf, the thieves instead of backing the truck out the driveway, steered it toward the fence gate.

"Let sleeping dogs lie," says the superior court of Los Angeles, California. Miss Cecile Koehler brought suit against a dog owner for damages resulting from a bite by his pet. In court it was shown that the animal, ordinarily of gentle and friendly disposition, had bitten Miss Koehler only after she had picked it up suddenly by the forelegs while it was asleep. The suit was dismissed with the ruling that a dog has the right to bite a person who disturbs its sleep.

The tail of a dog, at first sight, may seem of little importance, but if you watch a dog closely you will perceive that the animal makes great use of his tail as a sort of air rudder or balancing pole. I have noticed that it seems helpful in making sharp turns while the animal is running. Dogs who have lost their tails through accident late in life often appear a little unsteady for a time. Of course, an animal whose tail is docked while he is a puppy never learns to depend upon it to aid him in getting around, but it appears to be mighty important to those dogs who grow up with a tail. Incidentally, the tail of a dog is made up of many short sections of bone.

Don't bite your dog unless you can take a return bite. So a man in Ohio recently discovered. He was having some fun with his little Boston Terrier and playfully bit the animal's ear. Up to that point the pup, too, thought the playing was fun, but after the bite on the ear he decided to bite back, a gesture which sent the man to the hospital. The moral, if any, is to do nothing to any dog that you would not like to have the dog do to you.

Last week I encountered a man whom I have known since childhood. Years ago he was very wealthy and successful. Today he is destitute. With him was an aging Setter which had accompanied him on many a hunting trip in the "good old days," a dog that always had received the best of care and attention.

My friend's family had slowly drifted away as his fortune departed. Only the dog remained. The man spoke to his pet, "You won't leave me, will you?" The dog muzzled up to the man's hand. His big brown eyes looked longingly up at his master as if he were saying, "I'm happy just to be near you. I want nothing more than an occasional pat or kind word."

Feeding charcoal to puppies has been found helpful in keeping them free of worms. It acts both as a preventive and as a cure. Powdered charcoal may be mixed with the dog's food; in doses of one-half to one teaspoonful twice a day. On the market today are charcoal dog biscuits which are perhaps the simplest method by which to give your dog his charcoal quota. They are inexpensive and make a healthful addition to his menu. It is advisable, nevertheless, to have your pet checked by a competent veterinarian. There are many different kinds of worms that a dog may have and many can be seen only in a microscopic examination. Have your dog checked at least once every six months, for worms are the cause of more canine deaths than any other illness.

On a per pound basis, dogs often come quite high. A prize-winning Poodle was recently sold by an English fancier to an American buyer for \$3,500. The fuzzy white dog weighs only 28 pounds, so the buyer paid

Stolen Pocketbook Found in Pool

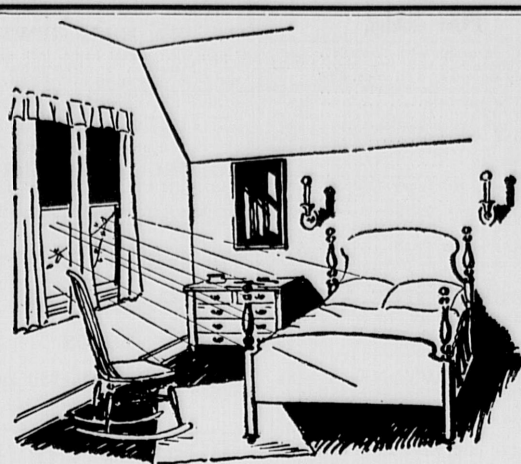

One of the five pocketbooks stolen from the home of Mrs. Ruth Schwab, 230 Cabot st., Newtonville, last week while a bridge game was in progress, was found floating on Tuesday in a large pool at the estate of Charles E. Riley, 93 Bellevue st., Newton. The pocketbook was the property of Ruth Gould, 36 Oxford rd., Newton Centre. Inspectors Burke and Hammell endeavored to locate the other four pocketbooks in the pool, but did not succeed. A neighbor of Mrs. Schwab's saw two youths on bicycles fleeing about the time of the robbery. Whoever committed the burglary is well acquainted with the neighborhood of the Riley estate, as the pool where the pocketbook was found is sequestered.

Former Newton Man Heads High School

Frederic M. Hodge, who was born in Newton 36 years ago, was elected principal of the Barnstable High School last week. He graduated from Newton High School in 1920 and from Harvard College in 1924. In 1925 he was appointed a teacher in the Cotuit High School and in 1927 he was transferred to the Barnstable High School. He became assistant principal of the school in 1930. He resides in Hyannis.

Auto Breaks Pole At Newton Center

A car driven by Jack Williams of Wellesley st., Weston, hit a telephone pole on Ripley st., near Langley rd., Newton Centre, about 10:30 Sunday night, breaking the pole several feet from the ground. Williams reported the accident at police headquarters a few hours later and stated that he was forced off the road by another automobile.

**Need More Bedrooms - - ?
- - Use the Attic Like This!**

Very few families have ever built a house in which they thought there were sufficient bedrooms . . . there is always room, and need, for one more sleeping room.

The quickest, easiest, and cheapest way of finding that extra room for the boy, the visiting relative, or the hired girl, is to finish it off in the attic.

We can show you how to add a room in the attic which is just as serviceable as any bedroom you now have . . . and just as attractive too.

Cullen Claims Records of Civil Service Incorrect

Attorney Hurley Applies For Two Writs of Mandamus Against Officials

Sergeant-Mechanic Bart Cullen of the Newton police department, whose job was abolished on July 1st by action of the Newton Board of Aldermen, informed the GRAPHIC last Monday that the article published in the GRAPHIC of July 4 relative to his record which was taken from Civil Service files was incorrect and unfair to him.

The GRAPHIC article stated that according to the Civil Service record, the examination taken by Cullen for the newly created office of patrolman-mechanic in 1921 was non-competitive. Mr. Cullen says that examination was competitive. He says that notice of the examination was posted at police headquarters, that it was open to all patrolmen who had served 2 years or longer, and that at least two other patrolmen made applications to take the examination; but did not take it. Cullen said that the item in his official record stating that on Feb. 23, 1922, his employment in the Newton Police Department was authorized as needed; said employment ceasing two days later, was misleading. This item, as a matter of fact, referred only to the detaching of Cullen, with a dozen or more policemen for duty at Balaugh's Pond and other skating areas. In the GRAPHIC article of July 14 it stated that the following entry is contained in Civil Service files—"July 5, 1929; name (Cullen's) cannot be certified for regular appointment (as sergeant), as he is number 7 on eligible list; no objection to appointment as acting-sergeant, such appointment to continue as long as he continues as mechanic and in charge of police headquarters garage; appointment as acting-sergeant will not give him any right to take examination for Lieutenant, and for that purpose he will be considered as having rank of patrolman only." Mr. Cullen states that there was no such understanding, and no such restriction by the Civil Service, and as proof of his contention he cites the fact that he took an examination for Lieutenant following the death of Captain Joseph Seaver in 1933.

Not referring to the article in the GRAPHIC, Mr. Cullen commented that he was the first regular member of the Newton police department to enlist for service in the World War. On Oct. 10, 1917, he enlisted in the U. S. Navy and served in submarine and convoy duty in foreign waters. He also stated that he is the only member of any police department in this State who is certified as an approved adjuster of brakes and lights on automobiles.

To refute the allegation that he has not performed regular police work, Cullen said that he had been on duty in uniform as a sergeant, in charge of a detail at a Boston College football game, and he has also done street duty as a sergeant (in civilian attire) during drives to test equipment on automobiles. Referring to claims made during the past year or so that accidents in which Newton motorcycle officers were injured, and claims made that the accidents could have been avoided had the motorcycles been in good condition, Mr. Cullen said that the motorcycles involved were in good condition. He said that in one accident the motorcycle officer collided with the automobile, and the driver of that car was not to blame. In the other accident, although at first a complaint was to be asked for against the operator of the automobile involved, no complaint was issued, because evidence showed that this driver was also not to blame.

Mr. Cullen says that he was ordered by Mayor Weeks to assume control of the purchase of gasoline, oil, automobile.

(Continued on Page 2)

Break Windows

During the past week 78 panes of glass in windows at the Weeks Junior High School, Newton Center, were broken. Recently 30 panes of glass in windows at the Angier School, Waban, were found broken. Patrolman Clement Barry learned the identity of the culprit responsible for the breaking of the windows at the Waban School. The parent of this 8 year old boy will be asked to pay for the damage done. Schools as well as residences seem to be targets for window breakers in this city.

Elderly Man Killed By Auto At Newton Ctr.

Clarence M. Hazen, 63, of 4 Church rd., Newton, was hit and fatally injured last Saturday afternoon as he was crossing Centre st. near Ballard st., Newton Center, by an automobile driven by Sylvester Murphy, 19, of 15 Winthrop ave., Newton. Mr. Hazen received fractures of the skull and right leg and died at the Newton Hospital on Tuesday morning at 8 o'clock. His death was the third automobile fatality in Newton this year. He had alighted from his butter and egg truck and was walking across Centre st. when he was hit and thrown about 20 feet by the station wagon driven by young Murphy. The police will ask for complaints against Murphy.

Mr. Hazen was born at Grennsboro Bend, Vermont, and had resided in this city for about 20 years, most of that time on Boylston st., Newton Highlands. He is survived by his widow, Mrs. Mary Barnes Hazen; a daughter, Mrs. Dorothy Reed; and a son, Lloyd E. Hazen, all of Church rd. Mr. Hazen's funeral service was held at Mount Auburn crematory chapel on Thursday afternoon. Rev. Mr. Heath of Immanuel Baptist Church officiated, assisted by Rev. C. Arthur Hazen of Norwich, Vermont, a nephew of the deceased.

WPA Orchestra To Give Concert

A large and enthusiastic audience attended the Concert presented by the Newton Federal Orchestra, at the Hawthorn playground, corner Watertown and Hawthorn sts., Nonantum, last evening.

The Newton Federal Orchestra is under the supervision of Albert H. Webber, and Robert P. Kelley conductor.

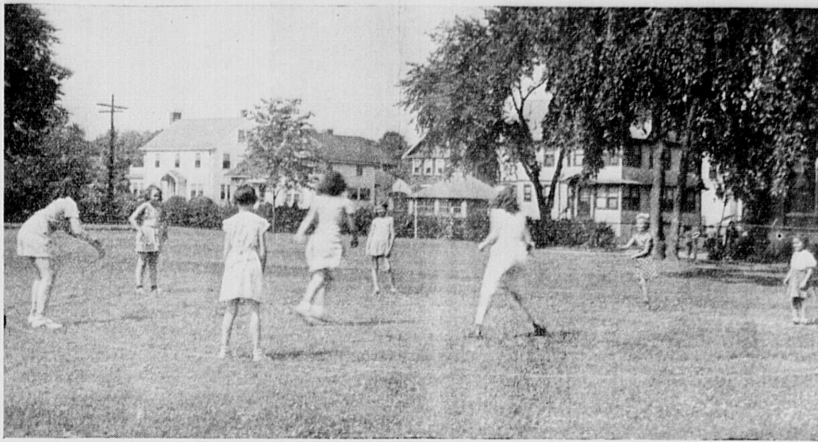

The following program will be presented on next Tuesday evening at 8 o'clock P. M. at the Hawthorn playground.

Star Spangled Banner

Girl Breaks Leg In Softball Game

Although "soft-ball," the current rage in outdoor sports, is supposed to be a soft, safe game, it caused Barbara Walsh, 14, of 388 Lexington st., Auburndale, to fracture her right leg on Wednesday afternoon at the Auburndale playground. Barbara was running to first base when she stumbled and fell. Barbara was taken to the Newton Hospital in the police ambulance.

Playing Dodge Ball at Cabot Park Playground

Hatfield Estate Is Insolvent

Uncollectable Loans Cause Big Shrinkage In Assets of Former Official

The estate of Charles E. Hatfield, former Mayor of Newton and Treasurer of Middlesex County, was declared last Friday by its executors to be insolvent. The executors, the Old Colony Trust Company and Miss Alice L. Frost, filed a representation of insolvency in Middlesex Probate Court at East Cambridge. According to the figures they filed on Friday, the value of Mr. Hatfield's estate at the time of his death was \$346,021; his liabilities totaled \$351,362; and the probable cost of administering the estate will be \$25,000. Last December when the executors filed bonds, the value of the estate was estimated at \$25,000 in real estate and \$25,000 in personal property. Mr. Hatfield died on November 10, 1938.

A considerable portion of the estate, which was listed as assets, was pledged as security for debts of another person. The representation of the executors does not name this person. Among the creditors listed is the First National Bank of Boston, \$170,149.27, and held at that bank as security for it and others, are promissory notes of Hugh M. Clark, appraised at \$217,200. One of the promissory notes by Hugh M. Clark, listed as an asset of the Hatfield estate, and pledged as collateral, was dated as recently as March 15, 1938, and due dates extend at intervals until 1948 in amounts of \$20,000. Other creditors are Home for Aged Couples, Boston, \$30,000; State Street Trust Company, \$18,016.52; National Shawmut Bank, \$19,927.

In the executor's inventory of Mr. Hatfield's estate, loans made by Mr. Hatfield to a number of persons, including some prominent politicians, are listed as worthless. The law firm of Bingham, Dana & Gould represents the executors. Judge John Leggat made a decree in the representation of insolvency by which commissioners will be appointed to receive claims of creditors.

Order More Dogs Kept In Restraint

A dog owned by James Goddard of 47 Cross st., West Newton, was ordered restrained on Wednesday after it had bitten Sheila Quinn, 3, of 12 Cross st. A dog owned by Mrs. E. C. Appleton of 55 Evergreen ave., Auburndale, was ordered restrained after it had bitten Vincent Martin, a letter carrier. Other dogs ordered restrained are those owned by Carl Kell, 22 Haleson rd., Newton Center; Timothy Delaney, 157 Charlesbank rd., Newton; Mrs. John Woodward, 367 Centre st., Newton; Hollis Wyman, 18 West Pine st., Auburndale.

PROCLAMATION

Ragweed is one of the chief causes of hay fever. A campaign to destroy it is well under way. Much was accomplished last year; more can be this year.

If each will take care of his own premises, great good may result. Let's do it now.

EDWIN O. CHILDS, Mayor.

Drop In Number on Relief In Newton

An appreciable drop in the number of families receiving welfare aid from the city of Newton was in evidence during the month of June. During that period 565 families in the city received aid, and the cost to the city was \$20,000. During June in 1938 there were 650 families on the relief rolls in Newton, and \$20,700 was expended. In May of this year there were 615 families receiving aid, and the cost was \$22,000. The drop in relief cost to the city will probably be of short duration, however, as it is expected that 200 men who have been on WPA projects will be dropped, and a large percentage of these, and their dependents, will apply for aid to the city.

Newton Italians Celebrate Fiesta

The annual fiesta conducted by the Maria del Carmine Societe of Nonantum was held at the Hawthorn playground on Saturday, Sunday and Monday. The Puccini Band of Boston gave concerts at the playground each evening. On Sunday afternoon the customary parade was held from the Church of Our Lady over streets in the Nonantum district and to the playground, where the statue of Our Lady of Mount Carmel, which was the honored feature of the parade, was placed in a shrine. The parade was headed by Carmine Vitti, chairman of the fiesta committee, and Mayor Childs; together with Pasquale Marocco, Nicolo Zoglia and Nazario Gentile. Various Italian societies from Newton and adjoining places marched, in addition to hundreds of women and children.

After the marchers had arrived at the playground, a panegyric on Our Lady of Mount Carmel was delivered by Rev. Corrado Martezello of Sacred Heart Church, Boston. Other speakers were Rev. John Sheridan, pastor of Our Lady's Church, and Mayor Childs. Both exhorted the large gathering to practice the essentials of religion and to be loyal to their religious duties.

Monday night a display of fireworks at the playground was the climax of the fiesta. It attracted about 15,000 persons and created a traffic jam at Nonantum. During the three nights of the fiesta several Nonantum streets were illuminated with arches of varicolored lights.

Ragweed Campaign Waged Earnestly

Many Organizations and Persons Co-operate In Getting Rid of Nuisance

Much enthusiasm has been shown throughout Newton in the "Campaign Against Ragweed." Woodland Golf Club, Rose Burn Country Club, Charles River Country Club and Lassell Seminary cooperated 100 per cent. Capt. Murray of the M. D. C. promised to take care of the Charles River Reservation. The Newton Trust Company asked for extra bulletins and pamphlets to distribute to the other banks in the city and the Community Chest did its part by helping with some of the mimeographing.

One citizen was so interested that he spent one week of his vacation pulling up the weed.

Mrs. Gordon S. Heath, chairman of the Natural Resources of the Newton Federation, of which Mrs. Edgar P. Hay is president, spent endless hours working for this worthy project. Many of the subcommittees were away on vacations, but with the able assistance of Mrs. Edmund I. Wilson, of Auburndale, Mrs. Frederick Harding and Mrs. Raymond O. Littlefield of Newtonville, Mrs. Wallace B. Riddell of Waban, Mrs. Raymond Capobianco of Newton Upper Falls, Mrs. A. Thomas Sundberg of Newton and Mr. Nesbit, Boy Scout Director, Mrs. Heath was able to thoroughly cover the ten villages of Newton.

It was most educational and helpful for the children and adults as well to have the privilege of seeing moving pictures of this weed and the Federation is very grateful to the West Newton and Newton theatres for their consideration.

Third Fire Set At Ferrin Property

The fourteenth incendiary fire in Newton in the past 6 weeks was set on Wednesday night when someone started a blaze on the back porch of a vacant house at 25 Hunnewell ave., Newton. The fire worked up the wall of the house to the eaves and caused \$300 damage. The house is owned by Mrs. Frank M. Ferrin of 35 Hunnewell ave., and the dastardly character of the incendiarist is evidenced by the fact that Mr. Ferrin's funeral had been held from his late home that same day. Within the preceding few weeks two incendiary fires had been set in a large, unoccupied barn, owned by Mr. Ferrin at 60 Washington st., a short distance away.

Auburndale Man Catches Burglars

Curtis L. Kehew of 184 Islington rd., Auburndale, arrived home last Sunday to find a 13 year old boy looting his house. Another boy, 15 years old, was also engaged in looting the house, but escaped. His identity, being known, he later surrendered to the police. The pair will appear in the Newton juvenile court today. The older boy was on parole from a reform school.

Playgrounds Are Being Largely Patronized

Many Activities Conducted Help To Keep Children Off Streets

Hundreds of Newton's children and young people are attending the playgrounds of the city this summer. The program has been revamped by Mr. F. E. Wilson, acting superintendent, and his staff, to meet present-day needs and it is being enthusiastically received everywhere. It includes crafts, sewing, all sorts of games, dancing instruction on various playgrounds, soft ball and many other activities designed to interest children and keep them off the streets.

Anyone visiting the playgrounds of Newton will be impressed with the way in which they are handled and with the numbers of children which are flocking to them. The Playground Commission, of which Mrs. L. H. Marshall is the chairman, plans to keep safely within its 1939 budget and to stretch the tax-dollar further. During the winter months, more stress will be laid on community center work, in line with recreation needs of young people from 16 years of age and up, as outlined in the survey of the Newton Playground Department made by Mr. Pangburn, of the National Recreation Association.

The Commission members in the city are very active in checking up what is happening on the playgrounds. On Monday night last, two of them, one the chairman, visited the special celebration at the Hawthorn Playground which was being conducted by a local society with hundreds of people from out of Newton in attendance. It was found that, contrary to the rules and without permission, beer was being sold on the playground itself. The chairman of the commission and the other member who made the inspection called the Police and had the sale stopped at once and all beer and other spirits removed from the playground immediately. The commission plans strict enforcement of its tried and proven rules and regulations regarding use of playgrounds by others than its own organization, in order to maintain proper standards and conduct on such grounds.

The commission has in mind putting into effect many other of the recommendations made in the Pangburn survey, in order that Newton's recreation system and program shall be second to none in the country and shall meet the present-day leisure-time and recreation needs of all Newton people who wish to take advantage of the program.

Waban Youth Tops Motor Boat Racers

Clinton G. Ferguson of 24 Carleton rd., Waban, who for the past several years has been achieving national prominence in outboard motorboat races, has been gaining added success this summer. Two weeks ago at the New York State championships, held at Geneva, New York, he won first prize for the greatest number of points scored (2825), and was awarded the Governor Lehman trophy. He also won the Hotel Seneca Cup as the highest scoring amateur, and the Finger Lakes championship.

At Havre de Gras, Maryland, last Saturday, Ferguson, in racing made difficult by choppy water, won two major events for amateurs. He won the 5 miles' races in Class A and Class B; took third in Class B, and won the Class F contest. In the Class C contests he made better time in two heats than that made by Fred Jacoby, who was first in the races for professionals, speeding over 46 miles per hour.

In the races for hydroplanes at Havre de Gras, George Schrafft of Newton was second in the 225 cubic-inch class. Ferguson will compete in the outboard motorboat races to be held at Charles River Basin, Boston, on Saturday, July 29.

Large Percent of Tax Rate Caused By Funded Debt

Six Dollars of \$31 Rate Is Needed For Debt Requirements

Newton taxpayers are living in a "fools' paradise," says the Newton Taxpayers' Association. The ancient myth that Newton is wealthy and the tax rate means nothing to them is rapidly being exploded.

Present investigations by the Newton Taxpayers' Association, prompted by the steadily increasing tax rate, have unearthed facts of a nature that all citizens will be interested in. Few have realized previously that our per capita debt is the second highest in the state. Few have realized that \$855,000.00 in bonds and \$201,294.70 in interest on bonds, or the huge total of \$1,056,294.70, must be paid off this year out of the taxpayers' money. Few have realized that this amounts to 20 per cent of the tax rate and that otherwise the rate might be as much as \$6 per thousand lower.

Here are the funded debt payments Newton must make in the next ten years:

Yr.	Bonds	Interest	Total
39	\$855,000	\$201,294.70	\$1,056,294.70
40	643,000	177,621.75	820,621.75
41	628,000	158,252.25	786,252.25
42	590,000	139,305.00	729,305.00
43	553,000	122,048.25	675,048.25
44	528,000	106,065.00	634,065.00
45	479,000	90,882.00	569,882.00
46	464,000	76,586.00	540,586.00
47	376,000	62,084.00	438,084.00
48	297,000	52,388.25	349,388.25

Newton has good schools, satisfactory roads, and excellent waterworks, says the Association and a "breathing spell" during the next ten years must be inaugurated during which no new funded debt shall be incurred until the present debt is liquidated down to the reasonable proportion of cities of comparable size.

Ask For Gasoline Station On Pike

Another petition seeking to establish a gasoline station on the Worcester turnpike has been presented to the Newton Board of Aldermen. This time the petitioners are the trustees of the estate of John C. Barthelme, namely, James Kary, Margaretta Murphy and Fred L. Baldes, and the locus of the proposed station is at 325 Boylston st., near John st. A hearing on the petition will be held before the Board of Aldermen on Monday night, July 24. Previous petitions seeking gasoline station locations along the turnpike in this city have been turned down by the Aldermen.

Rescue At Charles Saturday Night

George Whitley, 26, of 90 Hillside rd., Needham, was rescued from drowning in the Charles River at Auburndale on last Saturday night by Paul Alexander, 18, of 93 Hillside rd. The two young men were in a canoe which capsized. They both clung to the overturned boat until Whitley got a cramp. Alexander then held his companion above water and managed to propel the canoe toward the shore. Patrolman Carr of the Met police heard the shouts of the pair as he was driving along the river in a cruising car. He radioed to Newton police headquarters, from whence the Met station at Norumbega was notified by telephone. A motorboat went to the scene and took Whitley and Alexander to the station for treatment.

FORMULA for Audience Building WORLD Quality on WCOP

It would be strange indeed if the American public—schooled to know and demand the best in products and services—should be content with less than the best in radio quality.

At least, that's the kind of thinking that brought into being the first library service for radio stations—the World Program Service.

And quite naturally, the PIONEER remains the LEADER—serving WCOP with the greatest library of music ever recorded for radio.

Radio listeners look to World for the widest variety of musical groups, recording the newest and best in music, and, of course, for that World vertical-cut Wide Range quality which is recognized everywhere as the ultimate in high-fidelity recording.

World's formula for audience building is simple—give the public highest quality in program and reception, and maintain these standards. "World quality on WCOP" has long proved a success formula.

And speaking of successes, make a note to tune in WCOP Sunday at 4:30 P.M., when The Newton GRAPHIC will present another program of interest to every Newtonian.

Newton Residents Become Dentists

Among the successful candidates for registration as dentists are the following Newton residents whose names were included in the list of those published last Friday by the State Board of Dental Examiners—David E. Perlmuter, 487 Watertown st., Newtonville; Maurice E. Peters, Jr., 55 Ellis rd., West Newton; William Wellock, 12 Hamlin rd., Newton Centre. Among those who passed the recent examinations for dental hygienists is Jane Winslow, 37 Hillside rd., Newton Highlands.

Boys Visit World's Fair

Nineteen boys under the leadership of Mr. John Andrew Jr., Association Director of Boys Work at the Newton Y. M. C. A. and Mr. Gustaf Frye of Watertown last week enjoyed four days at the New York World's Fair.

The party left Newton on Monday afternoon at 4:30 p. m. for Boston where they proceeded by Colonial Line Steamship Co. for New York. Arriving there, the group went directly to the Central Queens Branch Y. M. C. A. at Jamaica where a dormitory was ready for them.

A quick change of clothing and then to the Fair! Three glorious days spent visiting the many exhibits and of course trying out the thrilling amusements.

Then, on Thursday evening the whole party boarded the cars for New York City to visit Radio City Music Hall and see Broadway by night.

Friday, found the boys up early, eager for their visits to the N. B. C. Broadcasting and Television Studios and Rockefeller Observation Room, then to Hayden Planetarium and the Museum of Natural History before boarding the boat for the return trip.

The boys in the party included John Wallace, Arthur Stewart, Winthrop Forbush, Robert Whiteacre, Charles T. Malton, Robert Foster, Carmen Petrillo, Chilson Abells and Robert Pettie of Newton, William MacRae, Teddy Vogel, Morton Jellison and Harold Bartlett of Watertown, Carl Eschbach, Newtonville, Sidney Clark, Auburndale, Robert Craig, Brighton and John McNally of Needham.

RED CROSS LIFE-SAVING INSTRUCTION

New classes in Junior and Senior Life-Saving will start at Crystal Lake Monday, July 24th. This will give those who were unable to enroll in the first class an opportunity to begin the training now. For further information, please talk with the instructor, Mr. Westgate, or call the Red Cross office, 12 Austin st., Newtonville, Newton North 2717.

Newton Firm Holds Outing

JOHN M. WALKER

The employees of the Home Specialties Co. enjoyed a unique outing Thursday at Kimball's Lobster House, Cohasset. Mr. John M. Walker, president of the company, chartered a cruiser to take the entire organization to Cohasset. A fine lobster dinner with all the fixings was served. Mr. R. C. Samson was head of the committee which arranged for a gala time and entertainment on the yacht.

Middlesex Court To Hold Outing

Middlesex Court, M. C. O. F., will hold a beach party at Devereaux Beach, Marblehead, on Sunday, July 30. Automobiles will leave Newton about 9:30 that morning. Dinner will be at the Adams House, Marblehead. Reservations may be obtained from James Flynn, 313 Washington st., Newton, or Mary D. McDonald, 14 Churchill st., Newtonville.

A Safer Spot Than the Streets

Youngsters Find Sandbox at Cabot Park Attractive

SILVER WEDDING

Mr. and Mrs. Gifford N. Hartwell observed their silver wedding anniversary last Saturday, July 15, at their home 38 Charlemont st., Newton Highlands.

A buffet luncheon was served to about twenty people including many who were at the wedding in 1914. Those present included Mrs. William D. Goble and two sons, Cortin and William Jr., of Berea, Kentucky; Mrs. Paul B. Van Dyke and daughter, Carol of New York City; Mrs. D. A. Hartwell and Mrs. Stephen Foss of Fitchburg; Mrs. Ervin Dushuttle and daughters, Martha and Dorothy of Somerville; Mr. and Mrs. Waldo Bemis of Northboro; and Mr. and Mrs. Raymond S. Carle and son Russell of West Newton.

In the evening fifty neighbors and friends called to extend congratulations and good wishes.

Mr. and Mrs. Hartwell were the recipients of many beautiful gifts including silver and flowers.

COMMUNITY PLAYHOUSE

"When the movies are good" is a phrase aptly illustrated by the currently popular film "Only Angels Have Wings," which opens a week's engagement at the Wellesley Hills Community Playhouse on Monday. Played by a perfect cast headed by Cary Grant and Jean Arthur, telling an always engrossing and often exciting story of adventure in a small South American air base at the foot of the Andes, "Only Angels Have Wings" has every element of perfect entertainment.

An added feature of the program is the newest issue of the ever interesting March of Time, "The Movies March On." Presenting scenes from some of the earliest films to those of the present, it tells a significant and entertaining story.

COOLIDGE CORNER THEATRE, BROOKLINE

Down to earth humanness combined with music so catchy that you just naturally hum it is a movie formula guaranteed to please in the new Bing Crosby-Joan Blondell picture, "East Side of Heaven," which opens for a week's run on Friday, July 21st, at the Coolidge Corner Theatre, Brookline. Bing is a cruising troubadour, or to put it more plainly a singing taxi driver. Joan, his sweetheart, is a hotel telephone operator. Mischa Auer is Bing's unemployed roommate who has learned from reading the stars that he should not even look for work until 1942. "Sandy," the cutest infant ever to face a movie camera is also starred. "Sandy" is deposited with Crosby by Irene Hervey, who takes this means of keeping her baby from her wealthy and hard-fisted father-in-law, portrayed by C. Aubrey Smith. That's when the fun really starts, as Bing, Joan and Mischa try to take care of the youngster. Then there is the music, four brand new tunes "East Side of Heaven," "Sing a Song of Sunbeams," "That Six Old Gentleman from Featherbed Lane" and "Hang Your Heart on a Hickory Limb."

The co-feature on this show is "Blind Alley," the film version of the sensational Broadway success, with Chester Morris, Ralph Bellamy and Ann Dvorak featured. The film, hailed as the most different crime picture of the year, tells the absorbing story of a desperate gunman who, in fleeing the police, seeks sanctuary in the country home of a distinguished psychiatrist. The psychologist, with his deep understanding of the mental processes, slowly turns the ruthless killer into a fear-stricken individual. The cast also includes Rose Stradner, Melville Cooper, Marc Lawrence, John Eldridge and Joan Perry.

In addition to the two major features, there will be the latest issue of the "March of Time," presenting a national subject of interest to all and the latest issue of the Coolidge Corner Theatre news reel.

Watch this newspaper for announcement of another outstanding show of two big features, coming to this theatre for the week starting Friday, July 28th.

NEWTON HOME SOLD

John T. Burns & Sons, Inc., report final papers have been passed whereby the modern English type brick home located at 50 Dolphin rd., at the corner of Mandalay rd., has been sold to Miriam Gorin, who purchases for immediate occupancy. The house contains ten rooms and three baths, together with a 2-car garage and 8000 sq. ft. of land. The total assessment is \$17,000. Lena Kahan was the grantor.

John T. Burns & Sons, Inc., represented both parties in the transaction.

YOUNG REPUBLICANS WIN AT SOFTBALL

Last Wednesday two softball teams of the Young Men's Republican Club of Newton played games simultaneously. One was played at the John W. Weeks Junior High, Newton Centre, and the other was played at the Newton Centre playground. At the Weeks Junior High, in a one-sided match, the Newton club had a fine battery supported by fast, accurate fielding which prevented their opponents, the Young Men's Republican Club of Waltham, from getting more than 4 runs. The Newton club scored 20 runs. The match played at the Newton Centre playground was against the Construction Division of the Newton Street Department. These two teams were very evenly matched and an extra inning was necessary before the Republican club finally nosed out their opponents by a margin of one run. The final score of this game was 10 to 9.

Any team which desires a match with one of the Republican club teams should communicate with the president of the club, Edgar T. White, Jr., and any young Republican who wishes to join the club and participate in its activities should also communicate with Mr. White at his home, 51 Hawthorne ave., Auburndale.

NEWTON ARCHERS HOLD WEEKLY SHOOT

Twenty-six Archers took part in the weekly handicap shoot at Newton Centre Playground last Saturday. There was a special prize for Betsy Cushman, thirteen, a Junior of Kenwood ave., Newton Centre, who had the highest score on the field with handicap. Each Archer brought something useful to a follower of the sport to provide a prize for everybody. Considerable fun was made over a few awards "for forgetfulness." Members who had forgotten things on the field lately were awarded their belongings neatly tied in packages. One award was Carl Spofford's pipe with a large white bow tied to it.

Mr. B. M. Harrison showed samples of miniature Dallen medals that are to be given members who qualify for them. They are to be given in colors for different scores. Mr. R. C. Garner made the awards with comments to each person. A similar type of tournament will be held in the near future.

Highest three finishers in each shoot were (without handicap) Robert Goldich, Tad Skinner, and Dan Charbonnet; (with handicap) H. E. Carter, Dan Charbonnet, and Tad Skinner; (without handicap) Anita Howarth, Grace Harrison and Thelma Phillips; (with handicap) Anita Howarth, Hazel Wilson and Evelyn Merrill. Carolyn Winget won the novelty shoot and Betsy Cushman the junior.

The Newton Bicycle Club won new laurels on July 4th when members of the club won all first prizes and a second prize at the amateur races on Boston Common. C. F. Haven was the winner of the one mile bicycle race in 3 minutes, 26½ seconds; and of the two mile race in 7 minutes, 12½ seconds. Edward Burnham won the one mile tri-cyle race in 4 min. 46½ seconds, with Haven second. Burnham also won the 5 mile bicycle race in 18 minutes, 18½ seconds. The club is elated with winning all the races this year, the same as they did a year ago.

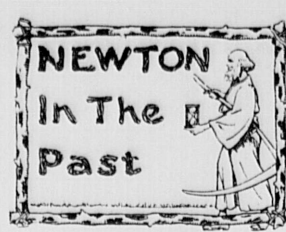

Some Speeders Fined In Newton

In the Newton Court last Friday, James Joyce of 219 Commonwealth ave., Chestnut Hill, was fined \$10 for speeding and \$5 for driving without a license. Others fined for speeding were Rebecca Goldman, Saxtonville, \$10; Franklin Schuman, Adams st., Waltham, \$5; Michael Culosi, Natick, \$5. Warren Reagan of West Somerville, was fined \$5 for not slowing down at a street intersection. Mitchell Hastings, Jr., of 70 Arnold rd., Newton Centre, was fined \$5 for ignoring a traffic signal. The case of Gerald Dath, 25 Normandy rd., West Newton, charged with not stopping before entering a through way, was placed on file.

The case of John Byrnes of 16 Oak Square ave., Brighton, charged with speeding at 70 miles an hour on Washington st., between West Newton and Newton, was continued until July 22, because the owner of the car he was driving, William McCarthy of West Yarmouth, was not in court. McCarthy is charged with permitting an unauthorized person to operate his car.

Automobile Hits Traffic Signal

An automobile owned by Fred Hisey of Amherst ave., Belmont and driven by Hendrick deHartog of Madison Wisconsin, hit the traffic signal at the intersection of Commonwealth ave. and Lexington st., Auburndale last Friday night at 9. deHartog told the police that as he was about to make a right turn, another automobile forced him to steer into the signal.

55 YEARS AGO

Newton Graphic, July 12, 1884

The bars to protect the sidewalks have at last been placed on the gates at the Centre st. crossing of the B. & A. railroad, which has been left in a dangerous state for a long time. Treasurer March of the Pomroy Home acknowledges the receipt of \$122.50, the proceeds of a fair held on the grounds of Madame Potter, Walnut Park, Newton, by Misses Mabel Sayford, Bessie Angier, Helen Eager, Bessie Soule, Mabel Soules, Nora Soule, Deda Hyde and Emmie Potter.

At 5 o'clock next Monday afternoon ground will be broken for the parish house and chapel which Grace Church has had in contemplation for some years. According to Episcopal custom, the ceremony will be performed with appropriate religious forms.

Eddie Burns, a 10 year old boy living on Cook st., Nonantum, fell into Cook's pond last Sunday while getting pond lilies, and would have been drowned but for the timely aid of two other boys, Thomas Joyce and Edward Lahey, who pulled him out after he had been under water for 6 minutes. Dr. Kelly of Watertown revived the boy after an hour's hard work.

The sad news was received last week Thursday of the drowning of Ralph W. Childs, formerly of this city, in Madagascar on June 14. Mr. Childs was the youngest son of Otis Childs, and a brother of Edwin O. Childs, formerly city clerk. He was 30 years of age and went to Madagascar 8 years ago as agent for George Ropes, a Boston merchant. He had been successful in his business there, his genial disposition and honorable dealings making him a favorite with the natives. His last visit home was two years ago.

Thomas McDonald, telephone inspector for Newton, Waltham and Watertown, died of typhoid fever last Saturday evening after a few days illness. He was a genial man and a skilled electrician. He was unmarried.

A new and valuable feature of the new directory just issued by the publishers of the GRAPHIC is the census of the city taken in conjunction with the canvass for names. The population has been taken by villages, the sections lying outside the city limits being kept distinct from the city proper. The figures show a gain of 2488 inhabitants in four years. The following are the figures—Newton, 4251; Nonantum, 1839; Newtonville, 2297; West Newton, 3206; Auburndale, 1943; Lower Falls, 621; Chestnut Hill, 239; Newton Center 2710; Newton Highlands, 744; Upper Falls, 1436; Oak Hill, 197. Population of Newton proper, 4251; Watertown district, 398, total 4649. Population of Lower Falls, Newton side, 621; Wellesley side, 275; total 896. Population of Upper Falls, Newton side, 1436; Needham side, 196; total 1602.

The Newton Bicycle Club won new laurels on July 4th when members of the club won all first prizes and a second prize at the amateur races on Boston Common. C. F. Haven was the winner of the one mile bicycle race in 3 minutes, 26½ seconds; and of the two mile race in 7 minutes, 12½ seconds. Edward Burnham won the one mile tri-cyle race in 4 min. 46½ seconds, with Haven second. Burnham also won the 5 mile bicycle race in 18 minutes, 18½ seconds. The club is elated with winning all the races this year, the same as they did a year ago.

50 YEARS AGO

Newton Graphic, July 12, 1889

Now is the time to have your furnaces repaired and pipes cleaned. John S. Sumner will do the work thoroughly and satisfactorily.

Walter Morrissey, 7, son of Richard J. Morrissey, fell from a ledge on Gardner st. Monday afternoon, a distance of 30 feet, fracturing his skull. He was taken to his home and attended by Drs. Stone and Carroll. Hopes are entertained for his recovery.

To the Editor of the Graphic—It is hoped that the people of Newton will be earnest in their efforts to do away with the cruel practice of docking horses' tails. Deeply it is to be regretted that some in our midst who have been considered humanitarians and whose influence and example would have availed much, should sanction this wrong.

Citizen.

Alderman Harbach presented a petition from the Newton Center Improvement Association asking for a playground. A special committee of the association has for sometime been considering the matter of obtaining land for a playground. The committee has been successful in obtaining a refusal on most of tract containing about 20 acres of land between Centre and Pleasant sts.; well located in the central part of Newton Centre, and which can be purchased for \$24,000.

At the meeting of the Board of Aldermen on Monday night a letter was received from E. C. Dudley offering his land between Chestnut st. and the Charles River at Upper Falls as a site for the new almshouse. It

EDWARD H.

Powers' Paragrahps

According to some of the newspaper members of the Oak Hill Improvement Association are to serve as volunteers in collecting specimens of mosquitoes in connection with efforts to lessen the mosquito population of Newton in general, and Oak Hill in particular. For several years some residents of Oak Hill have persisted in efforts to combat the mosquito nuisance in that section. Other parts of Newton also have had and have plenty of mosquitoes, but residents of Oak Hill seem to be more mosquito-minded than citizens of other districts in this city. A group of WPA workers have been collecting mosquitoes in various parts of this city during daylight hours. The Oak Hillites are going to capture their "skeeters" after dark, which seems to be the logical time to catch these pests. Many of us catch mosquitoes during the night hours, but as we swat them with a vengeance when we catch them, the remains of the critters are not of much use as specimens.

Some types of mosquitoes bite humans, and other types don't. We have been informed (or misinformed) that only the females of the species bite persons. We don't know whether the mosquitoes we killed were males or females. And it would require excellent eyesight for any volunteer mosquito hunter to distinguish a harmless type of mosquito from a biting type. So, in the warfare against the Culicidae, it is inevitable that many unoffending insects will be captured, as well as those of the alleged disease spreading types.

Governor Saltonstall announced that he has set an example for State department heads in a trend toward economy by reducing the staff of his executive department by seven. But—Jobs for 5 of these 7 were found in other State departments. It would be a comparatively easy matter for any department head to reduce his personnel if employment for those dispensed with could be found in some other department. Such transfers, however, are not affecting any real economies.

We have at various times criticised the Registrar of Motor Vehicles for some of his suggestions and rulings. We agree, however, with his request for a large increase in his staff so that accident claims can be run down and the "fake injury" racket curtailed. Many millions of dollars have been mulcted from automobile owners in Massachusetts through compulsory liability premiums and paid to persons for spurious injuries allegedly received in automobile accidents. And a large percentage of those who have obtained payments of damages for fake injuries are, allegedly, respectable, honest folks. A newer and even more dangerous racket in connection with compulsory liability insurance, would be dealt with by Registrar Goodwin's investigators, if provision will be made for them. This is the filing of claims for injuries by persons who are not even in accidents. These claimants are not passengers in cars involved in collisions. They are pedestrians who pretend to have been hit by moving automobiles; fakirs who even brush against slowly moving cars or trucks. And they have confederates who testify as witnesses for them. This racket has become so common in certain sections of Boston and Greater Boston, that some motorists avoid these districts.

Because of the continued drought and the threatened scarcity of water in some places, householders have been warned against superficial watering of lawns and gardens mornings and evenings. According to horticultural experts, unless a lawn or a garden receives a real drenching, more harm than good results from inadequate sprinkling.

The Boston Herald on Tuesday had an editorial which approved as "good advice" Registrar Goodwin's instructions to motorists to cease using the drop beam on headlights of automobiles when another car is approaching. According to the Herald, Mr. Goodwin characterizes this practise as "super-

contains seven acres, only short distance from the railroad station, and he will sell it for \$7000. Edward F. Barnes also sent a communication calling attention to the Norton estate, opposite the Newton Cottage Hospital as a site for the almshouse. This estate contains 13 acres.

S. F. Cate's barge "Garden City," carried a picnic party of Waban folks on Thursday to Swain's Grove at Dover.

BURDETT COLLEGE

Recent Engagements

Mr. and Mrs. Wallace M. Ross of 10 Bemis st., Newtonville, have announced the engagement of their daughter, Miss Catherine H. Ross, to Henry B. Poor, son of Mr. and Mrs. Edward E. Poor, Jr. of Passaic, New Jersey. Miss Ross attended Cushing Academy and was graduated from Mt. Holyoke College this year. Mr. Poor attended Deerfield Academy and was graduated from Amherst College last June. He is a member of Psi Upsilon fraternity and is connected with the Bankers' Trust Co. of New York City.

Mr. and Mrs. Walter E. Langell of 852 Walnut st., Newton Centre, announce the engagement of their daughter, Doris Mae, to Nathan C. Dolber, son of Mrs. Adelaide Dolber of 19 Phillips st., Watertown, Mass.

New Fishing Magazine Published in Brookline

Newton sportsmen interested in salt water fishing for striped bass, blue fish, tuna and other game fish will enjoy reading New England's only salt water fishing magazine, "The Salt Water Sportsman." Making its initial bow to anglers on June 8th, the magazine was heartily welcomed by sportsmen everywhere, filling, as it does, a long-felt need for a weekly magazine that will provide anglers with reports on what fish are "in," where the best fishing is to be found, and a hundred and one other items of interest and value. "Where they're hitting," "coastal maps" and "Tables of Tides" are a few of the interesting features that will appear each week until November 9th, when the magazine will suspend publication for the season until next year. "The Sportsman" is published at Heath Hill, Brookline, by Oliver H. P. Rodman, an authority on salt water fishing. He is also editor of "Hunting and Fishing" magazine. Copies can be obtained at leading sporting goods stores or by writing direct to the publisher.

Well Known West Newton Couple Observe Fortieth Wedding Anniversary

On Wednesday, July 19, Mr. and Mrs. Ernest Fairman Dow of Newtonville, celebrated their fortieth wedding anniversary at Lucy Jackson Chapter House, D. A. R., in Newton Lower Falls. This old house, built in 1750, was tastefully decorated for the occasion, and the many flowers, sent by friends, added charm to the quaint old rooms. A bride's cake with red roses and white lovers knots, flanked by rare old white china candle sticks, with red candles, occupied the center of the dining table. About 100 friends called during the afternoon and evening, to offer congratulations. Mr. and Mrs. Dow were the recipients of many gifts, including 40 roses and 40 dollars for forty years from the members of Lucy Jackson Chapter, Daughters of the American Revolution, of which Mrs. Dow is treasurer.

Mr. Dow has been in the printing business in West Newton for many years, and is a member of Norumbega Lodge, A. F. and A. M., a past Noble Grand of Newton Lodge, I. O. O. F., and a member of the Grand Council, Royal Arcanum. Mrs. Dow is a Mayflower descendant, one of the Alden Kindred of America, a member of the Newtonville Women's Club, and other patriotic and benevolent societies.

Births

NELSON: on July 15 to Mr. and Mrs. Leverett Nelson of 10 Wiltshire court, a daughter.

Biggest Cotton Producer
The leading state in the production of cotton is Texas, which produced 5,250,000 bales in 1937.

Recent Weddings

BLANDY—DUDLEY

Miss Anne Dudley, daughter of Mrs. William Northrop Dudley of Cambridge, was married to the Rev. Gray Merrihew Blandy, son of Mr. and Mrs. Gray Blandy of 56 Eldredge st., Newton, on Saturday afternoon, July 15, in Christ Church, Cambridge. The ceremony was performed at four o'clock by Rev. Dr. C. Leslie Glenn, who was assisted by the bride's uncle, Rev. Dr. George Fiske Dudley of Rumson, New Jersey.

The bride was given in marriage by her brother, R. Parker Dudley. She wore a gown of dotted Swiss with a bouffant skirt and her short veil was caught to a Juliet cap of dotted Swiss. Mrs. Bernard Francis Merriam, 2nd, sister of the bride, was the matron of honor. Her gown was of coral dotted Swiss in style similar to that of the bride and she carried a basket of mixed sweet peas. The bridesmaids were Mrs. Spencer deMille of Orange, New Jersey, Miss Doris Bauckman of Boston and Miss Barbara Patterson of Brookline. They wore gowns of dotted Swiss in pastel shades and carried baskets of pastel colored sweet peas. Miss Anne deMille, god-child of the bride, was the flower girl. She wore a lavender dotted Swiss frock and a wreath of flowers in her hair.

William H. Blandy, brother of the groom, was the best man. The ushers were Rev. Walter Williams, Rev. Harold Sedgewick, Rev. Jesse M. Trotter and Bernard Francis Merriam, 2nd.

A reception was held in the garden of the rectory following the ceremony. After September 1, Rev. and Mrs. Blandy will be at home in Cambridge. The bride attended Abbott Academy. The groom was graduated from the Protestant Episcopal Theological School at Alexandria, Va., and is now assistant rector to Rev. Dr. Glenn at Christ Church in Cambridge.

SANTORO—D'ERCOLE

Miss Rose M. D'Ercole, daughter of Mr. and Mrs. Eugene D'Ercole of 270 Boylston st., Newton Centre, was married to Rudolph T. Santoro, son of Mr. and Mrs. Dominano Santoro of Somerville, at four o'clock on Sunday afternoon, July 16, in the Sacred Heart Church, Newton Centre. Rev. John P. Reynolds performed the ceremony. The bride wore a gown of white satin and a tulle veil which fell from a crown of orange blossoms. She carried a bouquet of white roses and sweet peas. Miss Maide D'Ercole was the maid of honor and the bridesmaids were Miss Yola Santoro of

Somerville, Miss Amelia Zangletti also of Somerville, Miss Ann Frederico and Miss Anne D'Ercole, both of Newton Centre. All of the attendants wore gowns of turquoise marquisette with coral accessories and wide hats with streamers.

A reception was held at Bond's Walnut Room in Watertown. The bride is a graduate of the Newton High School and the groom of Somerville High School.

On their return from a trip to Niagara and Washington, Mr. and Mrs. Santoro will reside at 270 Boylston st., Newton Centre. They will be at home after August 19.

CHESLEY—MANSFIELD

Miss Alice Mansfield, daughter of Mr. and Mrs. Arthur J. Mansfield of Arlington and formerly of Newton, was married to Herschel Carithers Chesley, son of Mr. and Mrs. Roscoe Chesley of Cambridge, on Saturday afternoon, July 15. The ceremony took place in the garden of the home of her parents at four o'clock and was performed by Rev. J. West Thompson of the Lafayette Methodist Church of Salem.

The bride wore a white hoopskirted gown with a fingertip length veil and carried gardenias and lilies of the valley. The ring bearer, Miss Marjorie Jones, of Newton, who was the bride's only attendant, wore an accordion pleated gown of blush pink net with a wreath of flowers in her hair.

A reception followed the ceremony. The bride, who attended Stoneleigh College, has played in summer stock with the South Shore Players and the Hampstead players. The groom is a graduate of the University of Alabama, 1937.

New Beauty Salon In Newtonville

On Thursday the Garo Beauty Salon opened its doors to Newton women at 823 Washington st., Newtonville.

This newest of Newton beauty shops has been in preparation for several weeks. The most modern equipment known to the art has been installed and the interior decorated in cool restful colors. Walnut finished woodwork and rich hangings make this one of the most beautiful shops in New England.

Individual booths, fully equipped with all necessary appliances, afford privacy for the patrons. Comfortable overstuffed chairs add to the luxuriousness of the establishment.

Mr. Garo, the proprietor, is well known in beauty circles in Paris, Chicago and New York, where he has operated. He was recently associated with the Shepard Stores of Boston. Mr. Garo is ably assisted by Miss Pearl Sharrigan of Newton. Miss Sharrigan has been connected with beauty shops in Newton and Boston and is well known locally.

Camp F. A. Day

Memorial Sunday Exercises

The first Memorial Sunday at Camp Day was conducted on last Sunday with solemn exercises the keynote of the day. As the notes of the trumpets sounding the call to chapel faded away the boys gathered around the Lane Memorial in open square formation from where the procession to chapel began. Each Camp was led by its director; Professor Daye in the van of the Midget Camp, Mr. O'Donnell with the Junior Camp, and Mr. Johnson with the Senior Camp, the workers and cooks followed by the Camp Director, Clyde G. Hess, and Doctor Frank Thompson, to the vocal accompaniment of the hymn, "Onward Christian Soldiers."

Opening the services at chapel the counsellors' quartet sang, "Lead Kindly Light." Composed of David Ashton of Somerville, Cyril Breza of Pittsburg and the University of Alabama, Harry Kyle, Boys' Work Director at the Burlington Community "Y," Jack Hancock of Wesleyan, Dick Sprague of Harvard, the quartet was conducted by Jack Weeks of Yale. Associate Director C. Evans Johnson then read the Necrology.

Director Hess presented awards to those boys who completed emblem requirements during the course of the week, chief of which was the famed Wantonit Certificate, given to boys by a National society after the boy identifies more than one hundred different flowers and other natural specimens found in the near vicinity of the Camp. "Steal Away," sung by the Counsellors' quartet preceded the sermon by the Chief, whose subject was "On Youth's Horizon."

Activities along the waterfront at Camp Day have been in full swing since the opening of camp, and results in the various Camps are now showing. Besides the Carnival held in connection with the Independence Day celebration a swimming meet was carried out on last Saturday, and tomorrow the first Canoe Regatta will be held. Beginners' classes have been in session each morning except Sunday and the fame of Camp Day methods are upheld by this year's results.

Senior and Junior Life Saving classes are very popular with the boys this season, judged by the number who have reported for instruction to Mr. Jack Hancock, Red Cross Examiner. Requirements have been made more stringent this year by the Red Cross Association, but this has only served to whet the ambitions of the campers. Junior classes have been meeting each morning while the Senior classes meet in the afternoon. Below is a list of those boys who will receive the coveted award at Sunday exercises in the near future:

H. Ewart Ayres, Dedham; Lester Bixby, Newton Centre; Paul Byrne, Newtonville; Donald Cashion, Belmont; Donald Craig, Newton Highlands; Roger Curtis, W. Newton; Wells Hassett, Waban; Loring Kidder, W. Newton; Arthur Kolsti, Boston; Walter McGill, Newton Centre; Chilton Buchanan, Franklin; Sheldon Jenkins, Newtonville.

Pass Beginners' Test
At the conclusion of the first three weeks program of instruction in the Beginners' class at Camp Frank A. Day more than twenty-five boys had successfully passed the requirements of the American Red Cross, and had received the Beginners' button from Director Clyde G. Hess at meal time in the Assembly Hall.

A followup of this test is provided to assist the boys to gain more skill and pass the Red Cross and Canoe tests. The Swimming Committee, headed by Jack Hancock of Wesleyan and Nutley, New Jersey and Alan Smith of Newtonville and the University of Alabama, is responsible for the success of the plan. Other men who aid in the development of the campers are: Gardner Hess of Newton; David and Bruce Kingsbury of Shrewsbury; Pres. Coan of Newtonville; Richard and Warren Kelly of Watertown; Walter Ward of Belmont; Harry Kyle of Waterville, Maine; Stan Sumner of Brighton and Jack Wood of Needham. Thomas O'Donnell of Dedham is the director of waterfront activities.

Boys who have passed the test from the opening of this season to last Saturday are:

William Acheson, Belmont; John Anderson, Wellesley; Leo Appel, Newton; Robert E. Barnard, Manassett; Louis Island; Teddy Barker, Newton; Ronnie Carr, Belmont; Sherman Eldredge, Brighton; John Fadden, Brighton; John Felton, Annisquam; William Greeley, Newtonville; Sherman Hawkins, Walpole; Fred Hackberger, Newton; Alan Lewis, Boston; Stephen Feinberg, Brookline; Dick Fernald, West Newton; John Ierardi, Roslindale; John Lounsbury, Newtonville; Roger Mergendahl, Newtonville; Orville Purdy, Roslindale; Robert Spillane, West Newton; Howard Tiley, Williamsburg, N. Y.; David Tibben, Woburn; Alan Harris, Waltham; Herbert Neisen, Watertown; Sanford Simpson, Auburndale; Billy Riley, Waltham; Allan Shaw, Newton Highlands; Jack Pfeiffer, Auburndale.

Swimming Meet Close
The first of three annual swimming meets of the 1939 Camp Frank A. Day was held on last Saturday afternoon at the Camp waterfront. The Senior Camp competition was decided in the last event, the dive, while the Minnesota team swamped its Junior Camp rivals. The individual high point scorers in the Senior Camp were Arthur Mayer and Chuck Johnson with two firsts each, while the Junior Camp Don Cashion led the way with two seconds and one first.

All boys in the Senior Camps and the Junior Camp are members of different league teams, and competitive sports are made more interesting in the team rivalry. There are three teams in each of the Camps: Harvard, Yale and Dartmouth in the Senior division; Minnesota, Northwestern and Purdue in the Junior Camp. In this meet Harvard edged out Yale 29 to 27, with Dartmouth bringing up the rear 16 points. Minnesota totaled 42

points to but 17 for Purdue and a scant 2 for Northwestern.

The summary:
Senior Camp
25 yard dash—1, Mayer (Yale); 2, Callahan (Harvard); 3, Wright (Harvard).
50 yard dash—1, Mayer (Yale); 2, Callahan (Harvard); 3, Wright (Harvard).
Back Stroke—1, McVicar (Dartmouth); 2, Small (Harvard); 3, R. Humphrey (Dartmouth).
Breaststroke—1, Bixby (Yale); 2, Corthell (Dartmouth); 3, Kidder (Yale).
Distance Swim—1, Johnson (Harvard); 2, Needy (Yale); 3, Spottel (Yale).
Underwater Swim—1, Johnson (Harvard); Corthell (Dartmouth); Bixby (Yale).
Dives—1, Needy (Yale); 2, Small (Harvard); 3, Minot (Dartmouth).
Relay—1, Harvard; 2, Dartmouth; 3, Yale.

Junior Camp
25 yard dash—1, T. Humphrey (Minn.); 2, Tidell (Minn.); 3, G. Tibolt (Purdue).
Back Stroke—1, P. Gibson (Minn.); 2, Axelrod (Minn.); 3, Hansen (Northwestern).
Breaststroke—1, Morse (Purdue); 2, D. Cashion (Minn.); no third.
Distance Swim—1, Humphrey (Minn.); 2, Cashion (Minn.); 3, Pearson (Minn.).
Underwater Swim—1, Tibolt (Purdue); 2, Burnett (Purdue); 3, Morse (Minn.).
Dives—1, Cashion (Minn.); 2, Drisko (Minn.); no third.
Relay—1, Minnesota; 2, Purdue; 3, Northwestern.

Midget
25 yard dash—1, Morrissey; 2, Eldredge; 3, Chafer.
Beginners Dash—1, McCarthy; 2, Haberer; 3, Leonard and Greeley.
Plunge—1, R. Cashion; 2, Hochberger; 3, Morrissey.

Kirtley Mather In Auto Accident

Professor Kirtley Mather of 155 Homer st., Newton Centre was slightly injured last Saturday at Middleboro when his car was in collision with a trailer. His car then crashed into another automobile. He received injuries to his left side, but was able to continue to Pocasset.

GOING Driving ON Sunday?

It is fun to drive away on summer Sundays and stop in to see friends . . . or say "hello" to the family. And it's thoughtful to telephone ahead to make sure they haven't other plans . . . to avoid, too, the disappointment of missing them. To learn the cost of any call, just ask the Long Distance operator. Rates are thrifty any time, and as you probably know, they are especially cheap on Sundays and every night after 7.

VEOS

the new wall tile IS HERE

We are now installing Contractors of an amazing new wall tile called VEOS. Knowing well the needs of the people of this community and having the ability based on experience to select for them products of outstanding value, we picked VEOS. It's the first real improved tile in over 2,000 years. May we prove to you how little it will cost to have it in your own bath or kitchen? . . . How it provides an absolutely permanent, beautiful and easy to clean wall? . . . How easily it is installed?

the latest in equipment, and all mechanical work is done by specially trained and famous men, most of whom have been with the company since its origin. All are qualified to repair any make.

For this month, the Service Department are offering a 20 per cent celebration discount.

The used car department is celebrating their part of the anniversary with reductions on all used cars.

Specially featured in the new car show room, is one of the famous must head cars, all made up for you. The public is invited to drop in during the day and evening.

famous old school was considered too many years ago of the outstanding institutions of its type in the world, and its re-establishment will be welcomed by thousands of Mount Union alumnae in this country and abroad.

The college halls will comprise the magnificent Robert Gould Shaw Tudor mansion and its surroundings of buildings. A hint of the elegance of the mansion is indicated by the fact that the famous, hand-carved circular staircase was imported from a castle in England. Fittings and appointments have been selected in keeping with this sumptuous character.

The college is located on a beautifully landscaped, 50-acre campus in one of Newton's exclusive districts, bordering the Charles River Country

man's motorcycle. At Commonwealth ave., near Walnut st., Cummings had to steer the cycle onto the reservation to avoid a collision. Cummings chased Coumans toward Newtonville and placed him under arrest for drunkenness and driving a car while under the influence of liquor. In court on Thursday Coumans was fined \$35 by Judge Mayberry.

T. S. Stribling, Pulitzer Prize winner for his novel, "The Store," is the Commencement speaker at the 55th annual Commencement of The American Institute of Normal Methods to be held at Lasell Junior College, Auburndale, Tuesday, July 25, at 8 p. m. Students from 24 states and Canada have been attending summer school classes in the methods of teaching school music at the college in Auburndale.

Nine graduates will conduct the school chorus in a program representative of various styles of choral writing. The orchestra will be conducted by C. Paul Herfurth, Director of Instrumental Music, East Orange, N. J. Dr. Osbourne McConathy, Director of the American Institute of Normal Methods, will present diplomas.

On Monday evening, July 24, a choral and orchestral festival will also be held in Winslow Hall, Lasell Junior College, at 8 p. m. Mr. Francis Findlay, head of the Public School Music Department of the New England Conservatory, will conduct the chorus and orchestra. Miss Agnes Bothne of Blackstone, Mass. Agnes is the soprano soloist, and Mr. Forrest Wilson, of Highland, Ill., the baritone soloist.

A capella chorus will be conducted by Miss Violet Johnson of the Battin High School, Elizabeth, N. J. The dance choreography is directed by

The choral and orchestral festival and the commencement programs are open to the public.

You'll save money and worry with a mortgage loan that is especially planned by the Newton Savings Bank to suit YOUR requirements.

The interest rate is low. Convenient terms arranged according to your own specifications.

Then, too, you benefit by dealing with this established local institution—with many years of experience in making local loans.

It will pay you to come in and talk over your mortgage

By virtue of and in execution of the Power of Sale contained in a certain mortgage given by Raymond J. Torrey and Shirley L. Torrey, husband and wife as tenants by the entirety, to the Newton Savings Bank, on May 28th, 1938, and recorded with Middlesex South District Deeds, Book 6192, Page 240.

The undersigned is the present holder, for breach of the conditions of said mortgage, and for procuring the same will be sold at Public Auction at ten-thirty (10:30) o'clock A.M. on the after-said Monday, the 20th day of October, 1940, the premises, all and singular the premises described in said mortgage.

TO WIT:

SOUTHERLY by said Carleton Street, bounded and described as follows: in said Newton, WESTERLY by land formerly of Josiah Gould, now of Laffie, ninety-three and 10/100 (93.33) feet; SOUTHERLY by land formerly of Ella-kim Morse, now of Bacon and by Grand Terrace, bounded and described as follows: 70 and 70/100 (58.70) feet; EASTERLY by land now or formerly of Fred L. Atkinson, trustee under the will of Adolpha S. Arens, eighty-nine

Middlesex, ss. Probate Court.

To Ella P. Robertson of Newton and the Worcester County and Commonwealth aforesaid, and to all other persons interested.

Execution has been presented to said Court by

Mabel E. Crandell

of Orlando, Florida, representing that she holds as tenant in common two undivided thirds part or shares in certain land in the County of Middlesex and County of Worcester aforesaid.

A certain parcel of land with the buildings thereon, situate in the County of Middlesex known as Auburndale and bounded: Beginning at a point on the Northerly side of the Boston and Albany Railroad, and formerly of J. R. Robertson Company, Inc., which point is distant 38.61 ft. north of the Northerly side of said railroad; thence Northeasterly boundary line of land of said J. R. Robertson Company, Inc., 100 feet; thence Northeasterly boundary line of land now or formerly of the Boston and Albany Railroad, 100 feet; thence Northeasterly by said Charles St. 179.45 ft. to other land now or formerly of John H. Bicknell, 100 feet; thence Northeasterly after described; thence Northeasterly 100 ft. to a point; thence Northeasterly 37 ft. to a point; thence Northeasterly 100 feet; thence by said parcel two hereinaforesaid.

FORM OF EXECUTORS' NOTICE TO CREDITORS OF INSOLVENT ESTATE

Estate of **Charles E. Hatfield** late of Newton in the County of Middlesex, deceased, Intestate, represented Insolvent.

THE Probate Court for said County will receive and examine the claims against the estate of said **Charles E. Hatfield** and notice is hereby given that six months from the date of the last will, A.D. 1939, are allowed to creditors to present and prove their claims against said estate, which will receive and examine the claims of creditors at Cambridge, on the seventeenth day of August 1940, at ten o'clock in the forenoon, at the County Clerk's Court Company, ALICE L. PROST, Executors.

July 21-28-Aug. 4.

The same premises described in a deed of mortgage to the said **Charles E. Hatfield**, Robertson, dated January 21, 1930 and recorded with Middlesex Co. Dist. Deeds, Book 10, Page 100, and being the premises and praying that partition may be made of all the land aforesaid according to law, and that the said probate court commissioner be appointed to make such partition and be ordered to make sale and conveyance of all the land aforesaid, inasmuch as the said lands cannot be advantageously divided either at private sale or public auction, and that the said probate court commissioner be ordered to distribute the net proceeds thereof.

If you desire to object thereto, you must appear in person at the said court appearance in said Court at Cambridge, before ten o'clock in the forenoon, on the day of the said partition, to wit, the day of this citation.

Witness, **John C. Leggat**, Esquire, First Justice of the Peace, August 18, 1940, in July in the year one thousand nine hundred and thirty-nine.

LEORING P. JORDAN, Register,
July 21-27-Aug. 4.

fixtures of whatever kind and nature at the time of the death of the said decedent and discharge of this mortgage placed or installed in or on the granted premises in which the said fixtures, such articles usable in connection therewith, so far as the same are a part of the realty, the transfer of fact or law can be made so by agreement of the parties hereto including subsequent owners of the premises.

Said premises will be sold subject to any and all unpaid taxes or other municipal charges or assessments and to all taxes outstanding, if any.

TERMS OF SALE. Two Hundred dollars cash on or before the day of sale is to be paid by the purchaser at the time and place of the sale, and the balance of the purchase price of the premises to be announced at the sale.

CHRISTIAN SCIENCE

"Truth" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, July 23.

The Golden Text is: "Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. . . Sanctify them through thy truth: thy word is truth" (John 17:11, 17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. . . Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness" (Ephesians 6:11, 13, 14).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The best sermon ever preached is Truth practised and demonstrated by the destruction of sin, sickness, and death. . . Truth makes a new creature, in whom old things pass away and 'all things are become new.' Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good" (p. 201).

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by William E. Sanderson and Sinia V. Sanderson, his wife, in her right, to the Newton South District Deeds, Book 6094, dated January 31, 1936, and recorded with Middlesex South District Deeds, Book 6094, Page 508, of which mortgage the undersigned is the present holder, for breach of the condition of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the premises hereinafter described on Tuesday, July 21, 1939, at 10:00 o'clock in the forenoon, all and singular the premises conveyed by said mortgage and therein described substantially as follows: "The land with the buildings thereon in that part of said Newton called Oak Hill, situated on the northerly side of Dedham Street, bounded and described as follows: SOUTHERLY by Dedham Street, one hundred fifty (150) feet; EASTERLY by land of Wendell R. K. Mick, two hundred fifty (250) feet; NORTHERLY by land belonging to the Estate of William M. Mick, one hundred fifty (150) feet, more or less; and WESTERLY in part by land belonging to said Estate and in part by land of Virginia S. Avery, two hundred fifty (250) feet. Containing 37,500 square feet of land, more or less, and being now numbered 360 on said Dedham Street. For my title see Probate of Will of William M. Mick, Middlesex Probate No. 205910. It is understood and agreed that all heaters, ranges, gas and electric fixtures and all other fixtures of whatever kind and nature at present contained or hereafter installed in the buildings upon said premises shall be considered annexed to and forming a part of the freehold." The premises will be sold subject to all unpaid taxes, tax titles and municipal liens and assessments, if any there be. Five Hundred (\$500) dollars will be required to be paid in cash at the time and place of sale. Other terms at sale. NEWTON SOUTH CO-OPERATIVE BANK Mortgagee and present holder By George W. McIntosh, Treasurer. 92 Union Street, Newton Centre, Mass. July 14-21-28.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Hugh A. MacDonnell and Margaret M. MacDonnell, Trustees under and for the premises contained in Book 11, 1935 recorded Middlesex South District Deeds, Book 5987, Page 176, to Victor H. Vaughan, Trustee of Davis & Vaughan Realty Trust under Declaration of Trust dated January 3, 1927, recorded with said Deeds, Book 5987, Page 481, dated March 2, 1927, and registered as Document No. 145335 on Certificate of Title No. 41170 in the South Registry District for Middlesex County, Book 275, Page 21, of which mortgage the undersigned is the present holder by assignment dated March 2, 1937, registered as Document No. 145335 on Certificate of Title No. 41170 in the South Registry District, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten (10:00) o'clock A.M. on the twenty-ninth (29th) day of July 1939, on a portion of the premises described in said mortgage, to wit: On Lot 86 as shown on plan No. 14628W, all and singular the premises described in said mortgage.

TO WIT: Two certain parcels of registered land situated in said Newton. The first of said parcels comprising Lots 24 and 25 to 101 inclusive on plan No. 14628W, a copy of a portion of which is filed with Certificate of Title No. 41170, Book 275, Page 21 in Middlesex South Registry District and bounded and described as follows: NORTHERLY by Lots 66 and 67 as shown on Land Court Plan No. 14628L, a copy of a portion of which is filed with Certificate of Title No. 41170, Book 260, Page 209 in said Registry District, one hundred forty-five and 93/100 (145.93) feet; EASTERLY seventy-eight and 37/100 (78.37) feet and NORTHERLY seventeen and no/100 (17.00) feet, said last two lines being by Lot 229 as shown on Land Court Plan No. 14628L, a copy of a portion of which is filed with Certificate No. 38945, Book 260, Page 209 in said Registry District. EASTERLY four hundred and no/100 (400.00) feet by Lot 1A on plan No. 14628W, a copy of a portion of which is filed with Certificate of Title No. 41170, Book 260, Page 209 in said Registry District, one hundred and no/100 (100.00) feet; SOUTHERLY by the remaining portion of said Lot A by two lines measuring respectively eighty-nine and 26/100 (89.26) feet and eighty-eight and 48/100 (88.48) feet; SOUTHERLY by the Northerly line of Heatherland Road ninety and no/100 (90.00) feet; SOUTHERLY and SOUTHWESTERLY by the curved line forming the junction of Heatherland and Vermont Roads, twenty-three and 70/100 (23.70) feet, and SOUTHWESTERLY and WESTERLY by the remaining portion of said Lot A, six hundred seventy-one and 62/100 (671.62) feet. SOUTHERLY by land now or formerly of Ida Harrison, one hundred and no/100 (100.00) feet.

Together with the right to use Vermont Road as a driveway as shown on said plan in common with others entitled thereto for the purposes for which heretofore commonly used in the City of Newton. Said premises are conveyed subject to zoning and building laws of the City of Newton and to restrictions contained in the deed from the mortgagee to the mortgagors registered as Document No. 145334 on Certificate of Title No. 41170, Book 260, Page 209 in the South Registry District, from the operation of this mortgage any of said lots upon payment of Fifteen hundred dollars (\$1500.00) on account of the principal obligation hereon. There is expected from the above described premises so much thereof as was released by the following instruments, all of which are duly registered in the said South Registry District for Middlesex County: Documents 14603, 14616, 14705, 14773, 14774, 14842 and 15026. Said premises will be sold subject to all and unpaid taxes or other municipal liens and assessments, if any there be. TERMS OF SALE: Five hundred dollars (\$500.00) in cash or certified check to be paid by the purchaser at the time and place of sale, and the balance within ten (10) days. Other terms at sale. NEWTON TRUST COMPANY Assignee and present holder of said mortgage By William M. Cahill, Treasurer. July 5, 1939. July 14-21-28.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by William F. Brown, being unmarried, to East Cambridge Savings Bank, dated February 8, 1927, recorded with Middlesex South District Deeds, Book 5064, Page 347, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on the premises hereinafter described on Tuesday, August 8, 1939, at 3:30 o'clock in the afternoon, all and singular the premises conveyed by said mortgage and therein described as follows: "A certain parcel of land with the buildings and improvements thereon, including all furnaces, heaters, heating equipment, and electric light fixtures, and all other fixtures of whatever kind or nature contained in the buildings, and the right of said Newton called Chestnut Hill, being shown as lot EIGHT (8) on a plan entitled 'Subdivision of Land in Chestnut Hill, Massachusetts, belonging to McCausland & Nutting,' dated September 1925 by William F. Brown, recorded with Middlesex South District Deeds in plan book 361, plan 16, and bounded and described as follows: SOUTHERLY by the curve, formed by the intersection of Ward Street and Mill Road, twenty-four and 51/100 (24.51) feet; SOUTHERLY by said Mill Road, ninety-three and 84/100 (93.84) feet; SOUTHERLY by said Mill Road, one hundred (100) feet; and NORTHERLY by land now or formerly of Charles H. Sullivan, one hundred thirty and 10/100 (130.10) feet, containing 10,920 and 62/100 (10,920.62) square feet. The said premises will be sold subject to all unpaid taxes, tax titles, assessments, and other municipal liens and assessments, if any there be. \$500.00 will be required to be paid at the time of the sale and the balance to be paid within ten (10) days from the date of the sale at 292 Cambridge Street, Cambridge, Mass. Other particulars made known at the time of the sale. East Cambridge Savings Bank, by Charles H. Sloan, Treasurer, Mortgagee and present holder. Fair Phone Girl

BETTE BRADY

Miss Bette Brady, daughter of Mr. and Mrs. George S. Brady of 26 Grey-
lock rd., Newtonville, Mass., listening
to her own telephone voice repeated
over the Voice Mirror at the Bell Tel-
ephone Exhibit, New York World's
Fair. Miss Brady also listened in
with some 200 others to the demon-
stration long distance telephone calls,
heard Pedro the Voder, the machine
that talks; had her hearing tested and
witnessed the audition demonstration
while in the telephone exhibit.

While visiting the World of Tomor-
row, Miss Brady was a guest of Miss
Alice Fitzsimmons, daughter of Mr.
and Mrs. Edgar Fitzsimmons of 420
Monterey ave., Pelham, N. Y.

Burglars Steal Food and Cameras

In several burglaries reported over
the week-end, food instead of jewelry
constituted the loot. Some thief broke
into the roadside stand of Clement
Esty at 890 Dedham st., Oak Hill and
took chickens and fruit valued at \$10.
When Mrs. Alice Hartwell of 65 West
Pine st., Auburndale, went down to
her cellar to get some preserves, she
was surprised to find that someone
had raided the cellar and taken 10
cases of preserves containing over 100
jars of blackberry jam, peaches, rhu-
barb, and other edibles. Packages con-
taining cake were stolen from the
doorways of chain stores at West New-
ton.

John O. DeBruyn reported that an
\$50 camera was stolen from his car
while it was in his garage at 222
Islington rd., Auburndale. Donald
Moore of Campello locked his car when
he parked it near Norumbega Park
on Saturday. But locked doors mean
nothing to automobile thieves these
days. Someone broke open the door
of Moore's car and stole a camera and
pocketbook.

HARRIET E. TUCKER

Harriet E. (Morrill) Tucker, widow
of Samuel W. Tucker, died on July 19
at the home of her daughter, Mrs.
H. W. Kenway, 29 Atlantic ave., Beverly.
Mrs. Tucker, who was in her
91st year, was a native of Portland,
Maine. She resided for many years
on Church st., Newton. Her funeral
service will be held on Saturday, July
22, at 2:30 p. m., in Newton Cemetery
chapel. Rev. Frederick M. Morris of
Grace Episcopal Church, Beverly, will
officiate.

FRANK M. FERRIN

Frank M. Ferrin of 35 Hunnewell
ave., Newton died suddenly on Sat-
urday afternoon, July 15. He was
born in Natick 73 years ago and
had lived in Newton for 45 years.
He was in the wire cable business
in Boston. Mr. Ferrin was a mem-
ber of the Algonquin and Engineers
Clubs and the Duxbury Yacht Club.
He is survived by his widow, Mrs.
Mary T. (Batt) Ferrin. His funeral
service was held at his late home
on Tuesday; Rev. Abbot Peterson of
Brookline officiated. Burial was in
Newton Cemetery.

SIDNEY G. STEEVES

Sidney G. Steeves of 175 Elgin st.,
Newton Center, died on July 18. He
was born at Harey, New Brunswick,
89 years ago, and for 68 years had
resided in Newton Center where he
was engaged in business as a build-
er. Mr. Steeves was a member of
Dalhousie Lodge of Masons. He is
survived by one daughter Miss Mary
E. Steeves. His funeral service was
held at his late home on Thursday;
Rev. Vaughan Dabney of Newton The-
ological School officiated. Burial was
in Newton Cemetery.

CHARLES E. SWEET

Charles E. Sweet of 74 Grove st.,
Auburndale, died on July 13. He was
born in Auburndale, 76 years ago, the
son of Mr. and Mrs. Charles A. Sweet.
Mr. Sweet was a member of the Boston
Stock Exchange and the Norfolk
Hunt Club. He is survived by his
widow, the former Mildred Page of
Newton, and two daughters, Miss Mary
M. Sweet of Auburndale and Mrs.
Russell Coffin of Wellesley. Mr.
Sweet's funeral service was held at
his late home on Monday and burial
was in Newton Cemetery.

EMMA L. EMERSON

Mrs. Emma L. Emerson, widow of
William H. Emerson, died on July 16
at the home of her daughter, Mrs.
William S. Carlisle, 339 Lowell ave.,
Newtonville. She was born in New-
ton 81 years ago, the daughter of Mr.
and Mrs. Chester Graves. Her funeral
was held on Tuesday and burial was
in Evergreen Cemetery, Brighton.

FRANK L. BARTLETT

Frank L. Bartlett of 24 Whittemore
rd., Newton, died on July 14. He was
born at Clinton 65 years ago and had
been employed by the Boston Bridge
Company as an accountant. His fun-
eral was held on Monday and inter-
ment was at Clinton.

Representatives Vote Against Bill On Married Women

In the Legislature on Monday all
four Newton Representatives, Baker,
Brimblecom, Francis and Goddard,
were members of the majority which
killed the bills to prohibit women
from being employed in public ser-
vice. By a vote of 129 to 78 the five
bills dealing with this issue, were
referred to the next General Court,
the equivalent of rejection. At the
State election on November 8, 1938,
majorities of Newton voters who went
to the polls in both Representative
districts of this city, instructed their
Representatives by referendum, to
vote against the employment of mar-
ried women in public service. In the
4th Middlesex District, comprised of
Wards 1, 2, 3 and 7, the vote in
favor of the referendum was 8936 and
the vote against 5883, a majority of
3253 instructing the Representatives
to vote against married women work-
ing. In the 5th Middlesex District
which includes Wards 4, 5 and 6,
7890 voted for the referendum and
6410 against it; a majority of 1480
opposed to married women in public
service. The referendum obtained a
majority in every precinct except 2
of Ward 5.

Recently the Massachusetts Su-
preme Court by a vote of 5 to 2
decided that the bills to prevent mar-
ried women from being employed in
public service are unconstitutional,
and the Newton Representatives, as
well as some other Representatives,
whose districts voted in favor of the
Referendum, contend that they could
not properly vote in favor of bills
ruled unconstitutional.

Two Injured at Blind Corner

The intersection of Waban and Jew-
ett sts., Newton, which is a bad traf-
fic hazard, was the scene of a col-
lision last Friday morning at 8:30
when cars driven by John T. Burns,
3rd, of 411 Newtonville ave., New-
tonville, and Elizabeth Glidden of 142
Hunnewell ave., Newton, collided. El-
eonor Burnham, 22, of 44 Morse st.,
Watertown, and Barbara Jacobs, 21,
of 162 Washington st., Newton, both
riding in Miss Glidden's car, received
injuries and were taken to the Newton
Hospital in a police car. Miss Burnham
received a fractured collarbone, and
Miss Jacobs possible internal injuries.
The car driven by Miss Glidden was
proceeding west on Waban st. and the
car driven by Burns was going south
on Jewett st. High bushes at the
corner of the two streets prevent an-
toists from seeing approaching cars.

Fined \$25 For Reckless Driving

Frederick Morgan, Jr., 22, of 90
Jewett st., Newton, was fined \$25
by Judge Mayberry in the Newton
court last Friday for driving a car
so as to endanger the safety of the
public. On July 10 a truck driven
by Morgan collided at Forest ave.
and Otis st., West Newton with a
car driven by Hunter Trowbridge of
Lowell ave., Newtonville. Lawrence
O'Donnell of the Police Traffic Bu-
reau testified that skid marks at the
place showed the truck skidded 23
feet.

City Must Pay \$15,750 For Land Assessors Put Valuation of \$650

Judge Collins Awards This Amount To Mrs. McGuiness For Land in Peat Bog

At the meeting of the Board of Aldermen on Monday night \$15,750.14 were appropriated for the Law Department to satisfy the executions of Judge Walter Collins of the Superior Court in the case of Esther McGuiness of Parker ter., Newton Center, against the City of Newton in a suit to recover damages for land taken by the city for the Oak Hill School and playground, and for Thoroughfare rd. Of that amount \$15,719.13 was for land damages, and \$30.96 for interest from July 10 to July 27.

The land in question is part of the large area taken in 1935 by the city for civic purposes at Oak Hill. Most of the land included in the school, playground and street areas was given by its former owners. City Solicitor Bartlett contended that the Higgins family, of which Mrs. Esther Higgins McGuiness is a member, also agreed to donate the land taken from their estate, but this was denied. On September 23, 1935 the city took 54,850 square feet of the Higgins land for playground purposes. On November 18, 1935 the city took 26,400 square feet of the Higgins land for Thoroughfare rd., leading from Parker st. to the new school. On November 20, 1935, the city took 49,600 square feet of the Higgins land for school purposes. In all the city took 130,850 square feet of the Higgins property.

The Higgins land was located in the low area east of Parker st., and most of it was swampy. According to the City Engineer the land taken had an average depth of 5 feet of mulch. It had been used for farming and pasture purposes. On January 1, 1935 the total assessment on the Higgins property was \$3400; \$1400 on the house, and \$2000 for 246,840 square feet of land. According to the assessors the land taken was the least desirable part of the property. It compared in character to adjoining land which was purchased in 1932 by Arnold Hartmann for \$200 an acre; much of this land subsequently was given to the city by Mr. Hartmann, as was adjoining low land owned by the Hurley family.

When Thoroughfare rd. was built in 1937 Mrs. McGuiness was assessed \$1075.50 for betterments, and inasmuch as she had received nothing for the large area of land taken by the city, the betterment assessment made her indignant. She instituted suit against the city to recover damages for the land taken and claimed it was valued at \$50,000.

The case came to trial before a jury at the Superior Court in Cambridge several months ago. The City Solicitor was ill at the time the case came to trial and members of his office staff represented the city. The plaintiff's counsel was a lawyer named Henry Abrams. Chairman Murphy of the Board of Assessors testified that the land taken was worth about \$650, based on its assessed value, the value of adjoining land, and the prices paid for land nearby. His estimate of the land's value was corroborated by George Haynes and Arnold Hartmann, experts in Newton real estate values. Testimony was offered to show that in 1924 land on the opposite side of Parker st. was purchased by John Janse at \$90 an acre; that in 1931 better land adjoining had been sold for \$500 an acre; and that an award of 3 cents per square foot had been made for land taken from the Barry estate for the Oak Hill School, much of the Barry land being high and suited for the school site.

Mr. Dempsey, an employee of the State Department of Agriculture, stated (Continued on page 8)

Much Water Being Used in Newton

Water Commissioner Joseph Murray states that for the past two weeks a record consumption of water has taxed the resources of the Newton water system. The average amount of water used the past three weeks has exceeded 8,000,000 gallons daily; the maximum Newton is permitted to pump from the Charles River. Last Friday 10,800,000 gallons were used. The extra amount required has been obtained from the Metropolitan system. Two large, artesian wells, dug in 1937, have proved valuable by adding 2,000,000 gallons daily to the local supply. The recent cleaning of the wooden conduit at the Needham reservation, and the construction of a 30 inch iron pipe line from the reservation and under the river to the pumping station at Upper Falls, have proved of much assistance in the drought of the past two months.

Patrolman Hayden Seriously Ill

Patrolman Robert Hayden of the Newton police department, who resides on Maple st., Auburndale, is seriously ill at the Newton Hospital, where he was operated on last Monday. Prior to the operation he was given a blood transfusion; Motorcycle Officer Jack McGrath was the donor. Mr. Hayden has been a member of the police department for about 20 years.

Nonantum Residents Ask City Take Land to Protect School

Appear At Hearing At City Hall Regarding Stearns Property

Another step in the efforts to have the city take some of the Stearns land on Watertown street, Nonantum, occurred Monday night when about 25 residents of that district went to City Hall to show that they favor the acquisition of this land by the city. The matter has been under discussion for over a year. It started when the large lot of land in question was purchased by the G & S Paper Company and a permit obtained for the erection of a large warehouse for the storage of paper. This cement block building would be within 50 feet of the Stearns School. Nonantum people then presented petitions asking that the city take the land.

Mayor Childs later sent a recommendation to the Board of Aldermen asking that the city take the land, but as no specific reason for the taking was stated, the aldermen deferred action on the matter. Then the Mayor specified that the property be acquired for recreation and community purposes. This also did not meet with the approval of the Aldermen, as it obligates the city to build a community center on the lot, and one will be available at the old Eliot School. In the meantime efforts were made to have the Playground Commission and the School Committee favor the taking of the land. The former body was divided on the matter and the School Committee declined to recommend the taking. Eventually the School Committee voted to favor the acquiring of the land because of the proximity of the Stearns School to the proposed warehouse. The public hearing on Monday night was held at the suggestion of the City Solicitor, in conformity with legal technicalities.

J. Edward Theriault at the hearing on Monday night urged the taking of the land. He said he expressed the views of Rev. Joseph Robichaud of St. Jean Evangelist Church, and members of the parish. Children who attend the parochial school of that parish must pass several times daily the site of the proposed warehouse, and it would be a hazard to them. Mr. Theriault said a number of Nonantum residents were present to register their desire to have the land acquired. He asked them to stand, and about 25 arose.

Alderman Hoffman of Ward 6, who has been opposing the taking of this land commented that previously the alleged reason for the taking of the property was for the purpose of providing a community center. He said that if the driveway from Watertown street into the warehouse will be made wider than originally planned, and the building kept somewhat further from the school, it would suffice. Edward J. Powers, representing the Ward 1 Improvement Association, asked Mr. Hoffman if he would oppose the erection of a storage warehouse only 50 feet away from the Weeks or the Mason Schools? The Ward 6 Alderman replied that the zoning ordinance would protect these school buildings without the spending of public funds.

Protest Against Loud Speaker at Norumbega Park

A petition signed by 22 residents in the vicinity of Norumbega Park was received by the Board of Aldermen on Monday night. It protests against loud noises at the park, and specifies that a loud speaking device used in connection with the outdoor moving picture theatre at the park, has been a continual nuisance. It is alleged that this loud speaker makes so much noise that it can be heard a mile and a half away. John Ross of 60 Woodbine st., appeared before the Licenses Committee, representing the petitioners.

(Continued on page 8)

Appropriations Made by Aldermen

The following appropriations were made at the meeting of the Board of Aldermen on Monday night, following recommendations by Mayor Childs: Soldiers' relief, office expenses, \$200; bond for City Treasurer, additional, \$120; Treasury department, office expenses, \$120.60; rifle range expenses for police, \$113.95; two additional firemen from August 1, \$1500.66; Welfare Department, temporary investigator, \$690; Treasury department, 1938 deficit bill, \$238; Street Department, clerical assistance, \$690; Water Department for tools in WPA project of clearing reservation, \$1100; Water Department, mains in Lantern lane, Up land rd. and other streets, \$5890; Street Department, completion of work on Upland rd., \$5450; Law Department, damages for injuries received by Wolf Goldman in falling on defective steps near Chestnut Hill railroad station, \$500.

Alderman Hoffman voted against most of these appropriations, stating that he disapproved of so many additional appropriations for various departments after the budget. He said it only encourages these departments to extravagance, and is contrary to the principle of economy which the Aldermen are supposed to favor.

Taxpayers Asso. Urges Economy

A recent survey made by a neighboring city brings out the staggering fact that the cost per capita of operating the City of Newton is the highest of any of the 15 representative cities in the survey says the Newton Taxpayers' Association.

Newton's operating cost of \$75.23 per capita is far in excess, 40 per cent more, than such comparable cities as Medford, Malden, Brockton, Lynn and Haverhill whose costs are closely grouped between \$52 and \$55 per capita.

The chart below gives the figures in detail: (latest available figures).

Population	City	Per Capita Cost
118,075	Cambridge	\$62.95
117,414	Fall River	39.12
110,022	New Bedford	47.73
100,909	Lynn	54.32
100,774	Somerville	53.35
100,114	Lowell	53.14
86,785	Lawrence	48.58
76,909	Quincy	59.43
66,144	Newton	75.23
62,497	Brockton	54.06
61,444	Medford	55.95
57,277	Malden	52.35
56,139	Holyoke	65.95
49,516	Haverhill	53.69
47,516	Pittsfield	47.82

The facts are plain. It is time to act. The Newton Taxpayers' Association suggests that all citizens take a greater interest in city affairs, and correct this intolerable situation by urging a strict pay-as-we-go policy with a minimum budget.

Object To More Sewer Assessments

The old problem of real estate developers desiring improvements on new streets so they can sell houses, and owners of other properties objecting to such improvements, because they would not be benefited, but would have to pay much of the cost, came up again before the Board of Aldermen on Monday night. John C. Jones of 6 Beacon st., Boston has petitioned for a sewer and drain on Lantern rd., Newton Centre. He said he is building 11 new houses on the street, and will get stuck on them unless a sewer and drain will be constructed there.

Objections were made by William McDonough of 252 Jackson st., and William O'Connell, representing Anthony Mandile. They said they are paying assessments now for sewer betterments on two other streets, and do not want to be assessed for betterments on a third street, which will be of no advantage to them. John E. Jennings of Duxbury rd. also objected.

Charles Sampson of 1364 Walnut st., asked that a sewer be placed in Walnut st., between Dedham and Solon sts. He said the absence of a sewer is causing unsanitary conditions in that neighborhood. Septic tanks and cesspools are overflowing, prohibiting the use of set-beds, and cellars becoming filled with water each winter, and at other times during the year. Russell Burkhard of 1376 Walnut st. agreed with Sampson and said the Board of Health has stated there should be a sewer in that district. James Hyatt and Ralph Simms also favored the petition.

13 Year Old Boy Stabs Playmate

Enrico Gentile, 12, of 40 Middle st., Nonantum, was stabbed under the right shoulder and slightly wounded by a 13-year-old playmate on Wednesday afternoon when the two got into an argument while playing near Silver Lake. The boy who did the stabbing resides on Hawthorn st. Young Gentile came to this country from Italy only two months ago, and according to the report received by the police, was being taunted by the other boy. After the stabbing had occurred, someone telephoned a Boston newspaper and gave meagre information. The newspaper telephoned Newton police headquarters, and several policemen went to Nonantum in a search for the stabber and his victim. Shortly after Dr. Merola of High st., Waltham notified police headquarters that the victim of the stabbing had come to him for treatment, and had revealed the name of the boy who stabbed him.

Newton Family In Auto Accident

A car driven by Mrs. Marion Jackson of 138 Charlesbank rd., Newton, collided with another automobile at Reading last Saturday. Mrs. Jackson received a broken nose. Her mother, Mrs. Alma Conley, of the same address, received a fractured collarbone and other injuries. Her father, George Conley, had several ribs broken. They were taken to Choate Memorial Hospital in Woburn, and on Tuesday were removed to their home.

Appoint Auditor To Study Facts On Cullen Case

The application of Attorney Francis X. Hurley for writs of mandamus against Mayor Childs and Chief of Police Hughes in the effort of Bart Cullen to be replaced on the payroll of the Newton police department as sergeant, was heard by Judge Lummus of the Supreme Court on Wednesday.

The judge named Alexander Lincoln of Brookline as an auditor to ascertain the facts in this case. Mr. Lincoln was formerly Chairman of the Board of Tax Appeals. It may be sometimes before he will make a finding. Mr. Cullen has continued to report daily at the police department garage.

Object To Filling Station on Pike

At a public hearing before the Board of Aldermen on Monday night, Arthur Scipione, representing the Thompsonville Improvement Association, objected against the granting of a permit for a gasoline station at 325 Boylston st., corner of John st., Newton Centre. He said that the locus is on the very heavily traveled Worcester turnpike, and that there are now two other gasoline stations within 200 feet of the place. These stations do little business, nearly all of which is local. Mr. Scipione argued that the proposed station would be an added hazard to the many little children of the neighborhood, and he called attention to the fact that two previous attempts to obtain a filling station permit at this locus, had been turned down by the Aldermen.

General Daniel Needham spoke in favor of the petition, which was presented by the trustees of the estate of John Barthelmie. He said the property is a vacant lot, non-income producing, and cannot be sold for other purposes. He said the station would be operated by the Sunoco Company, which would erect a modern filling station on the property. The matter was referred to the Licenses Committee.

Frank M. Ferrin Leaves Large Bequests to Various Charities

Newton Hospital and Other Local Institutions Named In Will

The will of Frank M. Ferrin of 35 Hinnewell ave., Newton, who died on July 15, was filed in Middlesex Probate Court on Tuesday, July 26. It revealed that this unassuming citizen of Newton had bequeathed \$400,000 in trust funds for philanthropic purposes, and had shown his appreciation for the faithful services of employees in a concrete way by very generous bequests. Mr. Ferrin was born in Natick, 73 years ago, and had lived in Newton for 45 years. For about 50 years Mr. Ferrin had been in the wire cable business, with offices at 3 Park st., Boston.

Mr. Ferrin's will provides that a trust fund of \$400,000 be established, the income to be used for the benefit of his widow, Mrs. Mary Ferrin, who also receives his personal effects, and the residue of the estate, after numerous, specific bequests are made. Miss Mary A. Brennan of Robin Hood st., Dorchester, who was Mr. Ferrin's secretary for 44 years, is bequeathed the business. She also receives a specific bequest of \$5000, \$6000 to continue genealogical work in which Mr. Ferrin was interested, a life income from a \$30,000 trust fund, and one-fourth of the income of the \$400,000 trust fund, upon the death of Mrs. Ferrin. Francis P. Brennan, a brother of Miss Brennan, and also for many years an employee of Mr. Ferrin, is bequeathed \$10,000, and will also receive a fourth of the income of the \$400,000 trust fund upon the death of Mrs. Ferrin. Others who will receive similar benefits from the trust fund, if they survive, are Margaret E. Randall, another office employee, and Henry C. Kleinfelder of Natick. In addition, Miss Randall receives \$5000, and Kleinfelder \$3000 and real estate in Natick. Other employees to receive bequests are—William Meakin, gardener at the Newton estate, \$5000; Myra Norris, \$2000; Mary Murphy, \$1000; Margaret White, \$500. In addition, every office employee of more than 5 years' service will receive nine months' salary.

Mr. Ferrin's will states—"These bequests to my employees are for their future protection and in grateful recognition and appreciation of long years of loyalty, faithful service, and devotion to my interests, which in a large measure made it possible for me to develop a successful business."

Upon the death of the last survivor among the beneficiaries of the \$400,000 trust fund, and possible widows of Francis Brennan and Henry Kleinfelder, the will provides that the trust be dissolved and the estate divided as follows: Massachusetts Institute of Technology, \$130,000 to aid deserving students, first preference to those from Natick; \$5000 to the First Congregational Church, Natick; \$3000 to Natick Visiting Nurses' Assn.; \$2000 to Maria Hayes Home for Aged in Natick; \$35,000 to the Leonard Morse Hospital, Natick; \$25,000 to the Newton Hospital; \$15,000 each to the Massachusetts General Hospital, the Bos-

New England Assessors Told of Methods Used By Newton Assessors

John R. Prescott Reads Interesting Paper at New England Assessing Administration Conference in Boston on Thursday

At the annual New England Conference on Assessment Administration held on July 27 and 28 in the Hotel Statler, Boston, under the auspices of the National Association of Assessing Officers, one of the features was a paper read on Thursday afternoon by John R. Prescott of the Newton Board of Assessors. His subject was—"Appraisal of Land in Suburban Areas." Newton assessors were asked to prepare a paper on this subject because of the residential character of the city, and the reputation which has been won by its assessing department. Mr. Prescott was selected to prepare the paper.

In prefacing his article, Mr. Prescott said that Newton assessors do not profess to be pioneers in new assessing practices, but are merely trying to carry out methods which are in

208 Newton WPA Workers Laid Off

The act recently passed by Congress compelling WPA workers who have been on the rolls for 18 months or longer to take a 30 days furlough, will affect 208 in this city. Before the end of August this total will have been furloughed in Newton, and of the 208, about 60 will be laid off as Newton's share in the current reduction of the Federal Government. It is expected that a large percentage of those who will be deprived of the WPA relief, will apply to the Newton Welfare Department for aid.

Mr. Prescott said—"the following are some of the features of our assessing work:

First, as assessors, we no longer have seasonal periods of work with alternating layoffs: it's an all-the-year-round activity, the same as in a business organization, every day having its duties.

Valuations are placed on the books as of January first, as the Massachusetts laws require, but long before then, land values have been systematically worked out by the assessors through a house-to-house and lot-to-lot survey in the area visited. January first is not the beginning of 1939 assessing work, but rather the assembling of work that has been going on all through the previous year. This is quite in contrast to an assessing practice where swivel-chair valuation is the rule.

We find a Street Book to be invaluable in our field work, as well as in office work. It carries ownership, location, area and valuation of every lot in the city and its marginal notes are constantly referred to.

The city uses the Block System, its plans showing the ward, precinct, section, block and lot of the many thousand parcels of land that constitute the city. The lots in each block carry a serial number or letter. If the lot carries a building, its value is given and the rooms, baths and interior appointments are listed.

Our most important and exacting work has been the proper equalization of land and building values. The basis of all equitable assessing is such uniformity.

Practically all Newton land is assessed on a square foot, not a front-foot basis, and plan books drawn to scale show the boundaries and the area of every lot. In valuing or re-valuing land, the plan is first studied and a tentative value fixed. This is then checked up by a visit to the location, where contour, damp or ledgy areas, lack of finished streets, and general condition of each lot is observed. Both vacant and occupied land are

(Continued on page 8)

Motorists Fined In Newton Court

In the Newton court last Friday Wilfred Dodge of 31 Wade st., Newton Highlands was fined \$10 for driving a car without proper lights. Stephen Canty, 17, of Brookline was fined \$5 for speeding. Thomas Campbell, 19, of Cypress st., Watertown, was fined \$5 for passing a car while his view was obstructed.

FORMULA for Audience Building WORLD Quality on WCOP

It would be strange indeed if the American public—schooled to know and demand the best in products and services—should be content with less than the best in radio quality.

At least, that's the kind of thinking that brought into being the first library service for radio stations—the World Program Service.

And quite naturally, the PIONEER remains the LEADER—serving WCOP with the greatest library of music ever recorded for radio.

Radio listeners look to World for the widest variety of musical groups, recording the newest and best in music, and, of course, for that World vertical-cut Wide Range quality which is recognized everywhere as the ultimate in high-fidelity recording.

World's formula for audience building is simple—give the public highest quality in program and reception, and maintain these standards. "World quality on WCOP" has long proved a success formula.

And speaking of successes, make a note to tune in WCOP Sunday at 4:30 P.M., when The Newton GRAPHIC will present another program of interest to every Newtonian.

Rotary Club

A very interesting discussion of the second object of Rotary was given by Mr. William Beach, who is the Governor of the 196th district and a member of the Cambridge Rotary Club. The second object of Rotary has to do with vocational service. At present the attempt is made to instill in the members the highest ethical standards in their businesses and professions which would increase their ability to serve both the public and the community. Mr. Beach would increase the value of this object by a study of a better understanding and good will between industry and management.

This suggested revision would seem to line up the second object of Rotary with the other 3 objects which would tend to assist society toward peace within the industrial relations as the other objects work towards peace and goodwill through personal acquaintance, community service, and international understanding.

NEWTON UPPER FALLS GARDEN CLUB

The Newton Upper Falls Garden Club met at the home of Mrs. John Temperley and her daughter Miss Alice Temperley of 85 Thurston rd., on Thursday, July 20, at 6:30 p. m. Supper was served by the hostesses on the lawn under a large oak tree to twenty of the members.

Groups of small tables were decorated with centerpieces of dainty summer flowers. Following the supper Miss A. Gertrude Osborne, president, presided at the meeting which was followed by a quiz upon flowers and birds, successful contestants receiving a potted plant.

THE ABC of U S A

A Series of Miniature Essays on Democracy
NATIONAL LEAGUE OF WOMEN VOTERS

IV

BY THE PEOPLE

THERE have been other democracies in the modern world besides America's. They have all been distinguished by one common factor: their government is by consent of the people. Their systems of government are not all alike but three features are common to them all: a representative system, rule of the majority, and popular suffrage. Popular suffrage has been extended in America until it gives every qualified citizen a right to vote. We did not possess universal suffrage in this country at first but we do now, as they do in most democratic countries. It is part of the theory that the individual, and each individual, has the right to a say about government. Rule of the majority is a practical necessity because of the obvious impossibility that all people should ever manage to agree on a subject. Dangers that a majority may proceed to tyrannize over the minority is obviated partly by the tolerance of the majority, that knows that sometime it may become a minority and in its turn need protection. The Bill of Rights in the federal Constitution and similar constitutional provisions in the states also guarantee personal freedom. Government by representation is another practical necessity. What a fantastic dream it would be to expect one hundred and thirty million people to meet together for the conduct of government! We must elect representatives to carry on our government. But that does not mean that the citizen's job is finished when the vote is cast. If "town meetings" mean citizens coming together in groups both in town and country to talk over the work of their elected representatives and executives, then the town meeting idea should not vanish from the American scene. Voting is the election day job. "Town meeting" is the year 'round job.

Camp F. A. Day

Circus Tomorrow

The Camp Frank A. Day annual circus will be held on the Camp grounds tomorrow afternoon with the parade scheduled to make its hilarious start at two-thirty. Led by the band the parade will consist of clowns in costume, Indians, tumbling gymnasts, wild animals and all the other features which go to make up a real circus parade.

Housed in a tent of its own the Side Show of freaks and oddities will be the first show to open to the public. Next to it will be the Chamber of Horrors containing unbelievable horrors gathered from the Camp Day world and the fertile minds of counselors who devise such imaginative horrors.

The main show will follow the events of the Side Show, and this year the boys and counselors have gone to great lengths to formulate acts that will entertain as well as thrill the onlookers. Paganry, clown acts, tumbling and pyramid building, animal maneuvers, all will be combined to bring to the spectators a semblance of the Big Top.

The following committees have been formed:

Band—David Ashton of Tilton Junior College.

Finance and Bank—Arthur Coppleson of the Mass. School of Fine Arts and Robert Holbrook of Mass. State College.

Publicity—Walter Ward of Harvard and Jack Weeks of Yale.

Chamber of Horrors—Jack Hancock of Wesleyan, David Kingsbury of Wiliston Academy and Wilbur Shilling of Harvard.

Side Show—Harry Kyle, Boys' Work Director of Burlington, Vermont Community "Y" Dick Sprague of Harvard and Ernest Beier of Amherst.

Crowns—Stanley Sumner of Hebron Academy, Dick Miller of Chicago and Bill McLehlan of Newton. The parade will be along the nature trails they had cleared during the first days of camp. Birch-bark baskets are being made from "hurricane trees" and are filled with moss and ferns, and are used as centerpieces.

Each of the three units, which are headed by Miss Roberta Annon of Merrimack, Miss Margaret Robinson of Concord, and Miss Roberta Haas of Kalamazoo, Mich., has had overnight hikes, and has had cookouts in the unit kitchens, the girls having planned, ordered and prepared the food.

Miss Leona Angell of Hyde Park waterfront director, reports that all canoe tests so far have been passed, and that all non-swimmers during the first two periods had learned to swim.

Other members of the staff are:

Mrs. Eleanor Hanners, registered nurse, of Brighton; Miss Eleanor Greene of Waban, secretary; Arlene Webster and June Krueger, both of Auburndale, and Mary Elizabeth Sheehan of Newton Centre, assistant unit leaders; Rita G. Smith, Helen and Barbara Fuller of Newton Centre, dietitian-cooks; Jane Merrill of Newton, and Dorothy Hakins of West Newton, hostesses; Nancy Chase of Auburndale, Junior Counselor.

Girls who have registered for one or more periods are: Hanna and Helen Mahler, Marilyn Tilton, Dorin Burkholder, Emelda Lyko, Marilyn Moroney, Hannah Gardner, Jeanne Zeigler, Ruth Concannon, Jeanne Dunton, Jeanne Mahan, Marion Sharpe, Anne Reuter, Mary Jane C. Smith, Helen Connelly, Nancy Lee Gower, Jane Mullineaux, Shirley Lynde, Dorothy Smith, Gwendolyn Guile, Barbara Potts, Betty Gardner, Genevieve Allen, Rita and Angela Baldasaro, Frances Dowick, Gloria Tocci, Dorothy Gross and Margaret Brickett.

Others are: Joyce Hunnefeld, Joan McLaughlin, Joan White, Sally Hudson, Kathleen Lynch, Audrey and Marilyn Smith, Barbara Berry, Barbara Kingsbury, Mary Procter, Eleanor McCarthy, Elizabeth Naylor, June Hersum, Alice Purcell, Miriam Jack, Lois V. Van, Teresa Sheehan, Clara Feranti, Lois Colleary, Margaret Greene, Charlotte Perkins, Bernice Collins, Anne Corcoran, Shirley Simpson, Marjorie Knott, Betty Louise Harding, Patricia Sheehan, Mary Burley, Joanne Wade and Gertrude Quinn.

Still others are: Betty Howe, Jean Allison, Virginia Graefalo, Josephine Negrotti, Florence Patriacca, Betty Walsh, Dorothy Sullivan, June Golden, Carol Jones, Barbara Spicer, Marie Palumbo, Madeleine Ricciardi, Barbara Flynn, Barbara and Beverly Hillier, Eleanor Thompson, Phyllis Wholley, Ruth Breese, Barbara Buschen, Margaret Ide and Lucy Jackson.

Newton Social Worker Enrolls at Summer School

Miss Marian C. Ely, case worker for the Family Service Bureau of Newton, Inc., is among 39 social workers enrolled in graduate seminars being held July 24 to August 5 at the Smith College School for Social Work. Smith College, under the leadership of Dr. Leahy, M. A. Master of Philadelphia, and Beatrice H. Waldyk, district supervisor of the Philadelphia Welfare Society and member of the faculty of the Social Work School at Smith. Miss Ely is registered in the seminar on "Psychiatry as Applied to Problems of Supervision," one of three now in progress at the school.

GOWN SHOP UNDER NEW MANAGEMENT

Announcement is being made of the change in ownership of the Ba Ba Gown Shop, Commonwealth ave., Newton Centre. The Gown Shop has been acquired by Mrs. Doris Davis of Newton Centre. Mrs. Davis has retained the service of Mrs. Thomas who has been associated with the shop since it opened. Mrs. Davis has long been associated with the women's apparel business and has had a wide experience in dressmaking, fittings and alterations.

Mrs. Davis will add to her stock a full line of the famous MOJAB hosiery which is so popular with Hollywood stars.

Mr. Frank A. Day, Jr., forwarded

to the Chief a check for the Camp birthday celebration to be spent in any way that the boys may decide. Last year the show consisted of acts supplied by Brookfield minstrels, and the usual ice cream and cake which always forms an enjoyable part of any show for boys.

Monday night witnessed the first all-swing show of the season. The band of this season is by far the finest that has been assembled at Camp for many years. Led by David Ashton of Somerville, the 20th century Gabriel, the remaining members are: Loring Kidder of West Newton at the piano; Dick Karb of Framingham with his alto saxophone; Paul Byrne of Newton and the tenor saxophone; Alan Reese of White Plains, New York, playing the clarinet; Paul Harriman of Newtonville and Sheldon Jenkins of Newton provide able assistance to Leader Ashton with their brass.

Perhaps the hit of the band, judging by the sustained applause, is the remarkable array of the drums, Phil Johnson of Walpole.

Girl Scouts

With Miss Kathleen Twombly, newly appointed Local Director of the Newton Girl Scouts, heading the camp staff, Camp Mary Day passes the half-way mark of most successful seasons.

Enthusiasm has been laid upon Arts and Crafts under the direction of Miss Anita Wheeler of Auburndale. The girls are busy at weaving, block printing, stationery, painting and decorating the camp serving trays, and working with felt, leather, and sheet cork.

One group has brought out-of-date camp maps up to the minute, indicating the waterfront improvements, new structures, and recent trails. Another group, cooperating with the nature guide, Miss Florence Capobianco of Newton Upper Falls, has made labels for all varieties of flowers, shrubs, and trees along the nature trails they had cleared during the first days of camp.

Birch-bark baskets are being made from "hurricane trees" and are filled with moss and ferns, and are used as centerpieces.

Each of the three units, which are headed by Miss Roberta Annon of Merrimack, Miss Margaret Robinson of Concord, and Miss Roberta Haas of Kalamazoo, Mich., has had overnight hikes, and has had cookouts in the unit kitchens, the girls having planned, ordered and prepared the food.

Mr. Frank A. Day, Jr., forwarded

55 YEARS AGO

Newton Graphic, July 19, 1884

The members of the city government will probably be invited to their annual S. S. Empire State trip next week. This excursion will be the magnificent trip along the North Shore.

The public property committee advertises for bids for the new four-room schoolhouses at West Newton and Newton Center. Proposals are to be sent to George Pettie, chairman of the committee.

Cool and agreeable weather has prevailed all the week.

Last Sunday was an unpropitious day for outdoor religious meetings. The shower in the afternoon made it impossible to hold the service announced for the Hotel Hunnewell grounds, but Rev. Mr. Gunslue promises to come again and preach on the next Sunday he is at liberty. The Y. M. C. A. meeting on the bank grounds was driven indoors by the rain, and Rev. Mr. Calkins made an address to children and young people on the perils of bad company, drinking and other vices, illustrating his remarks by the story of Samson.

In memory of the beloved pastor, Samuel E. Lowry, a marble tablet has been placed in North Evangelical Church, Nonantum.

An incendiary fire early Sunday morning destroyed an old barn on Washington st., Lower Falls, said to be the largest in the city. It was owned by the Rice heirs, and Daniel Warren, the coal dealer, had about 30 tons of hay stored in it. The barn had long been an eyesore, and an attempt had been made before to burn it.

Improvements on streets around the Methodist Church at Newtonville are underway. The green in front of the church is being curbed and the street graded preparatory to being macadamized; after which Bowers st. is to be widened.

50 YEARS AGO

Newton Graphic, July 19, 1889

A gospel tent meeting is to be held next Thursday afternoon and evening at the corner of Galen and Maple sts., at the Newton-Watertown line, continuing probably for 2 weeks. All are invited.

The treasurer of the Newton Cottage Hospital has received a check for \$300 from Mrs. Lizzie Brooks of Waverley ave. for a free bed. This is the second year this generous gift has been made.

S. K. Harwood of Ivanhoe st. met with a serious accident yesterday while driving in front of P. A. Murray's shop on Washington st. His horse stumbled and fell, pulling Mr. Harwood over the dashboard. He fortunately escaped with severe bruises.

The Newton & Watertown Gas Light Company are laying out circuits for incandescent lamps at Lower Falls, Upper Falls and Chestnut Hill. The new street lights will be heartily welcomed at these places, as they will supplant the dim, religious light given by the oil lamps.

John Gavin of the Newton Coal Company was driving by Whitman's stable on Centre st. moving when the rats, cockroaches and other vermin would have no food at the dumps and would not breed in them. But the Street Department has continued to deposit combustible waste and tin cans in the dumps, with the result that dump fires have occurred and the dumps are still infested with vermin. Recently the new Street Commissioner sent out notices to householders to place combustible and non-combustible rubbish in separate containers. This city ordinance can be and should be used for the purpose for which it was built. When residents of Newton, and stores place combustible rubbish and

of charge. He was a public benefactor as well as a wise and estimable gentleman. His remains lie in Newton Cemetery and no headstone marks his grave. Some of his old patients have sent in money for this purpose, but more is needed. Money sent to D. E. Snow, Box 13, Newton, will be gratefully received.

The Salvation Army is in West Newton for a two weeks' campaign, and the citizens are being entertained by parades and singing of Gospel hymns. The first meeting was held in Good Templars Hall, and subsequent meetings in Allen's Hall. They create a good deal of disturbance on the street, and the question is asked often if they have a license to parade.

The police department is anxiously waiting for the installation of the signal system, for which an appropriation was made several months ago. The deadlock caused by the postponement of the committee that the system of the Municipal Signal Company of Boston be purchased, will not be broken until after the aldermen meet again in September, if then.

The late Dr. Teulon spent 40 years in Newton and all through his life gave his services freely to the poor, and prepared medicines for them free

EDWARD H.

Powers' Paragrahps

Several years ago one could tune in a radio set and listen to excellent musical programs during most hours of the day or night. Now, one can dial from one broadcasting station to another and receive only alleged music that would fray even strong nerves. It was bad enough the past few years to have to listen to "swing" (until the radio could be shifted to another station, only to find more swing being broadcast) but the jitterbug orchestras having exhausted the efforts of "gifted" swing composers, then began to desecrate beautiful, old melodies by adapting them to swing tempo. And to add to the decadency in music as evidenced in radio orchestral programs, we have the new vogue in vocal "music" which is coming over the air. Instead of torch-singing altos and mezzo-sopranos, the torch singers have been succeeded by a bunch of lamenting ladies who mournfully whine over the aid about broken romances or unrequited love. These sad-hearted sirens don't sing. They don't even entertainingly wail. The lachrymose lamentations they utter sound more than anything else like the alcoholic anguish of some dame with a melancholy jag. To get relief, will it be necessary for the government to take over production of radio programs, as is done in England?

In this column in past years we have mentioned more than once the widespread practice of wealthy persons bequeathing large amounts to colleges and leaving little or nothing to faithful employees who assisted the donors in acquiring their wealth. It is a common thing to read that some wealthy person bequeathed \$1000 or even \$500 to some loyal employee who had served many years, and the same will contain huge bequests to one or more educational institutions. We don't object to generous legacies to educational institutions, but we do believe that more persons should display greater appreciation for old and faithful employees who are in moderate or even poor circumstances. So, we applaud the attitude shown by the late Frank M. Ferrin of Newton who provided very generously for his employees, and also bequeathed considerable sums to many philanthropic institutions, including several in Newton. He also remembered an educational institution, Mass. Institute of Technology, which will eventually receive \$130,000 from Mr. Ferrin's estate. More wealthy persons in their wills might well emulate Mr. Ferrin.

The communication received by the Board of Aldermen from an attorney representing Patrick McKenna of 34 Farwell st., Newtonville, calls attention to the fact that the very expensive incinerator erected several years ago by the city at Newton Highlands is not being used for the purpose for which it was built. The incinerator, which cost well over \$100,000, was built to end dump nuisances. For many years complaints had been made by residents of Newton about smoke and stench having been diffused over large areas from fires in public dumps. Complaints had also been made by people residing near the dumps of rats, cockroaches and other vermin coming from the dumps and invading their homes.

So, Newton taxpayers were assessed to have the incinerator built, and these taxpayers were told that all combustible waste would be taken to the incinerator and burned there. It was also stated that all tin cans and other food containers would first be burned in the incinerator before being deposited in dumps. This would consume any food particles in the tins, and would also burn off the labels. Thus the rats, cockroaches and other vermin would have no food at the dumps and would not breed in them. But the Street Department has continued to deposit combustible waste and tin cans in the dumps, with the result that dump fires have occurred and the dumps are still infested with vermin. Recently the new Street Commissioner sent out notices to householders to place combustible and non-combustible rubbish in separate containers. This city ordinance can be and should be used for the purpose for which it was built. When residents of Newton, and stores place combustible rubbish and

of charge. He was a public benefactor as well as a wise and estimable gentleman. His remains lie in Newton Cemetery and no headstone marks his grave. Some of his old patients have sent in money for this purpose, but more is needed. Money sent to D. E. Snow, Box 13, Newton, will be gratefully received.

The Salvation Army is in West Newton for a two weeks' campaign, and the citizens are being entertained by parades and singing of Gospel hymns. The first meeting was held in Good Templars Hall, and subsequent meetings in Allen's Hall. They create a good deal of disturbance on the street, and the question is asked often if they have a license to parade.

The police department is anxiously waiting for the installation of the signal system, for which an appropriation was made several months ago. The deadlock caused by the postponement of the committee that the system of the Municipal Signal Company of Boston be purchased, will not be broken until after the aldermen meet again in September, if then.

The late Dr. Teulon spent 40 years in Newton and all through his life gave his services freely to the poor, and prepared medicines for them free

tin cans in separate containers, these containers should be collected by the Street Department in different trucks, and not by the same truck at the same time. The combustible rubbish and the empty, tin food containers should be taken to the incinerator and not deposited in dumps, even though it costs less to carry such rubbish to the nearest dump instead of the incinerator. Economy is to be commended when it does not interfere with the health and comfort of Newton residents. The incinerator at Newton Highlands cost plenty. Let it be used as it was intended.

The action of the Legislature in raising taxes on hard liquors from 40 cents to \$1 per gallon will bring considerable added revenue to the State treasury. It will also add considerably to the amount of bootleg alcohol and alleged whiskey made and sold in Massachusetts, which totals more now than many good people realize. And some supposedly, respectable owners of stores in this State have been selling more bootleg alcohol to unfortunate victims of cheap booze than many good people realize. And we are not referring to licensed liquor stores. Incidentally, why increase the tax on wines from 10 to 50 cents per gallon, and make no increase in the tax on malt liquors? The amount of wine sold in Massachusetts is negligible compared with the amount of ale. A small increase in the tax on malt liquors would bring much more revenue than the big increase in the tax on wines. Why discriminate against the wine drinkers?

The increased tax on dog racing will cause little resentment except to the few who have been reaping huge profits from the suckers who patronize the dog tracks. Possibly one thing that influenced some of the Legislators in making the dog track operators come across with more, was the indiscretion of one canny individual who has fared more than well since gambling at dog races was legalized. This person confided to some of his friends last year that his income from the racing track, with which he is connected, had, since the track started, amounted to \$450,000.

The capitulation of Britain to Japan, and the latest dickerings between the bungling, alleged statesmen of that nation and Hitler's government, justify the recent action of Congress in defeating the efforts of President Roosevelt and Secretary of State Hull to tie this country into a virtual alliance with Britain and France. And if the two gentlemen just mentioned, in co-operation with British rulers, had taken the stand against Japan two years ago, that they took two days ago, England would not now be groveling to Nipponese, and this country would not be starting to spend hundreds of millions of dollars to build more warships as protection against Japan.

Blame Traffic Signal for Crash

Last Friday night cars driven by Michael Bowen of Wakefield and Loring Lovewell of Holliston collided at the intersection of Walnut and Watertown sts., Newtonville. Both cars were badly damaged and three persons riding in them slightly injured. The driver reported to the police that yellow lights were flashing in the traffic signal on both streets, and both operators supposed they had the right of way. According to traffic signal rules, yellow lights should flash on the primary street, and red lights, compelling a stop, on the secondary street. Lieut. Moan of the Traffic Bureau is endeavoring to have this condition corrected at the intersection involved. Walnut st. on Route 128, would be adjudged the primary street at night as heavy trucking is prohibited on Watertown st. after 8:30 p. m.

Had Bad Brakes And Is Fined \$50

Charles Casella, 20, of Lexington rd., Watertown, was fined \$50 by Judge Mayberry in the Newton court yesterday for driving a car with defective brakes. On July 17 Casella's car ran into the rear of another car on Watertown st., causing a woman in the car hit to be injured. Police testified that on the day preceding the accident, a motor vehicle inspector had placed a tag on Casella's automobile because it had defective brakes, and the brakes were supposed to be repaired at once.

Upper Left, Left Centre and Lower Left—Parade at Nonantum on Sunday, July 16. Italian residents celebrate annual festa in honor of Our Lady of Mount Carmel; little girls in parade; statue of Our Lady of Mount Carmel; Mayor Childs at head of parade.

Upper Centre—Raytheon employees play softball at Victory Field.

Centre—Swimming hole at Charles River, Kenrick Bridge, Oak Hill.

Lower Middle—Traffic rules ignored; double parking at a dangerous corner.

Upper and Lower Right—Huge gantry crane raises 45-ton water pipes at Weston.

SOFTBALL MANAGERS

A meeting of managers of soft ball teams in the Newton Playground leagues will be held Tuesday, August 1, at the Newton Centre Recreation Building at 8:15 p. m., at which time the revision of the rules will be discussed. The matter of affiliation with the Metropolitan Softball league will come up for consideration.

TWILIGHT LEAGUE

The next meeting of the Twilight League managers will be held on Wednesday, August 2, in the Newton Centre Recreation Building. Preliminary plans for the annual banquet will be discussed and also arrangements for the play-offs in the two leagues. The meeting will be called at 8:30 p. m. sharp.

CITY TENNIS TOURNAMENT TO START ON TUESDAY

The annual City of Newton Public Courts Tennis tournament will get under way on August 1.

Entries are being received for men's singles, men's doubles, women's singles and women's doubles.

Entries will close Monday, July 31 and the draw will be held Tuesday, August 1.

Entries may be made at any playground in writing to the director in charge or to the Playground Department Office at City Hall, Newton Centre.

The winners of this tournament become eligible to enter the New England Public Parks Tennis Tournament which will be held this year at Providence on Labor Day week end.

STAR MARKET COMPANY SETS UP SAFETY RECORD

The Star Market Company, with stores in Watertown, Newtonville, and Wellesley, has set up a 100 per cent accident-free record on the roads now covering a period of a number of months and has won rankings of third and fourth in the safe-driving contest for food store fleets conducted throughout Massachusetts by the Massachusetts Safety Council, of which the Company has long been a member. Since the awards of the Safety Council are based on the number of trucks operated, first and second places were awarded to concerns having larger fleets.

TWI-LEAGUE BENEFIT GAME ON SUNDAY

The Annual Newton Twilight League benefit game will be played next Sunday, July 30, at Cabot Park.

This year a team composed of picked players from Upper Falls, City Club and Auburndale will play a team of stars selected from Veddaccio, Gaths, Y. M. C. A. and Cabot.

The following tentative lineups have been released by Manager Pat LoChiattio of the East and John Janse, Jr., of the West:

East—"Pete" Morrison, catcher; "Red" Joyce, Dom. Lupo, Coletti and Fran Doherty, pitchers; Callahan of Cabot, 1st base; Dugan of Gaths, 2nd base; Sam Lupo of Veddaccio-Texaco, 3rd base; Watkins of Cabot, short stop; J. Mullen of Gaths, left field; Frazier of Y. M. C. A., centre field; O'Connell or Cronin of Veddaccio-Texaco, right field.

West—Marty Daley, catcher; Pignatelli of City Club, Bilski of Upper Falls and Reilly of Auburndale—pitchers; J. Kerrigan of Upper Falls, 1st base; DeEugenio of City Club, 2nd base; Walker of Upper Falls, 3rd base; Spellman of City Club, short stop; C. DiRusso of Auburndale, left field; Janse of City Club, centre field; Ryan of Auburndale or Kerrigan of Upper Falls, right field.

Each squad is limited to 12 players plus pitchers and catchers. The teams as selected are much like the National and American division selections of a year ago when the Nationals or West Team came out victorious.

Manager Pat LoChiattio is determined the East will win this year.

REAL ESTATE

The Carley Realty office has found homes for the following satisfied customers:

Property located at 56 Devonshire rd., Waban, leased for Anna H. Harkins to Mr. George McLaughlin of Newton; property located at 876 Watertown st., West Newton, leased for Margaret B. Showler to Mr. George B. Welch of Newton; property located at 406 Fuller st., West Newton, leased for H. L. Burnham, Agent, to Mr. J. G. Burke of Boston.

Subterranean Butte

The city of Butte, Mont., has more than 10 times as many miles of underground passageways as it has streets above ground. There are 250 miles of streets, 2,700 miles of passageways for the workings of copper and zinc mines.

Recent Weddings

VAN PATTEN-STEIGER — HODGES

Miss Margaret Hodges, daughter of Mr. and Mrs. Roger Shepard Hodges of 105 Waban park, Newton, was married to Robert Van Patten-Steiger, son of Mr. and Mrs. Walter Van Patten-Steiger of Auburndale on Saturday afternoon, July 22, at four o'clock in the Goddard Chapel at Tufts College. Rev. Dr. Ray Eusden performed the ceremony. Dr. Richard B. Wingate was the organist.

Mrs. Richard Moore of Newton, cousin of the bride, was the matron of honor. Walter Van Patten-Steiger of Auburndale brother of the groom, was the best man. The ushers were Dudley Brathwaite, Gordon Boucher, Roger DeWitt, all of Auburndale and C. Mallory Graves of New York.

A small reception for the immediate families was held following the ceremony. The bride was a member of the class of 1937 at Skidmore College and is a graduate of Katharine Gibbs School. The groom was graduated from Phillips Exeter Academy and the Massachusetts Institute of Technology.

Births

FOREST: on July 20 to Mr. and Mrs. Joseph Forest of 70 Jefferson st., a daughter.

GARABEDIAN: on July 21 to Mr. and Mrs. Joseph Garabedian of 1204 Chestnut st., a daughter.

RAMSDEN: on July 23 to Mr. and Mrs. Frederick Ramsden of 100 Harvard st., a son.

SCHIFO: on July 23 to Mr. and Mrs. Frank Schifo of 21 Mague pl., a daughter.

GRAVES: on July 24 to Mr. and Mrs. Chester Graves of 25 Kenney pl., a daughter.

CIVETTI: on July 19 to Mr. and Mrs. John Civetti of 86a Dalby st., a daughter.

MAGAZZU: on July 20 to Mr. and Mrs. Ernest Magazzu of 184 California st., a daughter.

TERRY: on July 19 to Mr. and Mrs. George Terry of 55 Murray rd., a son.

More Power to You

Although the average horse-power of the automobile engine has increased 300 per cent since 1920, the size of the radiator has remained the same.

Star Markets Hold

Outing at Wayland

Large Turn-Out for Successful Event

On Wednesday, July 26, about 250 members of the Watertown, Newtonville and Wellesley Star Markets enjoyed a glorious outing at Sells' Ten Acres in Wayland, under ideal weather conditions. After an appetizing buffet luncheon, the afternoon was given over to games, sports and contests, with prizes valued at over \$300 being awarded the winners.

At 7 o'clock, all the merry-makers sat down to one of Sells' famous turkey dinners to which, appetites whetted by the tireless activities of the afternoon, they did full justice. Informal speechmaking and gay banter enlivened every minute of the feast. During the evening, dancing held the stage, and the constant demand for dances showed how thoroughly the occasion was being enjoyed by everyone. And as a very snappy orchestra played its last note, a weary but happy throng departed with memories of a delightful event.

Mr. Ewing, Miss Harper, Mrs. Watts, Miss Corqua and Mr. Dozolis, functioning as the General Committee, and ably assisted by numerous subcommittees, handled all details to perfection, and to them is due much of the credit for an outing that all present voted to be by far the best that the Star Market organization has ever held.

COOLIDGE CORNER THEATRE, BROOKLINE

With Brian Aherne, Victor McLaglen and June Lang playing the top roles, "Captain Fury," frontier drama of Australia, opens for a week's run on Friday, July 28th, at the Coolidge Corner Theatre, Brookline.

"Captain Fury" is the story of dauntless men and brave women who migrated to the barren brush country of Australia to hew a nation out of a strange wilderness. Paul Lukas, June Lang, John Carradine, George Zucco, Douglas Dumbrille and Virginia Field, featured in support of the starring trio, portray the strange, assorted characters who join in this march of progress in the pioneering days of the early 19th century. The story narrows down to a fight to the finish between Captain Fury, daring adventurer and political prisoner, who migrates from Ireland, and Arnold Trist, greedy land baron, whose game is to oust incoming settlers, grab their land and build up a vast feudal estate to be ruled tyrannically. Fury quickly sizes up the situa-

tion and plans a thrilling career as an Australian Robin Hood.

The excellent co-feature on this excellent program is "The Family Next Door" featuring Hugh Herbert, Joy Hodges and Eddie Quillan. It's a home where everyone does as he pleases. Hugh Herbert is seen as the whimsical father who has reason to doubt whether he is really the "head of the house." Ruth Donnelly, popular comedienne, has the role of the mother who spends her time trying to marry off her pretty daughter, Joy Hodges. Eddie Quillan, portrays the elder son who has a million ideas for getting rich, and Juanita Quigley appears as the small daughter. Benny Bartlett has the role of the kid brother.

In addition to the two major features, there will be a new "Going Places" travelogue, narrated by Lowell Thomas, a cartoon, and of course the latest issue of the Coolidge Corner Theatre Newsreel, presenting world events.

UNITED STATES LINES

The newly advertised "fare-and-one-half" round trip excursion rates have greatly stimulated interest in late summer and early fall travel to Europe as evidenced by inquiries being received by the United States Lines for their popular, inexpensive twenty-three days tour.

This year the SS. Washington has been selected, sailing on September 6th. Four tours have been arranged with a wide choice of itineraries—Ireland, England, Scotland, Holland, Belgium, Germany, Switzerland and France—and variations or extensions may be made on any of these tours. For those having a longer vacation period a special 37-day all expense tour has been arranged—Seven Countries—with an exceedingly attractive itinerary—Cork, Killarney, Dublin, London, Holland, The Rhine, Heidelberg, Munich, Venice, Florence, Rome, Milan, Interlaken, Lucerne and Paris. These tours were inaugurated in 1928 and have been operated successfully each year.

They are so arranged that business and professional people whose vacation period and means are limited may see the principal points of interest in the countries visited, under expert guidance, and in the glorious month of September when delightful Autumn weather prevails on the British Isles and on the Continent.

An attractive folder covering these popular tours has been issued and may be obtained from the Newton Steamship Agency, 11 Centre ave., Newton, or phone Newton North 4591.

IT'S NEVER "too late" BY TELEPHONE

Take advantage of a break in the weather, a change in plans, a last-minute inspiration. Telephone yourself a holiday. Call the family and friends. A few minutes of telephoning will give you days of unexpected and, therefore, doubly happy recreation. Out-of-town calls are so inexpensive, surprisingly so evenings after 7 and all day Sunday.

Cellophane Luncheon Sets
Luncheon sets of glistening white cellophane woven with bright colored yarns are among the new table conceits which are both charming and practical. The yarn is woven to give the effect of stripes and the sets may be had in blue and white, green and white and red and white.

Object To Noise In WPA Toy Shop

A petition signed by Mrs. Millie Whalan and other residents in the vicinity of Austin and Mount Vernon sts., Newtonville, was received by the Board of Aldermen on Monday night. The signers of the petition object to the use of an old shop on Clark terrace by WPA workers on a furniture and toy project. They assert that the noise caused by saws and other machines at the shop is a nuisance, and the conduct of some of the workers was also objectionable. There has been loud talking, and a number of automobiles have been parked in front of nearby houses. The project was started at the shop on June 25.

Ancient Timetable Had

Some Queer Provisions

A French timetable, almost a century old, discovered in Rouen, capital of Normandy, furnished striking, even amusing evidence of the progress made by railroads, writes a Paris correspondent in the New York Times.

In 1848, for example, the morning train left St. Lazare station in Paris at 8 o'clock, and after much difficulty, finally reached Rouen at 12:05. However, a faster service was also available—fast for those days—which covered the distance in three hours.

Every timetable gives advice to prospective travelers, but the advice given in 1848 seems unusual and amusing. Here are some extracts from this ancient timetable: "Every time a voyager desires to change his seat, he must notify the conductor and show his ticket."

"Smoking is forbidden in railroad stations and trains."

"No embarrassing packages may be carried by voyagers into railroad-trains."

"Travelers are warned against getting acquainted too easily and too speedily with fellow voyagers. A cautious reticence is recommended."

"Service at stations is free to travelers, who are requested to give no tips."

"The company accepts no responsibility for unregistered packages."

"Dogs must be brought to the station 10 minutes before the departure of the train."

Samoyed Dogs Prized by Owners, Had Best of Care

Once upon a time in the land of the big snows there lived a people known as the Samoyeds, and though this was a very long time ago, even then there was fighting for more power and possessions. Their strength being not as great as some and preferring peace to war this tribe gathered their families and valuables and fled farther north until they found safety in the icy plains near the White sea.

Strange as it may seem, relates Margaret Kidder in the Los Angeles Times, the most prized property of any household was the dogs. To travel any distance over frozen ground, to hunt, or to herd reindeer, these people were dependent upon their dogs for aid. Without them they could hardly exist. Into the house went the dogs with their owner and it is this constant companionship that is credited as being responsible for developing the almost "human understanding" of the Samoyed dog.

Inheriting the name of the people who discovered the possibilities of this breed, the Samoyed in its native land acts as guard, hunter, sled and herd dog and he bears the same handsome physical appearance of his forbears. It has hardly been a hundred years since they were first brought out in England and pictures and old photographs show a dog of great beauty, much the same size, and with the same sweet expression.

Israel Putnam, Doughty Warrior

America might well be proud of that doughty warrior, Israel Putnam, who heard the news of Lexington and Concord while plowing his fields in Connecticut and at once mounted his horse, riding all night till he had reached Cambridge and the patriot army about Boston. In command at the battle of Bunker Hill, he swore faithfully at his men during the retreat from the redoubt, and after the war sincerely confessing it in church, adding, in extenuation of himself, "It was almost enough to make an angel swear to see the cowards refuse to secure a victory so nearly won."

Presidents' Previous Occupations

Washington was a farmer and surveyor. William Henry Harrison studied medicine but turned to the army and later to politics. Taylor was a soldier and a Louisiana cotton planter. Johnson was a tailor and Grant a tanner, farmer, real estate agent, hardware clerk and soldier. Theodore Roosevelt's profession was politics from his twenty-second year on. Harding was a newspaper man. Wilson, though a lawyer, spent the greater part of his life as a teacher; Hoover was an engineer. All the others, after various beginnings, were lawyers.

Surf Riding and Aquaplaning

An aquaplane is a plank drawn along the surface of the water by a line from a power boat. Attached to it are ropes or a rope with which the rider can lift the front end of the aquaplane from the water, and to some extent control its movements. The surf rider merely takes his plank to sea and upon it rides the waves that bring him back to shore. Surf riding is an old Hawaiian sport, while aquaplaning is of comparatively recent origin.

Derivation of Color Names

Some color names have curious derivations. Magenta, for instance, was named after the color of shirts worn by soldiers at the battle of Magenta. Carnation, the color, comes from the Latin carnea, meaning flesh color, and was used in England as far back as 1535. Green, says Pearson's London Weekly, is one of nature's most amazing colors. There are about 3,000 different shades of green.

Arkansas Pioneers Used

Cabin Door for Sundial

Antique clocks are rarely included in the furnishings owned by old residents in the northern Arkansas hills. The pioneers could waste no covered wagon space on things not absolutely essential for hewing down timber, constructing cabins and tilling the land. Homemade devices for telling time have given rise to a picturesque phraseology. The true mountaineer tells time by the sun. Some of them are accurate to the minute.

A hillman will refer to time as "an hour before sun-up," an hour before sun-down, "straight-up by the sun," "moon-rise time," "an hour by the sun." In some of the old-time cabins there were "sun-marks" on the floor. When the house was built a mark would be placed where the sun shone through the open door at noon. The housewives timed their cooking by the lengthening streak of sunshine. There was a sort of primitive satisfaction in living and working by the sun. Many men who now possess watches prefer to tell time by the sun.

Other old hill people used the punchcoons boards—logs split in two and the flat side used as the floor—to tell time. In one section of Arkansas the phrase "punchcoons time" is still used. Most of the punchcoons were approximately the same width, and the lengthening of sunshine or shadow on them was counted by punchcoons, which usually approximated one hour. Thus "a punchcoon until noon" would be 11 o'clock, and "a punchcoon after noon, straight up and down," would be one o'clock.

It is said that when the first sawmill was erected at Fayetteville, Ark., the customers demanded that the "timber floorin'" they purchased be the exact width of the old-time punchcoons, so that they could still live by "punchcoon time."

Value of Wheat Revealed

In Early Biblical Times

Wheat has been the most important cereal in international commerce since Biblical times, says the National Geographic society.

"Wheat's supremacy has endured throughout history," the society reported, "since Biblical days when Hiram, king of Tyre, sent timber of cedar and fir for King Solomon's temple at Jerusalem in barter for 20,000 measures of wheat."

"Stock tickers on modern exchanges record the same transaction for which Jacob's 10 sons journeyed from Israel's famine to Egypt's ever-normal granary established by their brother, Prime Minister Joseph."

"Wheat, called King of Cereals, is simply grass gone handsomely to seed. Each flower packs all available earth's foods and sun's energy into its fruitage of golden nuggets. The ripe grains are in fact seeds, cunningly stored with food for the coming winter."

The society, in the first of a series of reports on "Commodities: Common and Uncommon," said development of American wheat resources—and the machinery to harvest vast tracts—gave the world its first inexpensive wheat. Before American mass production dropped the price of wheat, only the rich could afford wheat bread. The masses ate black bread of barley or rye.

"As American inventiveness gave large-scale planting a sudden impetus," the report said, "the winning of the western plains gave it a place. Minnesota earned the official nickname of the Wheat state."

Norway Used Dragons

China is not the only country in which dragons are used as a decorative motif. The old "stavekirker" or wooden churches, built centuries ago when Christianity was young, are forming one of few links between modern Norway and the Viking past, still show dragon heads on gable ends. For centuries the dragon was one of the favorite emblems of pagan Norway, especially as a figurehead for the prow of her Viking ships. The men who built the ships and decorated them with dragon heads also built the nation's first churches. The church structure allowing them more exercise of imagination, Viking carpenters not only put dragons on the gables but also carved those emblems into the columns, the capitals and even the door frames of the buildings.

Washington's Home

George Washington wrote of Mount Vernon: "No estate in the United States is more pleasantly situated than this. It lies in a high, dry and healthy country, 300 miles by water from the sea, and on one of the finest rivers in the world. . . . I can truly say that I had rather be at Mount Vernon with a friend or two about me than to be attended at the seat of government by the officers of state and the representatives of every power in Europe."

Harnessing the Sun

More than 12,000 residents of Miami, Fla., are harnessing sunlight to get hot water. So powerful is Miami's sun that a glass tank containing coils of copper tubing on the roof of a house will heat water to 205 degrees, and in six hours enough hot water can be run off into a thermos-like reservoir to last the average family three days. The complete equipment sells for about \$175.

Dog Causes Car To Run Into Tree

A car driven by George Roberge of 26 Bennett st., Waltham, hit a tree on Commonwealth ave., Auburndale, near Cheswick rd. on Sunday morning. Mr. Roberge lost control of the car when his dog, which was riding with him, jumped onto his lap. The car was totally wrecked. Roberge received severe cuts on his chest, left arm and legs. The dog was so badly cut from broken glass that he died.

A car driven by Frederick Hill of Quincy collided on Sunday night with a car driven by George McManus of 451 Crafts st., West Newton, as the latter car was about to enter a driveway at that address. Mrs. Elizabeth McManus was reported as having received a brain concussion in the accident. She was taken to St. Elizabeth's Hospital.

CHRISTIAN SCIENCE

"Love" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, July 30.

The Golden Text is: "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life" (Jude 1:21).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love" (1 John 4:7, 8).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Love one another" (1 John iii, 23), is the most simple and profound counsel of the inspired writer. . . . It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established" (pp. 572, 467).

tue and in execution of the po
contained in a certain mort

Deed given by Annie Zalyvis of Boston, Massachusetts, to the Addison Gilbert Hospital of Newton, Middlesex County, Massachusetts, to the Addison Gilbert Hospital of Newton, Middlesex County, Massachusetts, 1925, and recorded with Middlesex South District Deeds, Book 4852, Page 165, and the premises hereinafter described. On Monday the fourteenth day of August, 1939, at thirty minutes past one o'clock in the afternoon, the premises hereinafter described were sold by said mortgage and for the purpose of foreclosing the same, all the premises comprised within the boundaries and described as follows:

A certain parcel of land with the dwelling-house and garage thereon, situated in the City of Boston, in the Stone Avenue in the Chestnut Hill District, Middlesex County, and shown as Lot B on a "Plan of Land in Chestnut Hill" made by E. S. Smith and recorded with Middlesex South District Deeds at the end of Book 4852, said premises being bounded and described as follows:

Northwesterly on said Stone Avenue, being the line of the premises hereinafter mentioned, ninety (90) feet; northeasterly by Lot A shown on said plan of land, being the line of the premises hereinafter mentioned, one hundred twenty-six and eight-tenths (126.8) feet; southeasterly by land now or formerly of John T. Burns, being Lot 30 and the premises hereinafter described, ninety (90) feet; southeasterly by land now or late of

Said parcel is composed of Lot 19 and the southwesterly half of Lot 20 shown on the plan hereto attached and known as the nut Hill, Beacon Street Boulevard" shown by Frederic R. Page, C. E., dated April, 1925, and recorded with Middlesex Southern District Registry of Deeds, San Book 100, page 100, and the same is to be divided into half of the premises conveyed to said Annie Zalvis and Joseph S. McKinnon shown by said John T. Burns, by deed dated and recorded with Middlesex Deeds.

Said premises are hereby conveyed sub-

ject to the rights and restrictions referred to in a deed from Michael Connolly, et al, dated November 8, 1919, and recorded with said Middlesex Deeds, Book 4309, Page 364, if and so far as the same be now in force and applicable, and subject to and with the benefit of the further restrictions applying to said Lot A, as well as to said Lot B, that are

buildings shall be erected or placed thereon except a single private dwelling-house adapted to the use of not more than one family, and costing not less than \$7500., with the usual outbuildings including a private garage appurtenant thereto; and that all buildings erected or placed on said lot shall be set back

at least thirty (30) feet from the south-easterly line of said Avenue.

Together with the right to use said Stone Avenue in common with all other persons lawfully entitled to use the same as a way.

Together with all furnaces, heaters, ranges, mantels, gas and electric fixtures, window screens, screen doors, awnings and other fixtures of whatsoever kind and nature now contained in or upon said

Terms, \$500 in cash or by certified check at time and place of sale; balance of purchase price on tender of deed at No. 111 Main Street (Room 12) in Gloucester, Massachusetts, within twelve

(12) days thereafter unless other terms agreed upon at sale.
 Gloucester, Mass., July 20, 1939.
ADDISON GILBERT HOSPITAL,
 Mortgagee and Present Holder.
 By Robert F. Thompson, Treasurer.

COMMONWEALTH OF MASSACHUSETTS

LAND COURT

To the City of Newton, a municipal corporation, located in the County of Middlesex and said Commonwealth; Industrial Jewel Company, Inc., a duly existing corporation having an usual place of business in Waltham, in said County of Middlesex; Ellen M. Johnson, of said Waltham; Harry P. Chadwick, of Boston, in the County of Suffolk and said Commonwealth; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Hervey F. Arrington, Inc., a duly existing corporation having an usual place of business in said Boston, to register and confirm its title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Newton, bounded and described as follows: Northerly and Northwesterly by Riverview Avenue, 39.20 feet and 100 feet, respectively; Northeasterly by land now or formerly of the City of Newton, 100 feet; Northwesterly by land of the City of Newton, 100 feet; or formerly of the Industrial Jewel Co., Inc., 120 feet; Southwesterly by land of said Industrial Jewel Co., Inc., 50 feet; Northwesterly by land now or formerly of Ellen M. Johnson, 95.28 feet; Southeasterly, Southerly and Southwesterly by land of owners unknown, about 608.68 feet; and Westerly by land now or formerly of Harry P. Chadwick, 110 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the twenty-first day of August next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, John E. Fenton, Esquire, Judge of said Court, this twenty-fourth day of July in the year nineteen hundred and thirty-nine.

Attest with Seal of said Court.

CHARLES A. SOUTHWORTH, Recorder.

Joseph Doyle, 18 Tremont St., Boston, Mass., Atty. for the Pet'r.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by Hans L. Tange and Christine Tange, his wife, to the West Newton Savings Bank, dated September 19, 1933, recorded with Middlesex County District Deeds, Book 4658, Page 132, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the premises hereinafter described on Monday, the seventh day of August, 1939, at four o'clock in the afternoon, all and singular the premises conveyed by said mortgage and described in said mortgage deed as follows:

"A certain parcel of land with the buildings thereon, situate on the easterly side of, and being now numbered 145 Commonwealth Avenue, in that part of said Newton called Auburndale, shown on a 'Plan of Land in Auburndale, Mass.' dated July 23, 1923, A. M. Valentine, C. E., recorded with Middlesex South District Deeds, Book 4658, Page 132, and together bounded and described as follows:

Commencing at a point on the Easterly side of said Commonwealth Avenue at land of Edna S. Wilcott, thence running Easterly by said land of Wilcott one hundred and twenty (120) feet to land now or formerly of Durell;

thence turning and running Southwesterly by said land now or formerly of said Christine Tange, sixty (60) feet to a point;

thence turning and running Westerly by said other land now or formerly of said Christine Tange, ninety-six (96) feet to the Easterly side of said Commonwealth Avenue;

thence turning and running Northerly by said Easterly side of said Commonwealth Avenue, seventy (70) feet to said land of Wilcott and the point of beginning.

Containing according to said plan 6440 square feet, be the same more or less.

Be it a portion of the premises conveyed by Richard L. Wilson to said Christine Tange by deed dated October 18, 1932, recorded with Middlesex South District Deeds, Book 4652, Page 194; and this conveyance is made subject to restrictions hereinafter described, the same may now be in force and applicable.

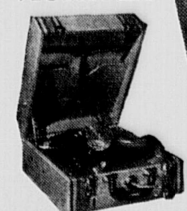

Said premises will be sold subject to all unpaid taxes, tax titles and municipal liens and assessments, if any such there be, which shall be paid in cash by the purchaser at the time and place of sale and the balance in ten days thereafter. Other terms will be announced at the sale.

RECENT DEATHS

FLORA J. STANLEY

Mrs. Flora J. (Tilston) Stanley of 337 Waverley ave., Newton, died on July 24 at Estes Park, Colorado. She was born at Mechanics Falls, Maine, 92 years ago and was educated in the schools of that town and at Kent Hill Academy. She taught at the Mechanics Falls High School, and in 1876 married Freland O. Stanley of Kingfield, Maine, who was then principal of that school. Her husband and his twin brother, the late Francis E. Stanley, manufactured a photographic dry-plate, and in 1890 they came to Newton to reside, having moved their dry-plate factory here from Lewiston. The Stanley brothers in 1896 invented the Stanley Steam Carriage, and on August 30, 1899, Mrs. Stanley rode with her husband when he made the first automobile ascent of Mount Washington in his little steam buggy. This event attracted such attention that news of it was cabled across the Atlantic and printed in that night's Paris edition of the New York Herald.

Mrs. Stanley was a member of Lucy Jackson Chapter, D. A. R., and for many years was a regular attendant at the concerts of the Boston Symphony Orchestra. For the past 37 years she and her husband had spent their summers at their cottage in Estes Park, Colorado. Besides her husband she is survived by a number of nephews and nieces, one of whom Miss Dorothy Emmons, was with her in Estes Park. She is also survived by F. Clayton Record of Methuen, a cousin. Mrs. Stanley's body is temporarily interred in a vault at Denver, and will be later moved to Maine for burial.

CHARLES A. ROBERTS

Charles A. Roberts, formerly of 283 Tremont st. and 137 Charlesbank rd., Newton, died on July 25. He was born at Dover, New Hampshire 77 years ago, and at one time conducted a haberdashery at Newton. He formerly was night cashier at the Waldorf Lunch Room in Newton. His funeral service was held on Thursday afternoon at the Rich Funeral Parlor and burial was in Newton Cemetery.

SUSAN HARTY COLE

Mrs. Susan Harty Cole of Voluntown, Conn., died at the Norwich, Conn., Hospital on Saturday, July 22. Mrs. Cole was born in Gloucester, coming with her parents to Newton Upper Falls as a young girl, where she resided until her marriage. She is survived by her husband, Henry L. Cole, of Voluntown, Conn.; three sisters, Mrs. Frank Wyman of New Hampshire, Mrs. Robert Barbour of Pittsfield, Mass., and Mrs. Thomas L. Ryder of Barton Place, Newton Upper Falls; also two brothers, William Harty of Tilton, N. H., and Calvin Harty of Saco, Me. Funeral services were held from a funeral home at Jewett City, Conn., on Monday, July 24, with burial at the Jewett City cemetery.

M. HORTENSE MARSHALL

Mrs. M. Hortense Marshall, founder of the West Newton Music Club, died on July 20 at the home of her daughter, Mrs. Norma Riddle in Harvard. She was born in Mobile, Alabama, 70 years ago and studied in New Orleans, Germany and England. She was president of the Newton Amateur Opera Company. Her funeral service was held on Sunday in Bigelow Chapel, Mount Auburn cemetery. Mrs. Marshall is survived by two daughters, Mrs. Riddle and Mrs. Hortense Hull; and a son, Thomas C. Marshall.

CHARLES H. CASHMAN

Charles H. Cashman, of 6 Lexington st., West Newton, died on July 26. He was born at Lexington 71 years ago and for 23 years was a conductor and bus operator for the Middlesex & Boston Street Railway. He is survived by his widow, Mrs. Cora Wallace Cashman; a son, Charles W. Cashman; and a sister, Miss Dell Cashman of Waltham. A private funeral service will be held at his home on Saturday and burial will be in Mount Feake Cemetery, Waltham.

IN MEMORIAM

1923—1939

"To live in the hearts of those we leave behind, is not to die."

In most loving memory of my dearest mother, who passed away July, 1923.

"She is not dead, she is just away."
ELLEENE NORAH LOMAX.

Assessors

(Continued from Page 1)

reviewed at this time, and the condition of old and new buildings noted. Our findings are then entered on the ample margin of the street book, to be used in writing up the next year's books.

When large areas are developed, builders usually lay out the lots from 100 to 120 feet deep. As an illustration: A lot 80 ft. frontage and extending back 120 feet in a good neighborhood, would be assessed for twenty cents or more per square foot. Another lot alongside of it 150 feet deep would have twenty cents per foot back 120 ft. and the balance eight cents, or one-third the value of the front part of the lot. In our opinion this, with some exceptions, is the fairest kind of yardstick to use in fixing suburban lot values. Consideration is given to lots of unusual depth or areas in poor condition.

We have not used a base rate on lots, as worked out by the assessing systems that are used in some larger cities. Newton is unique in being composed of twelve villages with varying residential sites and land values are graded accordingly. In a general way such values are reached by sales or asking prices, or by comparison with other localities. In the city having similar advantages of site and neighborhood. And by sales, we mean sales that are made under fairly normal conditions.

We believe it is good assessing when large areas are laid out in streets, to recognize the fact that the builder is entitled to some consideration on the unsold lots until they are sold or built upon. We also give consideration to lots large enough for two houses but now carrying one and that one so placed as to prevent using the lot for another house.

During the depression period, values have declined in Newton in common with other communities, but we did not follow the inflated prices of the twenties, nor are we going to the other extreme now. In both periods we have tried to use some common sense. Foreclosures, bank sales and the testimony of so-called appraisers are no criteria of real value. They do not always speak our language.

A few years ago, the City of Newton took over a large tract of land for city purposes, and the owner took the case to court for a higher award. His expert, a prominent appraiser, testified the land was worth thirty cents per square foot. The assessors' value was one and three-fourths cents per square foot. The court was three cents per foot.

One thing that has helped Newton Assessors in dealing with taxpayers has been prompt action on complaints. When a complaint has been filed, a prompt examination of the property follows. If the assessors are not otherwise delayed, the complaint is acted on within a few days.

In meeting inquiries, we have at the counter not only the valuation books, but the street books for the current year and those for 1931, where can be shown the reductions or readjustments on any property, during the eight year depression period. This comparison also shows the efforts that have been made to bring about uniformity of values.

In all the foregoing, our Board has not escaped the usual troubles and headaches that go with conscientious assessing.

If the taxpayer feels that the assessors represent him, the same as he being treated with the same fairness as every other taxpayer, there is not much ground for complaint.

The results of our work are for others not ourselves to appraise. We might mention that during the eight years of the depression, reductions through revaluations on real estate show a loss of \$12,567,250. This has been offset during these years by new buildings and alterations amounting to \$16,958,250, giving a gain of \$4,391,000 on real estate. Deducting a loss through reductions on Personal Property of \$2,075,800 leaves a net gain in Real Estate and Personal Property of \$2,315,200 for the past eight-year period.

Want Permit For Gasoline Storage

The Sherman Paper Products Company which occupies part of the old Saco-Lowell plant at Upper Falls was given a hearing before the Aldermen on Monday night on its petition for a permit to locate a 500 gallon tank on the property there for the storage of gasoline. Irving Rudin of Mattapan, representing the petitioners, told the Aldermen that the company operates one truck around the yard, and desires the gasoline tank to supply this truck. He said no gasoline would be sold for private consumption.

One Inch of Rainfall

Is a Lot of Water

Rainfall is measured in inches, as we know. But exactly what does an inch of rain represent? Doesn't sound like much, does it?

Here are some comparative figures: One gallon of water weighs 10 pounds and would cover about two square feet of surface with a layer one inch thick. To cover a square mile of the earth's surface with a layer of rain one inch thick needs 120,000,000 pounds of water, or 12,000,000 gallons—which is a lot of water.

A good thunderstorm which pelts water down on the earth all night long will result in perhaps a half-inch of rain. If the storm covers a hundred thousand square miles before it wears itself out it will therefore deliver to the earth 600,000,000,000 gallons of water.

Let this seem a considerable amount let us think of the Khasia hills in India, which is reputed to receive the heaviest rainfall in the world. The average is over 600 inches of rain per year, or 7,000,000 gallons of water per square mile.

Two Drivers Fined For Bad Driving

Drivers of two automobiles which were involved in a crash at the narrow, dangerous intersection of Waban and Jewett sts., Newton, on July 14, were both found guilty of reckless driving by Judge Mayberry in the Newton court on Wednesday and fined \$25 each. Those found guilty were John T. Burns, 3rd, 19, of 411 Newtonville ave., Newtonville; and Elizabeth Glidden, 24, of 42 Hunnewell ave., Newton. Police testified that both drivers had admitted they were driving 30 miles an hour as they approached the dangerous intersection. Two young women, riding in Miss Glidden's car were injured in the collision.

Two Arrested for Street Fight

Edward Hines, 25, of 29 Jasset st., Nonantum, and Joseph Quinn, 20, of 67 Arlington st., Brighton, were arrested by Patrolman Timothy Riley Tuesday afternoon as they were engaged in a street fight in front of the Bacon Building at Newton Corner. The scrap quickly attracted a large gallery. In court on Wednesday Quinn was fined \$10 and Hines given a 15 days suspended sentence. Hines stated that the fight started after young Quinn had made a disparaging remark about Hines' wife, who was with her husband at the time.

Why It Is Lalique Glass

Lalique glass is named for its maker, Rene Lalique, one of the leading French designers of ornamental glass.

Dogs that chase chickens often cause trouble for their masters, but here is a dog and chicken story that I think rather interesting. Bob, a two-year old Mastiff, was one day seen very gently carrying a hen in his mouth towards his kennel. The dog owner watched closely as the animal deposited the hen inside the small house and took up sentry duty outside the door.

Soon a cackling sound came from within. The hen strutted out the door and the dog went inside. As the owner looked in through a small window he saw that the hen had laid an egg in the straw of the dog's bed. The dog quickly devoured the egg. From then on dog and hen have been fast friends, the hen refusing to lay eggs anywhere but in Bob's bed. The dog in turn protects the hen from molestation by any other dogs that stray near.

This true story may be an answer to all who wonder if dogs use logic. Bob evidently found eggs to his liking, reasoned that they were laid by hens and that the best way to secure a fresh supply was to have a hen to himself.

Sidewalks and streets become very hot after the sun beats down on them for a few hours. If your only chance to exercise your dog is along city thoroughfares, remember that your pet doesn't have shoes to protect him from the broiling pavements. If you must walk your pet during the heat of the day, stay on the shady side of the street.

Not only will walking a dog in the cool of the evening keep him from coming in contact with hot pavements, but that is the proper time for either a city dog or country dog to be exercised during hot weather. Dogs suffer from heat prostration and sunstroke almost as readily as humans. Too violent exercise on a hot day may cause a dog to experience such an attack. An animal that is overcome by the heat should be placed in as cool a place as possible and bathed with cold water. Call a veterinarian immediately. Feed the animal lightly, keep him quiet for a few days and guard against a relapse from another overexposure to the sun. Once a dog has suffered from heat prostration he seems to be more susceptible to the effects of the sun's rays. Therefore greater care should be taken after an attack.

Recently a wealthy resident of Philadelphia was persuaded by his wife to have his picture painted. When the portrait was delivered to their home there was a great deal of discussion as to where to hang the painting. Finally it was decided that it should be put over the mantel in the living room.

It didn't stay there long. In fact, it didn't remain in sight anywhere in the house. Patsy, the gentleman's pet Irish Setter, sat and barked furiously at the painting no matter where it was placed. When the dog's master came into the room where the portrait was hung, the dog would look first at the picture and then at his master and run from one to the other. Patsy couldn't quite understand why the picture wouldn't play with her when she barked at it and no amount of training could break her of the habit. Today the painting is stored in the attic and the dog sleeps peacefully in the living room.

A dog should be fed at regular times each day. Of course it doesn't do any harm to vary the schedule occasionally, but if the animal is fed at irregular hours he will expect food all the time. A dog that is fed at a definite time each day will look for his food only at that hour. Irregular feeding will often upset some dogs.

Another thought on feeding. Never leave a dog's dish before him for any great length of time. If he refuses to eat in a reasonable period, take the dish from him and don't

City Pays

tioned at the field station in Waltham, was a witness for Mrs. McGuinness. He testified that the peat in the land taken was worth \$1 a cubic yard in the ground, on a basis of its alleged sale value for soil conditioning purposes. The jury awarded over \$20,000. City Solicitor Bartlett asked Judge Walter Collins, who presided at the trial, to set the verdict aside, and also that a new trial be granted. Judge Collins refused to order a new trial, and awarded \$15,719.18 to Mrs. McGuinness.

Loud Speaker

(Continued from Page 1)

According to those objecting to conditions at and near the park, automobiles of persons who patronize the amusement place have been parked on sidewalks on nearby streets, and there has been much noise by young persons in automobiles leaving the place after midnight. Recently, Alderman Floyd of Ward 4, visited the park a few times in efforts to contact the manager. On Saturday night, July 15 Aldermen Fahey and Hughes of the License Committee went to the park. They stated that the bar in the restaurant there was open until 12:15, that the "caterpillar ride" at the park, which is supposed to be stopped at 10:30 because of its noisiness, was operated until 11:20, and that very audible washing of dishes continued until 1 a. m.

On Wednesday night a conference was held between the License Committee, Chief of Police Hughes and the management of the park.

Basley's Suggest Bunks

For Boy's or Girl's Rooms in the Attic

They are attractive—comfortable—take up less room, and allow for other pieces of furniture and knick knacks in a small room.
